

Looking At Greek Vases

Dietrich von Bothmer, Otto Wittmann

Looking At Greek Vases:

Looking at Greek Vases Tom Rasmussen, Nigel Jonathan Spivey, 1991-07-26 An ancient Greek vase is a difficult object for the non expert to come to terms with Faced with rows of apparently undifferentiated black red and buff pots he or she is at a loss as to where to begin Greek vases are treated as objets d art in the modern world but how much were they worth in the ancient They are often used to demonstrate the Greek genius and aspects of ancient Greek society but why do many of them carry Eastern motifs and why do so many turn up in Italy Why were the Greeks not content with simple patterns on their pottery What did the pictures on the pots mean to them Why should a vase depict a scene from a play These are the sorts of questions that this book first published in 1991 attempts to answer As the title implies it is a series of looks at Greek vases offering suggestions on how to read the often complex images they present *Looking to Greek Vases* ,1992 Looking to Greek Vases ,1992 **Looking at Greek Vases** Tom Rasmussen, Nigel Spivey, 1993 **Understanding Greek Vases** Andrew J. Clark, Maya Elston, Mary Louise Hart, 2002 This is an indispensable guide to anyone wishing to obtain greater understanding of Greek ceramics and heightened enjoyment of them BOOK JACKET How to Read Greek Vases Metropolitan Museum of Art (New York, N.Y.), Joan R. Mertens, 2010 This handsomely illustrated volume is aimed at giving a broad audience deeper insight into the extensive collection of the Metropolitan Museum of Art The museum is famed for its Greek vases of which 35 notable examples are detailed in this book They reveal the variety and vitality of the refined forms and masterfully rendered scenes that characterize these works And they demonstrate the interrelation of function shape technique and subject matter that is key to understanding the rich language of Greek vases The introduction provides valuable background information and the entries delve into the features of each vase incorporating brilliant color illustrations and many arresting details Greek vases served specific utilitarian functions and they also afforded outstanding artists some of whom signed their work a medium for depicting both the details of daily existence and aspects of their gods goddesses and heroes We see the garments implements athletic competitions and marriages and funerary rituals of Greeks who lived from the seventh through the fourth century B C We also see their mythological figures and stories The exceptional group of works assembled in this volume conveys the extent to which the culture of ancient Greece is still apparent today This book is sure to inspire closer scrutiny of these remarkable works of art which have survived for over two millennia to offer viewers an enlightening look into the ancient heritage of the Western world from inside Front Cover **Vase Painting, Gender, and Social Identity in Archaic Athens** Mark Stansbury-O'Donnell, 2013-05-05 This study explores the phenomenon of spectators at the sides of Athenian narrative vase paintings Greek Vase-Painting and the Origins of Visual Humour Alexandre G. Mitchell, 2009-08-24 This richly illustrated book is a comprehensive study of visual humour in ancient Greece emphasising works created in Athens and Boeotia Greek Vases Dietrich von Bothmer, Otto Wittmann, 1983-12-31 The eloquent beauty of the vases produced in the workshops of the ancient Greeks is represented by a selection of pieces from

the superb private collection of Molly and Walter Bareiss that spans more than a thousand years of the craft From a delightful miniature stirrup vase dating ca 1300 B C to prime examples of the molded vases from Augustan Rome the Bareiss collection includes a splendid representative collection guided by a sure instinct for the unique beauty of design and drawing Assembled in this brief catalogue are illustrated discussions of forty seven of the masterpieces from the 258 vases currently on loan to the Getty Museum Dietrich von Bothmer Chairman of Greek and Roman Art at the Metropolitan Museum of Art introduces this most important collection one with which he has been intimately involved since its conception advising studying interpreting and even piecing together shattered vases Following the individual catalogue entries is a full checklist of an additional 205 vases that are on loan to the Getty Museum **The Greek Vase** John Howard Oakley, 2013 This photographic book explores ancient Greek vases not merely as beautiful vessels to bear water and wine but also as instruments of storytelling and bearers of meaning revealing what they would have meant those who owned them

Douris and the Painters of Greek Vases Edmond Pottier, 1908

Greek Vase Painting Dietrich Von Bothmer, 1987

Cities Called Athens Kevin F. Daly, Lee Ann Riccardi, 2014-12-18 The fourteen essays in this volume share new and evolving knowledge theories and observations about the city of Athens or the region of Attica The contents include essays on topography architecture religion and cult sculpture ceramic studies iconography epigraphy trade and drama This volume is dedicated to John McK Camp II to acknowledge the extraordinary impact he has had on the field of Greek archaeology through his work in the Athenian Agora as a scholar of ancient Greece and as Mellon Professor at the American School of Classical Studies The contributors work represents current research by the latest generation of scholars with ties to Athens All of the contributors were students of Professor Camp in Greece and their essays are dedicated to him in gratitude for his profound influence on their lives and careers **Aphrodite's Tortoise** Lloyd Llewellyn-Jones, 2003-12-31 Greek women routinely wore the veil That is the unexpected finding of this meticulous study one with interesting implications for the origins of Western civilisation The Greeks popularly and rightly credited with the invention of civic openness are revealed as also part of a more Eastern tradition of seclusion Llewellyn Jones work proceeds from literary and notably from iconographic evidence In sculpture and vase painting it demonstrates the presence of the veil often covering the head but also more unobtrusively folded back onto the shoulders This discreet fashion not only gave a privileged view of the face to the ancient art consumer but also incidentally allowed the veil to escape the notice of traditional modern scholarship From Greek literary sources the author shows that full veiling of the head and face was commonplace He analyses the elaborate Greek vocabulary for veiling and explores what the veil meant to achieve He shows that the veil was a conscious extension of the house and was often referred to as tegidion literally a little roof Veiling was thus an ingenuous compromise it allowed women to circulate in public while maintaining the ideal of a house bound existence Alert to the different types of veil used the author uses Greek and more modern evidence mostly from the Arab world to show how women could exploit and subvert the veil as a

means of eloquent sometimes emotional communication First published in 2003 and reissued as a paperback in 2010 Llewellyn Jones book has established itself as a central and inspiring text for the study of ancient women **Panorama of the Classical World** Nigel Spivey, Michael Squire, 2011-03 This imaginative approach to the era in which Western civilization was born is a thorough and thoroughly accessible synthesis of the Greek Roman and Etruscan worlds spanning the period from Late Geometric Greece in around 700 b c to the rule of Constantine in the early 4th century a d The authors incorporate important developments in recent scholarship including ideas of gender war and pacifism imperialism and dissent political propaganda economy cultural identity racism hygiene and diet and public and private uses of space The book highlights the modern relevance of classical antiquity from its influence on contemporary politics to the representation of the female body in Western art and concludes by charting the history of classical civilization The extensive reference section includes biographies an introduction to classical mythology a glossary of technical terms and vase shapes as well as a timeline map bibliography and index *How Do We Look: The Body, the Divine, and the Question of Civilization* Mary Beard, 2018-09-04 From prehistoric Mexico to modern Istanbul Mary Beard looks beyond the familiar canon of Western imagery to explore the history of art religion and humanity Conceived as a gorgeously illustrated accompaniment to *How Do We Look* and *The Eye of Faith* the famed *Civilisations* shows on PBS renowned classicist Mary Beard has created this elegant volume on how we have looked at art Focusing in Part I on the Olmec heads of early Mesoamerica the colossal statues of the pharaoh Amenhotep III and the nudes of classical Greece Beard explores the power hierarchy and gender politics of the art of the ancient world and explains how it came to define the so called civilized world In Part II Beard chronicles some of the most breathtaking religious imagery ever made whether at Angkor Wat Ravenna Venice or in the art of Jewish and Islamic calligraphers to show how all religions ancient and modern have faced irreconcilable problems in trying to picture the divine With this classic volume Beard redefines the Western and male centric legacies of Ernst Gombrich and Kenneth Clark

Greek Vase-Painting and the Origins of Visual Humour Alexandre G. Mitchell, 2009-08-24 This book is a comprehensive study of visual humour in ancient Greece with special emphasis on works created in Athens and Boeotia Alexandre G Mitchell brings an interdisciplinary approach to this topic combining theories and methods of art history archaeology and classics with the anthropology of humour and thereby establishing new ways of looking at art and visual humour in particular Understanding what visual humour was to the ancients and how it functioned as a tool of social cohesion is only one facet of this study Mitchell also focuses on the social truths that his study of humour unveils democracy and freedom of expression politics and religion Greek vases and trends in fashion market driven production proper and improper behaviour popular versus elite culture carnival in situ and the place of women foreigners workers and labourers within the Greek city Richly illustrated with more than 140 drawings and photographs this study amply documents the comic representations that formed an important part of ancient Greek visual language from the sixth to the fourth centuries BC

The Cypro-Phoenician Pottery of the Iron Age Nicola Schreiber, 2003 This major study of Cypro Phoenician or Black on Red pottery provides a fresh assessment of Iron Age East Mediterranean chronology investigates the relative roles of Cyprus and Phoenicia in trade to the Aegean and explores the ancient trade in perfumed oil

The Archaeology of Ancient Greece James Whitley, 2001-10-04 A synthesis of research on the material culture of Greece in the Archaic and Classical periods

Red-figure Pottery in its Ancient Setting Bodil Bundsgaard Rasmussen, Stine Schierup, 2012-05-22 What happened when Athenian pottery reached other cultural contexts and was absorbed into indigenous communities around or outside Greece How did the various contexts influence the adaption of Athenian iconography and does the setting add to an understanding of how Athenian iconographic themes were altered or absorbed as they entered into new cultural contexts To highlight these interpretative challenges the National Museum of Denmark in 2009 stages the colloquium Red figure Pottery in its Ancient Setting and invited a group of specialists to present cases from within their areas of research which would serve to enhance our understanding of the great range of the character and value of red figure pottery and its imagery whether in local Greek a colonial Greek or Etruscan or any other indigenous community The various cases presented in these proceedings of the colloquium clearly demonstrate that this approach to the study of Greek pottery and its imagery has much to offer

Getting the books **Looking At Greek Vases** now is not type of challenging means. You could not unaided going bearing in mind book collection or library or borrowing from your links to entre them.
