## Looking For Orthon:

Looking for Orthon Colin Bennett, 2008-01-01 On November 20 1952 George Adamski first made contact with extraterrestrials including a long haired youth from Venus named Orthon in the California desert or so he claimed He offered photographic proof He wrote books about his encounters including the sensational bestseller *Flying Saucers Have Landed* He never stopped advocating the truth of his claims even as he came under extraordinary ridicule And in the process however inadvertently Adamski invented the modern mass counterculture This new edition of Colin Bennett's modern classic posits in the author's uniquely engaging style Adamski as a kind of unwitting performance artist who structured one of the most blatant acts of visionary cheek of the twentieth century introducing the jittery postwar Western world to the image of the UFO which confounded and tweaked authority while also fully embodying Cold War neuroses Whether Adamski was telling the truth or not is almost irrelevant though Bennett has his own ideas about Adamski's veracity What remains compelling about Adamski's bizarre and compelling tale of alien visitations is the transformative power of stories even if they're false to warp our culture on a grand scale In the course of a delightfully misspent youth COLIN BENNETT was employed as both a musician and as a mercenary soldier He was far better at the second than at the first Educated at Balliol College Oxford he is the author of the novels *Infantryman* and *The Entertainment Bomb* and paranormal nonfiction including *Politics of the Imagination* a biography of Charles Fort and *An American Demonology* about the head of the 1950s UFO hunting agency Project Blue Book **The Romances of Dumas** Alexandre Dumas, 1904 **Marguerite de Valois** Alexandre Dumas, 1894
