*Out of the Depths, 4th Edition* Isabelle Knockwood, 2015-04-01T00:00:00Z In the 1880s through an amendment to the Indian Act of 1876 the government of Canada

began to require all Aboriginal children to attend schools administered by churches Separating these children from their families removing them from their communities and destroying Aboriginal culture by denying them the right to speak Indigenous languages and perform native spiritual ceremonies these residential schools were explicitly developed to assimilate Aboriginal peoples into Canadian culture and erase their existence as a people Daring to break the code of silence imposed on Aboriginal students residential school survivor Isabelle Knockwood offers the firsthand experiences of forty two survivors of the Shubenacadie Indian Residential School In their own words these former students remember their first day of residential schooling when they were outwardly transformed through hair cuts and striped uniforms marked with numbers Then followed years of inner transformation from a strict and regimented life of education and manual training as well as harsh punishments for speaking their own language or engaging in Indigenous customs The survivors also speak of being released from their school and having to decide between living in a racist and unwelcoming dominant society or returning to reserves where the Aboriginal culture had evolved In this newly updated fourth edition Knockwood speaks to twenty one survivors of the Shubenacadie Indian Residential School about their reaction to the apology by the Canadian government in 2008 Is it now possible to move forward *Digital Media in Today's Classrooms* Dawn Wilson, Katie Alaniz, Joshua Sikora, 2016-12-09 Educators who engage with today's students appreciate the impact digital media has on the lives of our younger generations Learners of today consume create and publish multimedia content continuously using a variety of devices such as cell phones tablets and computers They generate original and innovative products through programs apps and the Internet as a means of communicating and representing their lives ideas and feelings Unfortunately not all students understand how to apply media literacy or media safety and many lack knowledge of how to truly analyze media content for its value in society Today's educators must learn to harness the enthusiasm students have for digital media content that uses a combination of text images audio animation and video into daily lessons in order to enhance student interest engagement motivation and achievement in classroom environments This book addresses these vital considerations thereby empowering teachers and students to benefit from the application of digital media in their classrooms both as a compelling assessment tool and as an engaging teaching strategy *Latino K-12 Schools* Leonard A. Valverde, 2014-08-26 This book is a comprehensive guide for educators and policy makers who are ready to create schools for Latinos particularly Mexican Americans such that students will be successful in learning and achieving in K 12 grades and college and help to advance society in the 21st century The contents address how to redefine schools for a new century and goes well beyond school reform It speaks to educators on adopting a positive mindset one that sees Latinos with assets not deficits and on expanding the school's purpose to serve not just students but the local community The author also emphasizes how to gain better understanding about Latino students and families to lose stereotypic thinking to engage families and local community resources in a more productive way to gather information and help evaluate school program effectiveness and not just testing

students on standardized test and how schools can help themselves develop much needed financial and human resources
