How to Look After Your Cat Colin Hawkins,1991 A cartoon style pet care manual with tips on homes feeding health and hygiene and sections on handling grooming and feeding First published in 1995 *Fall or Fly* Wendy Welch,2018-01-08 Chaos Frustration Compassion Desperation Hope These are the five words that author Wendy Welch says best summarize the state of foster care in the coalfields of Appalachia Her assessment is based on interviews with more than sixty social workers parents and children who have gone through the system The riveting stories in *Fall or Fly* tell what foster care is like from the inside out In depictions of foster care and adoption stories tend to cluster at the dark or light ends of the spectrum rather than telling the day to day successes and failures of families working to create themselves Who raises other people s children Why What s money got to do with it when the love on offer feels so real And how does the particular setting of Appalachia itself so frequently oversimplified or stereotyped influence the way these questions play out In *Fall or Fly* Welch invites people bound by a code of silence to open up and to share their experiences Less inspiration than a call to caring awareness this pioneering work of storytelling journalism explores how love compassion money and fear intermingle in what can only be described as a marketplace for our nation s greatest asset
