Play It On My Radio Giselle Renarde,1901 Join award winning queer Canadian author Giselle Renarde for a year s worth of music and memories As we listen to songs from a variety of genres Giselle shares anecdotes about growing up in the 80s being a teen of the 90s and listening to the radio on those long and lonely nights in her first apartment Accompany Giselle on a musical journey as she revisits the days of her youth through song From the introduction to Play It On My Radio My name is Giselle and I m your new best friend Well maybe not best friend A best friend usually listens in addition to talking but that s not me What I will do is be here every day to share whichever song pops into my head Why What s the point Well here s the thing I m a writer It s a pretty lonely job Over the years I ve become increasingly socially isolated and you know what It sucks It sucks bad The truth of the matter is that a lot of us are socially isolated these days And not just older people younger ones too There are friendly visitor programs for seniors but those of us under 65 are kind of lost at sea I speak from experience If you need a no pressure visit every day let me be your friendly visitor I ll bring a song whichever song pops into my head gets stuck in my head or seems relevant to something that day As a person with chronic depression music has helped me more than anything It s magic I swear I hope my little musical visits will give you something to look forward to every day because they ll certainly do that for me **Looney Tunes** Selassi BK,2021-06-25 Open your door to the world of

The Road Narrows As You Go Lee Henderson, 2014-09-16 All Wendy Ashbubble has ever wanted is to draw comics as well as Charles Schultz's Peanuts and to one day see her creations grace the pages of a major daily newspaper Growing up in Victoria in the 1970s Wendy dreams of getting out getting away and getting recognition for her talent And there's another never whispered motivation that prompts her to seek her fortune a deeply buried memory and unshakeable belief that her unknown father is Ronald Reagan the fortieth president of the United States A chance meeting in Victoria with an attractive but mysterious travelling artist inspires Wendy to take the plunge and she runs away to live in a dilapidated artists commune in San Francisco There amid the haze of top quality weed unbridled creativity and unfettered sex her dream begins to take tangible shape With the aid of Frank Fleecen an up and coming bonds trader and agent Wendy's Strays are soon competing for newsprint space against the likes of Berkeley Breathed Jim Davis and Bill Watterston even against Wendy's beloved Charles Schultz himself But there are darker shades on the pencilled horizon the spectre of AIDS unexplained disappearances bad therapy junk bonds demonology and SEC agents investigating Frank's business protocols *The Road Narrows As You Go* is simultaneously the portrait of a young woman struggling to find her place and a bright rollicking unflinching depiction of the 1980s It embodies all the brash optimism and ruthless amorality of the decade as well as its preoccupation with repressed memories and fully captures the flavour of an uncertain but deeply vibrant era
