## **Lope De Vega Et Calderon:**

**Calderón in the German Lands and the Low Countries** Henry W. Sullivan,2009-10-29 This book recounts the afterlife of the great Golden Age dramatist Pedro Calderón de la Barca in Dutch and German speaking Europe The high quality of the German critical and philosophical tradition has led to a far greater appreciation of Calderón outside than inside his native Spain and it is in the German territories that the playwright's influence has been most remarkable and widespread Professor Sullivan documents and analyses Calderón's reception and influence on the stage and on playwriting criticism philosophy and music in these territories In addressing his book to students of both the German and the Spanish traditions Professor Sullivan has supplied the necessary background to both cultures and has rendered all quotations into English The range of material will also make the book important for students of philosophy comparative drama and German opera

[Calderon and the Baroque Tradition](#) Kurt Levy,Jesús Ara,Gethin Hughes,2006-01-01 Calderón and the Baroque Tradition is the outcome of a tricentennial commemoration of the seventeenth century Spanish poet and dramatist Pedro Calderón de la Barca and a tribute to a distinguished tradition in Calderonian studies at the University of Toronto A major dramatist of the Spanish Golden Age and a master of the auto sacramental genre Calderón produced some one hundred and twenty comedias and eighty autos during his rather colourful lifetime This volume assembles an impressive collection of essays relating the baroque artistic tradition to such aspects of Calderón's theatre as the use of music mythology costume and his distinctive dramatic technique It will be of interest and value both to students of Spanish drama and Hispanic life in general and to followers of Calderón in particular

**The Study of Spanish and Portuguese Literature** Friedrich Bouterwek,2021-05-07 This 2 volume book on the literature of Spain and Portugal represents an extraction from Bouterwek's most significant critical work entitled Geschichte der Poesie und Beredsamkeit seit dem Ende der dreizehnten Jahrhunderts History of Poetry and Eloquence from the Close of the Thirteenth Century in which the author has taken an historical and critical survey of the literature of the principal nations of Europe The first of the following volumes is devoted to the history of Spanish and the second to the history of Portuguese Literature The subdivisions of the work correspond with periods marked out by certain revolutions in taste produced by the rise of eminent writers or by other influential circumstances These epochs in literary cultivation form convenient resting places for the student and contribute to exhibit in a clear point of view the circumstances by which the advancement of polite learning has been accelerated or retarded The specimens which are numerous and a great portion of which are selected from very scarce works cannot fail to prove highly acceptable to the lovers of the literature of Spain and Portugal For a general and comprehensive knowledge of that literature they will be found amply sufficient and to those who wish to pursue its study more in detail they will afford most useful assistance In such a course of study great advantage may also be derived from the

numerous bibliographical notes introduced by the author     **Sins of the Fathers** Hilaire Kallendorf,2013-12-06 Sins of the Fathers considers sins as nodes of cultural anxiety and explores the tensions between competing organizational categories for moral thought and behaviours namely the Seven Deadly Sins and the Ten Commandments Hilaire Kallendorf explores the decline and rise of these organizational categories against critical transformations of the early modern period such as the accession of Spain to a position of world dominance and the arrival of a new courtly culture to replace an old warrior ethos This ground breaking study is the first to consider Spanish Golden Age comedias as an archive of moral knowledge Kallendorf has examined over 800 of these plays to illustrate how they provide insight into aspects of early modern experience such as food sex work and money Finally Kallendorf engages the theoretical terminology of Marxist literary criticism to demonstrate the inherent ambiguity of cultural change     **Ambiguous Antidotes** Hilaire Kallendorf,2017-10-31

Chastity and lust charity and greed humility and pride are but some of the virtues and vices that have been in tension since Prudentius Psychomachia written in the fifth century While there has been widespread agreement within a given culture about what exactly constitutes a virtue or a vice are these categories so consistent after all In Ambiguous Antidotes Hilaire Kallendorf explores the receptions of Virtues in the realm of moral philosophy and the artistic production it influenced during the Spanish Golden Age Using the Derridian notion of pharmakon a powerful substance that can serve as poison and cure Kallendorf's original and pioneering insight into five key Virtues justice fortitude chastity charity and prudence reveals an intriguing but messy relationship Rather than being seen as unambiguously good antidotes the Virtues are instead contested spaces where competing sets of values jostled for primacy and hegemony Employing an arsenal of tools drawn from literary theory and cultural studies Ambiguous Antidotes confirms that you can in fact have too much of a good thing     **The Mind**

**and Art of Calderón** Alexander Augustine Parker,1988 Professor Parker's essays provide a wide ranging survey of the work of Calderón the greatest exponent of Spanish Golden Age drama     **Calderon: Love Is No Laughing Matter** Sean Page,K. Muir,1986-01-15 Although Calderón's comedy has received rather less attention than the other genres in which he excelled it is widely acknowledged that his comic plays are unrivalled among his contemporaries in terms of plot structure and technical expertise they also explore contemporary issues to an extent which has not been appreciated Love is no Laughing Matter is one of the best in which the dramatist casts a sardonic eye on male chauvinism women's education and social snobbery This is the first complete text of the play to be published since 1650 Spanish text with facing page translation     **Hand-book of Universal Literature, from the Latest and Best Authorities** Anne Charlotte Lynch Botta,1860

John George Cochrane,1843     *The 17th and 18th Centuries* Frank N. Magill,2013-09-13 Each volume of the Dictionary of World Biography contains 250 entries on the lives of the individuals who shaped their times and left their mark on world history This is not a who's who Instead each entry provides an in depth essay on the life and

career of the individual concerned Essays commence with a quick reference section that provides basic facts on the individual's life and achievements The extended biography places the life and works of the individual within an historical context and the summary at the end of each essay provides a synopsis of the individual's place in history All entries conclude with a fully annotated bibliography

**A History of Spanish Golden Age Drama** Henry K. Ziomek, 2014-07-15 Spain's Golden Age the seventeenth century left the world one great legacy the flower of its dramatic genius the *comedia* The work of the Golden Age playwrights represents the largest combined body of dramatic literature from a single historical period comparable in magnitude to classical tragedy and comedy to Elizabethan drama and to French neoclassical theater A History of Spanish Golden Age Drama is the first up to date survey of the history of the *comedia* with special emphasis on critical approaches developed during the past ten years A history of the *comedia* necessarily focuses on the work of Lope de Vega and Calderon de la Barca but Ziomek also gives full credit to the host of lesser dramatists who followed in the paths blazed by Lope and Calderon and whose individual contributions to particular genres added to the richness of Spanish theater He also examines the profound influence of the *comedia* on the literature of other cultures

[The Foreign Quarterly Review](#), 1843    [Staging the Spanish Golden Age](#) Kathleen Jeffs, 2018-04-13 In this volume Kathleen Jeffs draws on first hand experience of the Royal Shakespeare Company's rehearsal room for the 2004-05 Spanish Golden Age season to put forth a collaborative model for translating rehearsing and performing Spanish Golden Age drama Building on the RSC season the volume offers methodologies for translation and communication that can feed the creative processes of actors and directors while maintaining an ethos of fidelity with regards to the original texts It argues that collaboration between academics and theatre practitioners was instrumental in the success of the season and that the work carried out has repercussions for critical debate of *Comedia* The volume posits a model for future productions of the *Comedia* in English one that recognizes the need for the languages of the scholar and the theatre artist to be made mutually intelligible by the use of collaborative strategies mediated by a consultant or dramaturg proficient in both tongues This model applies more generally to theatrical collaborations involving a translator writer and director and will be useful for translation and performance processes in any language
