**The Night Offices** Phyllis Tickle, 2006-11-13 Phyllis Tickle's inspirational trilogy *The Divine Hours* was the first major literary and liturgical reworking of the sixth century Benedictine Rule of fixed hour prayer an age old discipline of saying prayers at certain times of the day This highly regarded trilogy has become one of America's best loved and most frequently consulted manuals for observing this ancient form of Christian worship Now in *The Night Offices* Tickle offers the perfect complement to *The Divine Hours* bringing together prayers psalms hymn texts religious poetry and other readings not included in the original trilogy covering the offices for the hours from late evening Compline to early morning Prime Fans of the *Divine Hours* will recognize Tickle's simple elegant format her use of a modern calendar rather than a liturgical one and the single ribbon in the binding to track one's progress through the year As in the trilogy Tickle makes primary use of the Book of Common Prayer and the writings of the Church Fathers and she draws all the scriptural readings from the Revised Standard Version The book includes a set of Matins Lauds and Prime specific to each day of the week and varied only by month Thus the Monday reading for January would be used every Monday in January but Monday in February would have new offices for it The cumulative total being 84 Matins 84 Lauds and 84 Prime 252 offices fits neatly into a single nightstand edition a small compact book that can be comfortably held in the hand Easy to use poetically rich with a superb sampling of devotional works *The Night Offices* will be welcomed by a broad readership Christian and non Christian alike      *The Priest's Prayer Book. Holy Scripture and its interpreter St John Chrysostom the great teacher of the universe with the application of reasoning composed for the benefit of the spiritual 1 In this book firstly the Holy Scriptures are proposed then the teachings of St John Chrysostom And finally reasoning is applied to the common people 2 Reasoning is not relied on under any article because there is similar material under other articles and therefore the reader is referred to discussions on other topics 3 Vices for all are not vile for everyone such as murder robbery violence adultery fornication and others like them because everyone recognizes them for great vices but they only consider some vices that people especially of this century do not recognize for small or almost completely vices but which no less than the aforementioned ones prevent salvation and there are other serious troubles due to wine such as anger envy extortion love of money slander as you can see below 4 It is believed here what Christian duty consists of common and mutual which requires faith hope and love from us also rely the fruits of love that is mercy reconciliation with one s neighbor forgiveness of sins for one s neighbor contempt of the world patience and so on 5 In some places only the essence of the teaching of St Chrysostom and not the exact words of the holy teacher rely 6 Reasoning is simple and concise simple for better understanding by the common people briefly so that it is not boring for the reader to read more often 7 If anyone finds something rude in any reasoning he readily declares that benefit is sought here not pleasure salvation not human pleasures 8 If someone with an enlightened mind beyond expectations finds something worthy of correction then this mistake is my poor mind and I ask you to ascribe to my will
