

Lord Brocket

Martin Pugh

Lord Brocket:

The Fall of France Julian Jackson, 2004-04-22 On 16 May 1940 an emergency meeting of the French High Command was called at the Quai d'Orsay in Paris. The German army had broken through the French lines on the River Meuse at Sedan and elsewhere only five days after launching their attack. Churchill, who had been telephoned by Prime Minister Reynaud the previous evening to be told that the French were beaten, rushed to Paris to meet the French leaders. The mood in the meeting was one of panic and despair; there was talk of evacuating Paris. Churchill asked Gamelin, the French Commander in Chief, 'Where is the strategic reserve?' 'There is none,' replied Gamelin. This exciting book by Julian Jackson, a leading historian of twentieth-century France, charts the breathtakingly rapid events that led to the defeat and surrender of one of the greatest bastions of the Western Allies and thus to a dramatic new phase of the Second World War. The search for scapegoats for the most humiliating military disaster in French history began almost at once: were miscalculations by military leaders to blame, or was this an indictment of an entire nation? Using eyewitness accounts, memoirs and diaries, Julian Jackson recreates in gripping detail the intense atmosphere and dramatic events of these six weeks in 1940, unravelling the historical evidence to produce a fresh answer to the perennial question of whether the fall of France was inevitable.

Strange But True Tales of Car Collecting Keith Martin, The Editors of Sports Car Market, 2017-10-24 These bizarre true stories of collectors and their cars is a whole lot of fun. The Virginian Pilot: Have you heard of the fellow who squirreled away dozens of Chevilles Camaros and other classic muscle cars in semi-trailers? How about the president of Shakespeare fishing rods who sold thirty Bugattis for a mere 85,000? What about the English nobleman who cut up and buried his Ferrari hoard in an elaborate insurance scam? Or how about the Duesenberg abandoned in a Manhattan parking garage for decades only to be uncovered by Jay Leno? Most car collectors exhibit a healthy enthusiasm for their hobby by digging into their favorite marques, chasing parts, swapping stories and generally living the car guy lifestyle. Some, however, step over that fine line between enthusiasm and obsession, and that's where these legendary car collector stories come from. In *Strange but True Tales of Car Collecting* Keith Martin and the staff of Sports Car Market Magazine recount the wildest, most eccentric over-the-top stories of collectors and their collections. This likable book serves as a Ripley's Believe It or Not for car obsessives. The New York Times

Hitler's Aristocrats Susan Ronald, 2023-03-15 Susan Ronald, the acclaimed author of *Hitler's Art Thief*, takes us into the shadowy world of the aristocrats and business leaders on both sides of the Atlantic who secretly aided Hitler and Nazi Germany.

The Environmental Case for Brexit Ben Pontin, 2019-05-30 The recent Brexit debates present leaving the European Union largely as a threat to environmental protection and to environmental law. This exciting and important new work argues that Brexit represents a real opportunity for environmental protection in the United Kingdom, freeing it from a pan-European framework not necessarily fit for UK domestic purposes. Central to the argument is the belief that environmental protection in the United Kingdom can most effectively be pursued through established domestic institutions looking inwards at local

challenges and outwards at more global ones all the while drawing on considerable historical experience The book is designed to address rather than dismiss those concerns raised by environmental lawyers after the outcome of the referendum Provocative and compelling it offers an alternative vision of the UK environmental law framework outside of the European Union Royal Hertfordshire Murders and Misdemeanours Pamela Shields,2010-10-15 Royal murder mayhem and intrigue in historical Hertfordshire Hamish's Mountain Walk Hamish Brown,2013-02-28 Hamish Brown s account of his epic walk has been the inspiration for generations of hillwalkers Sandstone Press is proud to present not a mere reprint but a complete reimagining of the book in a modern font with a new introduction and appendix and a new extended colour plate section all provided by Hamish Brown This will be a book that every lover of the Scottish hills and everyone who has been touched by the spirit of the outdoors will want to read and reread Truth Love and A Little Malice Khushwant Singh,2003-02-10 Born in 1915 in pre Partition Punjab Khushwant Singh perhaps India s most widely read and controversial writer has been witness to most of the major events in modern Indian history from Independence and Partition to the Emergency and Operation Blue Star and has known many of the figures who have shaped it With clarity and candour he writes of leaders like Jawaharlal Nehru and Indira Gandhi the terrorist Jarnail Singh Bhindranwale the talented and scandalous painter Amrita Shergil and everyday people who became butchers during Partition Writing of his own life too Khushwant Singh remains unflinchingly forthright He records his professional triumphs and failures as a lawyer journalist writer and Member of Parliament the comforts and disappointments in his marriage of over sixty years his first awkward sexual encounter his phobia of ghosts and his fascination with death the friends who betrayed him and also those whom he failed **Night Flight to Dungavel** Peter Padfield,2014-05-06 Until now there has been no satisfactory answer to the question of why in May of 1941 Hitler s deputy Rudolf Hess flew a German fighter plane across the channel to Scotland crashing at night in a muddy field near Dungavel House Though Hess had been one of Hitler s closest confidantes he was immediately denounced as a traitor in Berlin Imprisoned in England he was questioned by British MI6 and Churchill himself The documents he had brought with him were confiscated and have not been made public to this day Hess was tried at Nuremburg at the war s end and imprisoned at Spandau in Berlin one of only seven former Nazis held there The other six were all released but Hess lingered there alone until his death in 1987 possibly by suicide possibly not The official report on Hess has always been that he acted alone but many historians question this conclusion In *Night Flight to Dungavel* award winning historian Peter Padfield presents striking new evidence that spurs a wholesale reappraisal of the mystery what actually happened what role was played by Churchill and British intelligence and what has been this episode s significance as a real turning point of the war Expertly woven into a compelling narrative that touches on Nazi sympathizers among the British aristocracy possible British foreknowledge of the final solution and the mysterious circumstances of Hess s death in Spandau prison *Night Flight to Dungavel* is among the most important and gripping stories of World War Two *Hurrah*

For The Blackshirts! Martin Pugh, 2013-12-31 Britain is celebrated for having avoided the extremism political violence and instability that blighted many European countries between the two world wars But her success was a closer thing than has been realized Disillusionment with parliamentary democracy outbreaks of fascist violence and fears of communist subversion in industry and the Empire ran through the entire period Fascist organizations may have failed to attract the support they achieved elsewhere but fascist ideas were adopted from top to bottom of society and by men and women in all parts of the country This book will demonstrate for the first time the true spread and depth of fascist beliefs and the extent to which they were distinctly British Rich in anecdotes and extraordinary characters Hurrah for the Blackshirts shows us an inter war Britain on the high road to fascism but never quite arriving at its destination

Journal of the Royal Agricultural Society of England Royal Agricultural Society of England, 1960

Knoydart Denis Rixson, 2011-05-11 Knoydart the northern edge of the Rough Bounds is one of the most evocative names in Scotland This text offers a history of Knoydart from the earliest times to the present day A remote and desolate peninsula its name derives from Viking settlers who only reckoned it worth three ouncelands compared to five for the island of Eigg Its warlike but impoverished inhabitants caused endless problems for their neighbours during the 17th century before becoming notorious in the 18th century under the leadership of Coll of Barrisdale His protection racket has bequeathed the word blackmail to the English language and he was notorious across Scotland For the Jacobites as well Knoydart was a fertile recruiting ground In the 18th and 19th centuries the area suffered large scale emigration partly as a result of the brutal clearances of 1853 A further long century of decline followed during which sheep and then deer were preferred to people In 1948 discontent swelled again and it became the scene of the famous land raid by the Seven men from Knoydart It has changed hands more often in the last 150 years than in the previous 700 years The land continues to lie at the heart of the Knoydart problem and the book attempts to place events in their larger historical context

Chasing the Dragon Christopher R. Cox, 2014-05-13 Chasing the Dragon is the story of a Boston Herald reporter s journey into Burma Myanmar to interview the mysterious drug lord Khun Sa The features desk of an American newspaper may seem an unlikely launchpad for a journey into one of the world s most remote and dangerous regions but for journalist Christopher Cox it was where the story began It would end nearly three years later in the almost inaccessible mountain fastnesses of Shan State Burma as Cox brought off a journalistic coup even hard bitten foreign correspondents might envy a rare personal audience with General Khun Sa the man U S law enforcement dubbed The Prince of Death the man thought to control a third of the world s supply of heroin Accompanied by an obsessed Vietnam vet who had given up everything in his single minded search for American POWs left behind in Southeast Asia and an eccentric expat with close personal ties to the general Cox was going to cross forbidden borders to enter a region long off limits to Westerners And armed with little more than a backpack stuffed with vodka porno tapes and cigarettes he was going to succeed His journey would take him deep into the Golden Triangle a shadowy zone of banditry drug smuggling and the ghost armies of

past wars He would begin in the red light district of Bangkok with its sex bars and soaring HIV rates then head up into northern borderlands newly discovered by package tour groups and finally cross a jungled no man's land into the world of the Shan where tough tribesmen trade opium and precious gemstones for the arms they need to fight the Burmese **Stately Passions** Jamie Douglas-Home,2012-07-09 Stately Passions provides a fascinating insight into the lives, loves and morals, dubious though they may be, of some notorious denizens of the aristocratic world **Strategic and Organizational Change** Alistair Mutch,2006-05-25 The brewing industry through its network of public houses has a profound impact on the lives of much of the population of United Kingdom Exploring the shaping of this industry in the years from 1950-1990, this book shows how it has moved from being largely concerned with the technical issues of production to being a key part of the retail industries Drawing from theoretical traditions such as critical realism and new institutionalism Strategic and Organizational Change demonstrates the considerable differences between major companies in the industry and the ways in which they have adopted a retailing approach At the heart of the book is an exploration of the relationship between managerial choice and the structural constraints and opportunities in which that choice was exercised Providing a new model of how history can inform the analysis of organizational strategy, the book draws on extensive archival material and adopts a far more historical approach than previous accounts of the area Above all Alistair Mutch presents a fascinating story of change in an industry which is taken for granted but whose actions affect for good or ill the lives of millions **Laughing and Splashing** Sue Bathurst,2022-11-26 Brought up by her middle-aged father after her mother's death when she was barely five, Sue revelled in the gamut of experience afforded by the combination of an almost feral rural childhood to living in London's possibly most exclusive address, enjoying fine dining, opera and art Fighting Churchill, Appeasing Hitler Adrian Phillips,2019-10-08 In Fighting Churchill, Appeasing Hitler Adrian Phillips presents a radical new view of the British policy of appeasement in the late 1930s No one doubts that appeasement failed, but Phillips shows that it caused active harm, even sabotaging Britain's preparations for war He goes far further than previous historians in identifying the individuals responsible for a catalogue of miscalculations, deviousness and moral surrender that made the Second World War inevitable and highlights the alternative policies that might have prevented it Phillips outlines how Prime Minister Neville Chamberlain and his chief advisor Sir Horace Wilson formed a fatally inept two-man foreign policy machine that was immune to any objective examination, criticism or assessment ruthlessly manipulating the media to support appeasement while batting aside policies advocated by Winston Churchill, the most vocal opponent of appeasement Churchill understood that Hitler was the implacable enemy of peace and Britain, but Chamberlain and Wilson were terrified that any display of firmness would provoke him For the first time Phillips brings to light how Wilson and Churchill had been enemies since an incident early in their careers and how eventually opposing Churchill became an end in itself Featuring new revelations about the personalities involved and the shameful manipulations and betrayals that went into appeasement, including an attempt to buy Hitler off

with a ruthless colonialist deal in Africa Fighting Churchill Appeasing Hitler shines a compelling and original light on one of the darkest hours in British diplomatic history

Highland Resistance Iain Fraser Grigor, 2014-06-17 Highland Resistance takes as its subject the record of land centred and by implication culture and nationality centred conflict in the Highlands of Scotland during the two and a half centuries since the Jacobite rising of 1745 The book tells the story of anti landlord agitation and direct action land raiding from the great sheep drives in Sutherland at the end of the eighteenth century on through the anti eviction resistance that characterised the worst years of the notorious Clearances and on again by way of the huge crofters agitation of the 1880s to continuing inter war raiding and reform and the last great land grab at Knoydart in the 1940s By setting this record in its context Highland Resistance shows its continuing political and cultural importance to our own times as Scotland and her reborn parliament enter a new century and a new millennium The principal arguments of Highland Resistance are that there is a long and deep anti landlord tradition in the Highlands that this tradition has been under pinned with an identity that can justly be identified as one of agrarian and cultural radicalism and nationalism and that this tradition in one form or another lives on today with a sharp and controversial resonance for the Highlands and Scotland of tomorrow

Roads Were Not Built for Cars Carlton Reid, 2015-04-09 In Roads Were Not Built for Cars Carlton Reid reveals the pivotal and largely unrecognized role that bicyclists played in the development of modern roadways Reid introduces readers to cycling personalities such as Henry Ford and the cycling advocacy groups that influenced early road improvements literally paving the way for the motor car When the bicycle morphed from the vehicle of rich transport progressives in the 1890s to the poor man s transport in the 1920s some cyclists became ardent motorists and were all too happy to forget their cycling roots But Reid explains many motor pioneers continued cycling celebrating the shared links between transport modes that are now seen as worlds apart In this engaging and meticulously researched book Carlton Reid encourages us all to celebrate those links once again

Churchill's Secret Enemy Jonathan Pile, 2012 Reveals evidence of a Watergate style conspiracy by British appeasers against Churchill masterminded by ex MI5 officer and Conservative Party fixer Sir Joseph Ball funded by murdered Bahamas Tax Exile Gold Magnate Sir Harry Oakes and British Pro Nazis Ball s friends included Cambridge Spy Guy Burgess and James Bond Author Ian Fleming Events culminate in the mysterious stopping of Big Ben the arrival of Rudolf Hess in Scotland 11 years of research reveal how close Churchill came to losing his seat in parliament selling his beloved Chartwell the dirty tricks used against him and how close England came to joining the Axis

The Haunting of Hecate Cavendish Paula Brackston, 2024-07-23 The Haunting of Hecate Cavendish is book one in New York Times bestselling author Paula Brackston s new magic infused series about Hecate Cavendish an eccentric and feisty young woman who can see ghosts England 1881 Hereford cathedral stands sentinel over the city keeping its secrets holding long forgotten souls in its stony embrace Hecate Cavendish speeds through the cobbled streets on her bicycle skirts hitched daringly high heading for her new life as Assistant Librarian But this is no ordinary collection of books The cathedral

houses an ancient chained library wisdom guarded for centuries mysteries and stories locked onto its worn humble shelves The most prized artifact however is the medieval world map which hangs next to Hecate s desk Little does she know how much the curious people and mythical creatures depicted on it will come to mean to her Nor does she suspect that there are lost souls waiting for her in the haunted cathedral Some will become her dearest friends Some will seek her help in finding peace Others will put her in great peril and as she quickly learns threaten the lives of everyone she loves
