Lotus Elite:

Lotus Elite, Eclat and Excel Matthew Vale, 2016-02-29 Lotus introduced the Type 75 Elite in 1974 Being a full four seater coupe with an opening glass tailgate it was designed to carry a family in comfort while retaining Lotus trademark excellent road holding and handling Perhaps most importantly it was the first and successful step in Colin Chapman's plan to move upmarket and away from Lotus kit car image The Elite gave rise to two derivatives the Eclat and the Excel The Eclat was a restyled coupe version sacrificing the Elite's unique rear styling and good rear passenger headroom for a more stylish exterior With its conventional coupe styling the Eclat was more mainstream than the Elite and it was in the end the better seller In turn the Eclat spawned the Excel the last of the Elite inspired family Matthew Vale looks at the history of these unusual Lotus models and gives a thorough guide to buying and owning the cars today Lotus Elite Dennis Ortenburger, 2003-07-01 Every fascinating stage of the Lotus Elite Type 14 is explored in this fully comprehensive book from conception through production to the buying public as well as success both on and off the racetrack The Elite began design trends still visible today and the car has been listed in every passing decades list of motordom's most significant automobiles That the car came together as a result of the work of a committee whose chief stylist was an accountant is almost beyond belief The fact that one of Colin Chapman's design criteria was that the Elite be a road car capable of a class win at the prestigious Le Mans 24 hour race was remarkable The fact there followed six consecutive class wins and several index of performance victories in the race was incredible This book contains the reminiscences of virtually everyone involved in the design and early production of the Elite Many of the personalities associated with the car throughout its production life including racers and Elite dealers in both the UK and America were interviewed Although several have since passed away their recollections are here to read and enjoy Lotus Elite Racing Car for the Road is not meant to be a nuts and bolts treatment of the car but rather an explanation of what is so fascinating about this automobile above all others If the story of the Lotus Elite was told as a novel readers would believe it to be pure fantasy Hopefully this book will convince otherwise Hardcover 12 x 12 208 pages 405 color photos The Enthusiasts' Guide to Buying a Classic British Sports Car Peter Hingston, 2007 The Lotus Elite Dennis Ortenburger, 1990 **The Original Lotus Elite Racing Car for the Road** Dennis Ortenburger, 2007 **Lotus Elite 1957-1964 Road Test Limited Edition** R.M.
