of his lifetime Foote an opinionated native Virginian helped to raise money for the Texas Revolution provided political counsel for the Lone Star Republic s leadership before annexation and published a 400 page history of the region In 1847 Mississippi elected him to the Senate where he promoted cooperation with the North during the Compromise of 1850 One of the South s most outspoken Unionists he infuriated many of his southern colleagues with his explosive temperament and unorthodox ideas that quickly established him as a political outsider His temper sometimes led to physical altercations including at least five duels pulling a gun on fellow senator Thomas Hart Benton during a legislative session and engaging in run ins with other politicians notably a fistfight with his worst political enemy Jefferson Davis He left the Senate in 1851 to run for governor of Mississippi on a pro Union platform and defeated Davis by a small margin Several years later Foote moved to Nashville was elected to the Confederate Congress after Tennessee seceded and continued his political sparring with the Confederate president From Foote s failed attempt to broker an unauthorized peace agreement with the Lincoln government and his exile to Europe to the publication of his personal memoir and his appointment as director of the United States mint in New Orleans Wynne constructs an entertaining and nuanced portrait of a singular man who constantly challenged the conventions of southern and national politics *Record* University of North Carolina (1793-1962),1925 *Record of the University of North Carolina at Chapel Hill: The School of Pharmacy* University of North Carolina at Chapel Hill,1926 *The "Immortal Six Hundred" and the Failure of the Civil War POW Exchange Process* John F. most part artists of all kinds were recognized as providing inspirational incentives for self improvement civic enhancement and tourism art appreciation and personal fulfillment through the love of beauty Each of the six New South cities entered the late nineteenth century with fractured artistic heritages Charleston and Atlanta had to recover from wartime devastation The infrastructures of New Orleans and Louisville were barely damaged by war but their social underpinnings were shattered by the end of slavery and postwar economic depression Austin was not vitalized until after the Civil War and Miami was a post Civil War creation Pollack surveys these New South cities with an eye to understanding how each locale shaped its artistic and aesthetic self perception across a spectrum of economic political gender and race issues She also discusses Lost Cause imagery present in all the studied municipalities While many art history volumes concerning the South focus on sultry landscapes outside the urban grid Visual Art and the Urban Evolution of the New South explores the art belonging to its cities whether exhibited in its museums expositions and galleries or reflective of its parks plazas marketplaces industrial areas gardens and universities It also identifies and celebrates the creative urban humanity who helped build the cultural and social framework for the modern southern city
