

Louis Althusser

Louis Althusser

Louis Althusser:

On Ideology Louis Althusser, 2020-03-24 The publication of *For Marx* and *Reading Capital* established Louis Althusser as one of the most influential figures in the Western Marxist tradition *On Ideology* charts Althusser's critique of the theoretical system unveiled in his own major works and his developing practice of philosophy as a revolutionary weapon [For Marx](#)

Louis Althusser, 2020-05-05 This is the work in which Louis Althusser formulated some of his most influential ideas *For Marx* first published in France in 1968 has come to be regarded as the founding text of the school of structuralist Marxism which was presided over by the fascinating and enigmatic figure of Louis Althusser Structuralism constituted an intellectual revolution in the 1960s and 1970s and radically transformed the way philosophy political and social theory history science and aesthetics were discussed and thought about *For Marx* was a key contribution to that process and it fundamentally recast the way in which many people understood Marx and Marxism This book contains the classic statements of Althusser's analysis of the young Marx and the importance of Feuerbach during this formative period of his thesis of the epistemological break between the early and the late Marx and of his conception of dialectics contradiction and overdetermination Also included is a study of the materialist theater of Bertolazzi and Brecht and the critique of humanist readings of Marxism Since his death in 1990 Althusser's legacy has come under renewed examination and it is increasingly recognized that the influence of his ideas has been wider and deeper than previously thought reading *For Marx* in its audacity originality and rigor will explain why this impact was so significant [Louis Althusser and the Traditions of French Marxism](#)

William Lewis, 2005-10-17 Throughout the course of the twentieth century communism has enjoyed direct competition with all other governmental and economic systems Often communist countries produced their own special brand of party intellectual These figures rightly occupied their place within their own national context and within the context of the International Some communist intellectuals through the high level of erudition exhibited in their writing have received a wider reception despite their direct linkage to party politics e.g. Antonio Gramsci Georg Lukacs and Victor Serge are good examples After 1956 when Khrushchev exposed Stalin's atrocities to the Twentieth Congress of the Communist Party of the Soviet Union and as a result to the entire world Marxist philosophy was widely discredited It had been assumed that Stalin's excesses were somehow encouraged or supported through Marx's thought When in the mid 1960s Louis Althusser first offered his re-readings of Marx's philosophy it and communist political practice were in ruin However Althusser was in a unique cultural and historical position Thinking and writing concomitant with the structuralists and poststructuralists in France and also having access to certain theoretical tools while simultaneously committing himself entirely to Marxist thought Althusser was conceivably the last of his tradition He was a Marxist philosopher who unlike Sartre at the end of his life did not abandon communism to for instance existentialism In *Louis Althusser and the Traditions of French Marxism* William Lewis gives readers a striking example of intellectual biography and critical theory His approach considering the work and life of Althusser within French

Marxism and French intellectual culture fills a void in contemporary scholarship But much more importantly Lewis is able to show how Althusser's thought is the result of and a response to specific French intellectual and political traditions of reading Marx It is through this combination of concerns Lenin and Philosophy and Other Essays Louis Althusser,2001 Louis Althusser has tackled a wide variety of subjects including philosophy economics psychology aesthetics and political science This book contains a selection of his writings **The Humanist Controversy and Other Writings (1966-67)** Louis Althusser,2003 This collection includes key texts from one of France's most famous philosophers which intervene in the debate between the humanist and the structuralists Philosophy and the Spontaneous Philosophy of the Scientists Louis Althusser,2020-05-05 Intended to contribute in his own words to a left wing critique of Stalinism that would help put some substance back into the revolutionary project here in the West they are the record of a shared history At the same time they chart Althusser's critique of the theoretical system unveiled in his own major works and his developing practice of philosophy as a revolutionary weapon Attesting to the unique place which Althusser has occupied in modern intellectual history between a tradition of Marxism which he sought to reconstruct and a post Marxism which has eclipsed its predecessor these texts are indispensable reading Philosophy of the Encounter Louis Althusser,2006-06-17 In the late 1970s and 1980s Louis Althusser endured a period of intense mental instability during which he murdered his wife and was committed to a psychiatric hospital Spanning this deeply troubling period this fourth and final volume of political and philosophical writings reveals Althusser wrestling in a creative and unorthodox fashion with a whole series of theoretical problems to produce some of his very finest work In his profound exploration of questions of determinism and contingency Althusser developed a philosophy of the encounter which he links to a hidden and subterranean tradition in the history of Western thought which stretches from Epicurus through Spinoza and Machiavelli to Marx Derrida and Heidegger *What is to be Done?* Louis Althusser,2020-10-07 What is to be done This was the question asked by Lenin in 1901 when he was having doubts about the revolutionary capabilities of the Russian working class 77 years later Louis Althusser asked the same question Faced with the tidal wave of May 68 and the recurrent hostility of the Communist Party towards the protests he wanted to offer readers a succinct guide for the revolution to come Lively brilliant and engaged this short text is wholly oriented towards one objective to organise the working class struggle Althusser provides a sharp critique of Antonio Gramsci's writings and of Eurocommunism which seduced various Marxists at the time But this book is above all the opportunity for Althusser to state what he had not succeeded in articulating elsewhere what concrete conditions would need to be satisfied before the revolution could take place Left unfinished it is published here in English for the first time *How to Be a Marxist in Philosophy* Louis Althusser,2017-11-16 In *How to Be a Marxist in Philosophy* one of the most famous Marxist philosophers of the 20th century shares his concept of what it means to function fruitfully as a political thinker within the discipline and environs of philosophy This is the first English translation to Althusser's provocative and often controversial guide to being a

true Marxist philosopher Althusser argues that philosophy needs Marxism. It can't exist fully without it. Similarly, Marxism requires the rigour and structures of philosophy to give it form and focus. He calls all thinking people to remember a philosopher is a man who fights in theory and when he understands the reasons for this fight, he joined the ranks of the struggle of workers and popular classes. In short, this book comprises Althusser's elucidation of what praxis means and why it continues to matter. With a superb introduction from translator and Althusser archivist G. M. Goshgarian, this is a book that will re-inspire contemporary Marxist thought and reinvigorate our notions of what political activism can be.

The Spectre of Hegel François Matheron, Louis Althusser, 2014-01-07 Louis Althusser is remembered today as the scourge of humanist Marxism, but that was his later incarnation, an identity formed by years grappling with the intellectual inheritance of Hegel and Catholicism. *The Spectre of Hegel* collects the writings of the young Althusser before his final epistemological break with the philosopher's work in 1953. *The Spectre of Hegel* gives a unique insight into Althusser's engagement with a philosophy he would later renounce.

Lessons on Rousseau Louis Althusser, 2019-11-26 Althusser delivered these lectures on Rousseau's *Discourse on the Origins of Inequality* at the École normale supérieure in Paris in 1972. They are fascinating for two reasons. First, they gave rise to a new generation of Rousseau scholars attentive not just to Rousseau's ideas but also to those of his concepts that were buried beneath metaphors or fictional situations and characters. Second, we are now discovering that the late Althusser's theses about aleatory materialism and the need to break with the strict determinism of theories of history in order to devise a new philosophy for Marx were being worked out well before 1985. In this reading of Rousseau dating from twelve years earlier, which introduces into Rousseau's text the ideas of the void, the accident, the take, and the necessity of contingency.

Machiavelli and Us Louis Althusser, 1999 Though only appearing as an occasional reference in the Marxist philosopher's oeuvre, Machiavelli was an unseen constant presence. For together with Spinoza and Marx, Machiavelli was a veritable Althusserian passion. *Machiavelli and Us* reveals why and will be welcomed for the light it sheds on the richly complex thought of its author.

Althusser Gregory Elliott, 2006-08-01 First published in 1987, Althusser: *The Detour of Theory* was widely received as the fullest account of its subject to date. Drawing on a wide range of hitherto untranslated material, it examined the political and intellectual contexts of Althusser's return to Marx in the mid-1960s, analysed the novel character of the Marxism developed in his major works, charted their author's subsequent evolution from his self-criticism to the proclamation of a crisis of Marxism, and concluded with a balance sheet of Althusser's contribution to historical materialism. For this second edition, Gregory Elliott has added a substantial postscript in which he surveys the posthumous edition of the French philosopher's work published in the 1990s, from the early writings of the 1940s through to the late texts of the 1980s, relating the unknown Althusser revealed by them to the familiar figure of For Marx and *Reading Capital*, together with a comprehensive bibliography of Althusser's oeuvre.

Philosophy for Non-Philosophers Louis Althusser, 2017-02-23 In 1980, at the end of the most intensely political period of his work and life, Louis Althusser penned

Philosophy for Non philosophers Available here for the first time in English Philosophy for Non philosophers constitutes a rigorous and engaged attempt to address a wide reading public unfamiliar with Althusser's project. As such, the work is a concentration of the most fundamental theses of Althusser's own ideas and presents a synthesis of his sprawling and disparate philosophical and political writings. Nowhere else does Althusser push the distinction between philosophy and other disciplines as far or develop in such detail the concept of practice. Rather than a work of popular philosophy, Philosophy for Non philosophers is a continuation and conglomeration of Althusser's thought, a thought whose radicality is still perceptible in those that have followed since. Philosophy for Non philosophers thus provides a vivid encapsulation of Althusser's seminal influence on the leading thinkers of today, including Rancière, Badiou, Balibar, and Žižek.

Louis Althusser and the Traditions of French Marxism William Lewis, 2005-10-17 Throughout the course of the twentieth century, communism has enjoyed direct competition with all other governmental and economic systems. Often, communist countries produced their own special brand of party intellectual. These figures rightly occupied their place within their own national context and within the context of the International. Some communist intellectuals, through the high level of erudition exhibited in their writing, have received a wider reception despite their direct linkage to party politics. For example, Antonio Gramsci, Georg Lukács, and Victor Serge are good examples. After 1956, when Khrushchev exposed Stalin's atrocities to the Twentieth Congress of the Communist Party of the Soviet Union, and as a result to the entire world, Marxist philosophy was widely discredited. It had been assumed that Stalin's excesses were somehow encouraged or supported through Marx's thought. When, in the mid-1960s, Louis Althusser first offered his readings of Marx's philosophy, it and communist political practice were in ruin. However, Althusser was in a unique cultural and historical position. Thinking and writing concomitant with the structuralists and poststructuralists in France, and also having access to certain theoretical tools while simultaneously committing himself entirely to Marxist thought, Althusser was conceivably the last of his tradition. He was a Marxist philosopher who, unlike Sartre at the end of his life, did not abandon communism for, for instance, existentialism. In *Louis Althusser and the Traditions of French Marxism*, William Lewis gives readers a striking example of intellectual biography and critical theory. His approach, considering the work and life of Althusser within French Marxism and French intellectual culture, fills a void in contemporary scholarship. But much more importantly, Lewis is able to show how Althusser's thought is the result of and a response to specific French intellectual and political traditions of reading Marx. It is through this combination of concerns.

Letters to Franca (1961-1972) Louis Althusser, 2025-02-20 *Letters to Franca* offers an extensive selection from the 500 or so extraordinary letters Louis Althusser addressed to Franca Madonia between 1961 and 1972, the most productive period in Althusser's life and the time when his most characteristic works were being elaborated and first received. This correspondence allows, therefore, a unique insight into Althusser's theoretical and political trajectory, giving an intimate account of the establishment of Althusserian Marxism and the intellectual, historical, and institutional milieu within which it

came to prominence It also charts the singular story of Althusser's relationship with Franca whom he encountered in 1961 and who became his lover intellectual confidante and Italian translator the letters thus have a quasi novelistic dimension and afford a gripping vision of a remarkable couple the chronicle of a passion Their correspondence consequently exhibits an exceptionally diverse tonal range alternately analytical lyrical ludic and sombre displaying an investment in language and expression barely suggested by Althusser's previously published work At once the diary of an intellectual political existence and the narrative of a coup de foudre these letters also uniquely provide an astonishingly self reflexive account of Althusser's experience of manic depression inviting the reader to witness its sometimes exhilarating sometimes devastating effects upon his private and public being Featuring an extensive record of Althusser's long term engagement with the thought and practice of psychoanalysis *Letters to Franca* bids the reader here and throughout to accompany Althusser on a fascinating journey between theory and life

Althusser and His Contemporaries Warren Montag, 2013-05-01 Althusser and His Contemporaries alters and expands understanding of Louis Althusser and French philosophy of the 1960s and 1970s Thousands of pages of previously unpublished work from different periods of Althusser's career have been made available in French since his death in 1990 Based on meticulous study of the philosopher's posthumous publications as well as his unpublished manuscripts lecture notes letters and marginalia Warren Montag provides a thoroughgoing reevaluation of Althusser's philosophical project Montag shows that the theorist was intensely engaged with the work of his contemporaries particularly Foucault Derrida Deleuze and Lacan Examining Althusser's philosophy as a series of encounters with his peers thought Montag contends that Althusser's major philosophical confrontations revolved around three themes structure subject and beginnings and endings Reading Althusser reading his contemporaries Montag sheds new light on structuralism poststructuralism and the extraordinary moment of French thought in the 1960s and 1970s

Encountering Althusser Katja Diefenbach, Sara R. Farris, Gal Kirn, Peter Thomas, 2013-01-10 French philosopher Louis Pierre Althusser 1918 1990 helped define the politico theoretical conjuncture of pre and post 1968 Today there is a recrudescence of interest in his thought especially in light of his later work published in English as *Philosophy of the Encounter* Verso 2006 This has led to renewed debates on the reformulation of conflicting notions of materialism on the event as both philosophical concept and political construction and on the nature of politics and the political These original essays by leading scholars aim to provide a new assessment of Althusser's thought especially in relation to contemporary debates Organized in four sections that represent the main currents in Althusser's scholarship the book discusses materialism and the different formulations of the relationship between politics and philosophy Althusser's interpretations of political thinkers including Machiavelli Deleuze and Gramsci the resources he provides to critique political economy and politics in post Marxist thought and the theorization of ideology and politics *Encountering Althusser* is a groundbreaking resource that highlights Althusser's continuing relevance to contemporary radical thought

Louis Althusser Luke Ferretter, 2007-05-07 Best known for his theories of

ideology and its impact on politics and culture Louis Althusser revolutionized Marxist theory His writing changed the face of literary and cultural studies and continues to influence political modes of criticism such as feminism postcolonialism and queer theory Beginning with an introduction to the context of Marxist theory this book goes on to explain how Althusser interpreted and developed Marx s work the political implications of reading ideology and its significance for culture and criticism Althusser s aesthetic criticism of literature theatre and art Placing Althusser s key ideas in the context of earlier Marxist thought as well as tracing their development and impact Luke Ferretter presents a wide ranging yet accessible guide ideal for those new to the work of this influential critical thinker **Louis Althusser** ,

Louis Althusser Introduction

In today's digital age, the availability of Louis Althusser books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Louis Althusser books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Louis Althusser books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Louis Althusser versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Louis Althusser books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Louis Althusser books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Louis Althusser books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many

universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Louis Althusser books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Louis Althusser books and manuals for download and embark on your journey of knowledge?

FAQs About Louis Althusser Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Louis Althusser is one of the best book in our library for free trial. We provide copy of Louis Althusser in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Louis Althusser. Where to download Louis Althusser online for free? Are you looking for Louis Althusser PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Louis Althusser. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really

should consider finding to assist you try this. Several of Louis Althusser are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Louis Althusser. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Louis Althusser To get started finding Louis Althusser, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Louis Althusser So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading Louis Althusser. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Louis Althusser, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. Louis Althusser is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, Louis Althusser is universally compatible with any devices to read.
