Louis Riel Justice Must Be Done:

Louis Riel Sharon Stewart,2007-01-01 Louis Riel devoted his life to the Metis cause A fiery activist he struggled against injustice as he saw it He was a pioneer in the field of Aboriginal rights and land claims but was branded an outlaw in his own time In 1885 he was executed for treason In 1992 the House of Commons declared Riel a founder of Manitoba November 16 is now designated Louis Riel Day in Canada *The Riel Problem* Albert Braz,2024-04 Albert Braz examines how Louis Riel

has been commemorated since 1967 charting his transformation from traitor to Canadian hero **Uncertain Justice** F.

Murray Greenwood,Beverley Boissery,2000-10-01 In 1754 Eleanor Powers was hung for a murder committed during a botched robbery She was the first woman condemned to die in Canada but would not be the last In *Uncertain Justice* Beverley Boissery and Murray Greenwood portray a cast of women characters almost as often wronged by the law as they have wronged society Starting with the Powers trial and continuing to the not too distant past the authors expose the patriarchal values that lie at the core of criminal law and the class and gender biases that permeate its procedures and applications The writing style is similar to that of a popular mystery Harriet Henry lay dead Horribly and indubitably Her body sprawled against the bed the head twisted at a grotesque angle Foam engulfed the grinning mouth Scholarly analysis combines with the narrative to make *Uncertain Justice* a fascinating and engaging read There is a wealth of information about the emerging and evolving legal system and profession the state of forensic science the roles of juries and the political turmoil and growing resistance to a purely class based aristocratic form of government *Louis Riel* Hartwell

Bowsfield,1988 The rise and fall of Louis Riel 1844 85 spanned only fifteen years yet he is one of the most controversial and colourful people in Canadian history The central figure in two rebellions which he led on behalf of the French speaking half breeds called Metis Riel has caught the imagination of Canadians as few other historical personalities have done His career began with the acts of resistance at the Red River Settlement in 1869 and continued through the formation of a Provisional Government and the notorious shooting of Thomas Scott in 1870 through years of mental illness and exile in the United States to the North West Rebellion of 1885 It reached an inevitable climax with his surrender and trial and the passionate outpouring of feeling that rocked the country when he was found guilty of treason and executed The religious and racial emotions of the time the bigotry and opportunism of politicians and Riel s own unstable mental condition all combine to make of his life a Canadian tragedy one that had profound consequences for Confederation **Reflections on Native-newcomer**

Relations James Rodger Miller,2004-01-01 The twelve essays that make up *Reflections on Native Newcomer Relations* illustrate the development in thought by one of Canada s leading scholars in the field of Native history J R Miller The collection comprising pieces that were written over a period spanning nearly two decades deals with the evolution of historical writing on First Nations and M tis methodological issues in the writing of Native newcomer history policy matters including residential schools and linkages between the study of Native newcomer relations and academic governance and

curricular matters Half of the essays appear here in print for the first time and all use archival published and oral history evidence to throw light on Native Newcomer relations Miller argues that the nature of the relationship between Native peoples and newcomers in Canada has varied over time based on the reasons the two parties have had for interacting The relationship deteriorates into attempts to control and coerce Natives during periods in which newcomers do not perceive them as directly useful and it improves when the two parties have positive reasons for cooperation Reflections on Native Newcomer Relations opens up for discussion a series of issues in Native newcomer history It addresses all the trends in the discipline of the past two decades and never shies from showing their contradictions as well as those in the author's own thinking as he matured as a scholar

Nation Maker Richard J. Gwyn, 2012-08-21 1 NATIONAL BESTSELLER John A Macdonald Canada's first and most important prime minister is the man who made Confederation happen who built this country over the next quarter century and who shaped what it is today From Confederation Day in 1867 where this volume picks up Macdonald finessed a reluctant union of four provinces in central and eastern Canada into a strong nation despite indifference from Britain and annexationist sentiment in the United States But it wasn't easy Gwyn paints a superb portrait of Canada and its leaders through these formative years and also delves deep to show us Macdonald the man as he marries for the second time deals with the birth of a disabled child and the assassination of his close friend Darcy McGee and wrestles with whether Riel should hang Indelibly Gwyn shows us Macdonald's love of this country and his ability to joust with forces who would have been just as happy to see the end of Canada before it had really begun creating a must read for all Canadians

Louis Riel** Louis Riel, 1886 *The Prairie West* R. Douglas Francis, Howard Palmer, 1985 *The Cowboy Cavalry* Gordon Errett Tolton, 2011 When Native and M tis unrest escalated into the Northwest Rebellion of 1885 white settlers in southern Alberta s cattle country were terrified Three major First Nations bordered their range and war seemed certain In anticipation 114 men mustered to form the Rocky Mountain Rangers a volunteer militia charged with ensuring the safety of the open range between the Rocky Mountains and the Cypress Hills The Rangers were a motley crew from ex Mounties and ex cons to retired high ranking military officials and working ranch hands Membership qualifications were scant ability to ride a horse knowledge of the prairies and preparedness to die The Rangers were resolutely prepared to fight as mounted cavalry should

the rebellion spread This is their story inextricably linked to the dissensions of the day rife with skirmishes corruption jealousies rumour innuendo and gross media sensationalizing all bound together with what author Gordon Tolton terms a generous helping of gunpowder
