**BOOK JACKET** **Louise Bourgeois** Ulf Küster, 2023-12-16 Louise Bourgeois 1911 2010 was born on December 25 1911 This book which is devoted to the central themes of the late artist s oeuvre is being published on the occasion of her one hundredth birthday It examines her life her exploration of the works of other artists and the transformation of her emotions into works of art Over the course of nine chapters characteristic works are presented in the context of art history by comparing and contrasting them with works from the Beyeler Collection The book brings home the fact that Bourgeois not only offset the important antagonism between the figurative and the abstract in modernism she also helped to provide a unique interpretive level to modern art beyond that of the purely visible This publication is an introduction to the life and work of a woman who was one of the most important artists of her time German edition ISBN 978

**Childhood as Memory, Myth and Metaphor** Catherine Crimp,2017-12-02 A fascination with childhood unites the artist Louise Bourgeois 1911 2010 and the writers Samuel Beckett 1906 89 and Marcel Proust 1871 1922 But while many commentators have traced their childhood images back to memories of lived experiences there is more to their mythologies of childhood that waits to be explored They invite us to move away from familiar ideas whether psychological or biographical about what a child can represent and even what a child is The haunting child figures of Bourgeois Beckett and Proust echo each other as they show how imagining origins for a life for a work of art involves paradoxes that test the limits of our forms of expression Art meets literature profusion meets concision French meets English and images of childhood reveal new insights in this encounter between three great figures of twentieth and twenty first century culture Catherine Crimp holds a PhD from the University of Cambridge and is currently Lectrice d anglais at theEcole Normale Supérieure de Lyon
