

Louise Moillon Seventeenth Century Stilllife Artist

Alain Mérot

Louise Moillon Seventeenth Century Stilllife Artist:

Louise Moillon Helen Chastain Sowa,1998 Louise Moillon was the paramount artist who advanced the credibility of the still life image in Seventeenth Century France Nature was her main inspiration and from her home in the famed Saint Germain des Pr s she created a genre new to the art world This is a fascinating biography personalizing the enigmatic life of the artist with select illustrations of her naturalistic expressions The context is factual taking one inside the world of Moillon that is certain to captivate the reader She lived in a time of religious turmoil with protestors burning churches and committing terrible atrocities Yet in spite of all this Moillon with her love and devotion to nature painted images depicting peace and love

Louise Moillon Lesley Stevenson,2024-04-02 The life and career of Louise Moillon 1609-10-1696 offers a fascinating case study of a supremely talented artist whose posthumous reputation has been mired in invisibility Born and raised in Paris Moillon was the sole woman in a circle of Calvinist Protestant migrants who brought their tradition of still life painting with them from Flanders During her lifetime she was able to enjoy a degree of professional independence and attract enough recognition to be regarded as on a level with her male counterparts yet her exquisite work and enigmatic story are little known today This illustrated biography examines some of the ways in which Moillon's story has been represented since the revival of interest in her work and draws on recent scholarship to situate the painter in her rightful place Offering a sweeping exploration of the genre of still life this book also chronicles how a woman in early modern France was able to capture the attention of the artistic world while dissecting why her prominence waned in the centuries following her death

French Painting in the Seventeenth Century Alain Mérot,1995-01-01 Recent studies and exhibitions combined with the discovery of work by hitherto little known artists have enabled Merot to take a fresh look at the period and to suggest a new configuration The great names of the period Poussin Vouet Le Sueur de La Tour Mignard are located in relation to other developments Merot includes discussion of the impact of contemporary literature and political philosophical and social influences The foundation of the Royal Academy of Painting in 1648 and the influence of Mazarin on artistic developments are considered with other issues of status patronage and connoisseurship The book provides a panorama of the period the text is profusely illustrated in colour and accompanied by a comprehensive bibliography

[The French Painters of the Seventeenth Century](#) Christopher Wright,1985

[Concise Dictionary of Women Artists](#) Delia Gaze,2013-04-03 This book includes some 200 complete entries from the award winning Dictionary of Women Artists as well as a selection of introductory essays from the main volume

A Companion to the Huguenots Raymond A. Mentzer,Bertrand Van Ruymbeke,2016-02-02 The Huguenots are among the best known of early modern European religious minorities Their suffering in 16th and 17th century France is a familiar story The flight of many Huguenots from the kingdom after 1685 conferred upon them a preeminent place in the accounts of forced religious migrations Their history has become synonymous with repression and intolerance At

the same time Huguenot accomplishments in France and the lands to which they fled have long been celebrated They are distinguished by their theological formulations political thought and artistic achievements This volume offers an encompassing portrait of the Huguenot past investigates the principal lines of historical development and suggests the interpretative frameworks that scholars have advanced for appreciating the Huguenot experience *Crowning Glories* Harriet Stone,2019-01-01 *Crowning Glories* integrates Louis XIV s propaganda campaigns the transmission of Northern art into France and the rise of empiricism in the eighteenth century three historical touchstones to examine what it would have meant for France s elite to experience the arts in France simultaneously with Netherlandish realist painting In an expansive study of cultural life under the Sun King Harriet Stone considers the monarchy s elaborate palace decors the court s official records and the classical theatre alongside Northern images of daily life in private homes urban markets and country fields Stone argues that Netherlandish art assumes an unobtrusive yet for the history of ideas surprisingly dramatic role within the flourishing of the arts both visual and textual in France during Louis XIV s reign Netherlandish realist art represented thinking about knowledge that challenged the monarchy s hold on the French imagination and its efforts to impose the king s portrait as an ideal and proof of his authority As objects appreciated for their aesthetic and market value Northern realist paintings assumed an uncontroversial place in French royal and elite collections Flemish and Dutch still lifes genre paintings and cityscapes however were not merely accoutrements of power acquisitions made by those with influence and money *Crowning Glories* reveals how the empirical orientation of Netherlandish realism exposed French court society to a radically different mode of thought one that would gain full expression in the *Encyclopédie* of Diderot and d Alembert *Painting as a Way of Life* Richard Neer,2025-03-19 Neer uncovers a key moment in the history of early modern art when painting was understood to be a tool for self transformation and for living a philosophical life In this wide ranging study Richard Neer shows how French painters of the seventeenth century developed radically new ways to connect art perception and ethics Cutting across traditional boundaries of classicism and realism Neer addresses four case studies Nicolas Poussin renowned for marrying ancient philosophy and narrative painting Louise Moillon who pioneered French still life in the 1630s Georges de La Tour a painter of intense and introspective nocturnes and the Brothers Le Nain specialists in genre and portraiture who inspired Courbet Manet and other painters of modern life Setting these artists in dialogue with Montaigne Descartes Pascal and others ranging from the studios of Rome to the streets of Paris this book provides fresh accounts of essential artworks some well known others neglected and new ways to approach the relation of art theory and daily life

Masterworks of European Painting in the California Palace of the Legion of Honor Steven A. Nash,Lynn Federle Orr,California Palace of the Legion of Honor,Marion C. Stewart,1999 This beautiful volume presents colorplates and essays covering 100 masterpieces of European art from one of America s finest collections housed in the California Palace of the Legion of Honor [The Ashgate Research Companion to Women and Gender in Early Modern Europe](#) Jane

Couchman,2016-03-23 Over the past three decades scholars have transformed the study of women and gender in early modern Europe This Ashgate Research Companion presents an authoritative review of the current research on women and gender in early modern Europe from a multi disciplinary perspective The authors examine women s lives ideologies of gender and the differences between ideology and reality through the recent research across many disciplines including history literary studies art history musicology history of science and medicine and religious studies The book is intended as a resource for scholars and students of Europe in the early modern period for those who are just beginning to explore these issues and this time period as well as for scholars learning about aspects of the field in which they are not yet an expert The companion offers not only a comprehensive examination of the current research on women in early modern Europe but will act as a spark for new research in the field

Botanical Revolutions Giovanni Aloï,2025-03-18 This groundbreaking volume unearths the representation of plants and their vital impact on art thereby advocating for the botanical world s legitimate place in art history Desired for their aesthetic beauty sought after for their medicinal properties harvested for their scents and flavors or grown as essential material resources plants are indissolubly entwined with our existence In art it is no different plants have played a critical role Yet despite their significant material and conceptual contributions plants have been sidelined in the commentary of art historians and critics *Botanical Revolutions* presents a global history of plants in art focusing on the crucial moments that signaled the formation of new movements and styles as well as the creation of media that could not have occurred without the involvement of and interaction with the vegetal world In this fascinating and beautifully illustrated book author Giovanni Aloï delves deeply into the history and representation of plants in art advocates for a change in our relationship with the botanical world and presents an alternative history of art that foregrounds the truly indispensable contributions of plants

Still Life Norbert Schneider,2003 How do the objects in a still life reflect the customs ideas and aspirations of the time This is one of the questions which Schneider asks in this book Still lifes chart the history of scientific discoveries and their acceptance as well as the gradual replacement of the mediaeval concept of the world

Women's Roles in the Renaissance Meg L. Brown,Kari McBride,2005-07-30 The story of the Renaissance has usually been told through the elite male perspective Here the lives of women and girls from a wide range of classes religions and countries in Europe take center stage Women had a significant impact on the economy social structures and the culture of the Renaissance despite the constraints on their exercise of power lack of opportunities and enforced dependence This book examines the attitudes and practices that shaped the varied roles of women then but also the important ways women shaped the world in which they lived The focus is on both the ideas that circulated about women and on the difference between representations of them and their everyday life experiences The narrative draws from a wide variety of sources on every aspect of women s lives education the law work politics religion literature the arts and pleasures Numerous women are profiled and many period illustrations are included From publisher description

[An Introduction to Art](#) Charles

Harrison,2020-03-10 At once engaging personal and analytical this book provides the intellectual resources for the critical understanding of art Charles Harrison s landmark book offers an original clear and wide ranging introduction to the arts of painting and sculpture to the principal artistic print media and to the visual arts of modernism and post modernism Covering the entire history of art from Paleolithic cave painting to contemporary art it provides foundational guidance on the basic character and techniques of the different art forms on the various genres of painting in the Western tradition and on the techniques of sculpture as they have been practiced over several millennia and across a wide range of cultures Throughout the book Harrison discusses the relative priorities of aesthetic appreciation and historical inquiry and the importance of combining the two approaches Written in a style that is at once graceful engaging and personal as well as analytical and exact this illuminating book offers an impassioned and timely defense of the importance and value of the firsthand encounter with works of art whether in museums or in their original locations **The J. Paul Getty Museum Journal** The J. Paul Getty Museum,1985-01-01 The J Paul Getty Museum Journal 13 is a compendium of articles and notes pertaining to the Museum s permanent collections of antiquities decorative arts drawings paintings and photographs This volume includes a supplement introduced by John Walsh with a fully illustrated checklist of the Getty s recent acquisitions Volume 13 includes articles written by Helayna I Thickpenny Michael Pfrommer Klaus Parlasca Heidemaire Koch Jean Dominique Augarde Colin Streeter Gillian Wilson Charissa Bremer David C Gay Nieda Adrian Sassoon Selma Holo Marcel Roethlisberger Louise Lippincott Mark Leonard Burton B Fredericksen Nigel Glendinning Eleanor Sayre and William Innes Homer **Réalités**,1959 *Claude Raguet Hirst* Claude Raguet Hirst,Martha M. Evans,National Museum of Women in the Arts (U.S.),Columbus Museum of Art,2004 This is the first publication devoted to Hirst s oils and watercolors and her transformation of the still life painting through the creation of works that appeal to both men and women contrasting with her male contemporaries who painted primarily for a male audience 72 colour 29 b w illustrations **The Splendid Century** National Gallery of Art (U.S.),1960 **Thyssen-Bornemisza Collection** Sammlung Thyssen-Bornemisza,Caroline De Watteville,1989
