Louisianas Plantation Homes Grace And Grandeur:

Louisiana's Plantation Homes, the Grace and Grandeur, 1991 Before the Civil War southern planters were among the wealthiest people in America Many plantation owners lived extravagantly and fashioned their surroundings lavishly Those grand and graceful homes now remain as tributes to the planters and the slaves who helped build these homes The histories of 34 of Louisianas plantation homes are described here Arrigo highlights the homes architecture and traces their restorations some of which continue today his vignettes illustrate some of the unusually details in the homes He also relates the histories of the homes owners and their illustrious and infamous visitors and gives us hints of the home s curious legends including some ghost stories *The Grace and Grandeur of Natchez Homes*, 1994 This book explores historical information fascinating details about the owners and architects and specifics of the architecture *Robert W. Tebbs, Photographer to Architects* Richard Anthony Lewis, 2011-12-05 One of the finest architectural photographers in America Robert W Tebbs produced the first photographic survey of Louisiana s plantations in 1926 From those images now housed in the Louisiana State Museum and not widely available until now 119 plates showcasing fifty two homes are featured here Richard Anthony Lewis explores Tebbs s life and career situating his work along the line of plantation imagery from nineteenth century woodcuts and paintings to later twentieth century photographs by John Clarence Laughlin among others Providing the family lineage and construction history of each home Lewis discusses photographic techniques Tebbs used in his alternating panoramic and detail views A precise documentarian Tebbs also reveals a poetic sensibility in the plantation photos His frequent emphasis on aspects of decay neglect incompleteness and loss lends a wistful aura to many of the images an effect compounded by the fact that many of the homes no longer exist This noticeable vacillation between objectivity and sentiment Lewis shows suggests unfamiliarity and even discomfort with the legacy of slavery Poised on the brink of social and political reforms Louisiana in the mid 1920s had made significant strides away from the slave based agricultural economy that the plantation house often symbolized Tebbs s Louisiana plantation photographs capture a literal and cultural past reflecting a burgeoning national awareness of historic preservation and presenting plantations to us anew Select plantations included Ashland Belle Helene Avery Island Belle Chasse Belmont Butler Greenwood L Hermitage Oak Alley Parlange Ren Beauregard House Rosedown Seven Oaks Shadows on the Teche The Shades and Waverly [Louisiana Gardens](#), Helpful maps direct readers to every azalea camellia and magnolia from Afton Villa Gardens in St Francisville to Zemurray Gardens in Loranger

Southern Splendor Marc R. Matrana, Robin S. Lattimore, Michael W. Kitchens, 2018-03-22 Few things evoke thoughts and memories of the past more than a house from a bygone era and few places are identified and symbolized more by historic dwellings than the American South Plantation houses built with columned porticos and wide porches stout chimneys large rooms and sweeping staircases survive as legacies of both a storied and troubled past These homes are at the heart of a complex web of human relationships that have shaped the social and cultural heritage of the region for generations Despite

their commanding appearance the region's plantation houses have proven to be fragile relics of history vulnerable to decay neglect and loss Today only a small percentage of the South's antebellum treasures survive In *Southern Splendor Saving Architectural Treasures of the Old South* historians Marc R Matrana Robin S Lattimore and Michael W Kitchens explore almost fifty houses built before the Civil War that have been authentically restored or preserved Methodically examined are restoration efforts that preserve not only homes and other structures but also the stories of those living in or occupying those homes The authors discuss the challenges facing specific plantation homes and their preservation Featuring over 275 stunning photographs as well as dozens of firsthand accounts and interviews with those involved in the preservation of these historic properties *Southern Splendor* describes the leading role the South has played since the nineteenth century in the historic preservation movement in this country

Cajun Country Guide Macon Fry, Julie Posner, 1999-02-28 There's just nowhere else but South Louisiana to find real knee-slapping crowd-hooting Zydeco music Even the big city chefs can't cook up a Cajun meal the way they do at the roadside restaurants deep in the bayous of Acadiana Likewise no other guide matches the amount of in-depth information presented in *Cajun Country Guide* It's a study of Cajuns that tells visitors how to find the sights sounds and flavors of one of America's most culturally unique regions Take a vacation to a part of our own country that in some places didn't even speak English until nearly fifty years ago While modern technology is weeding out some of the one-of-a-kind qualities of this subculture not all of them are gone or even hard to find if you know how to hunt for them And there are no better hunters than authors Macon Fry and Julie Posner With the handy maps reviews and recommendations packed into the *Cajun Country Guide* a trip to the bayous won't leave one feeling like a visitor but more like a native who has come back home

Louisiana Plantation Homes Malone, Lee, *America's Painted Ladies* Elizabeth Pomada, Michael Larsen, 1992 This book spans more than 50,000 miles and three hundred cities in every part of the country to present a photographic celebration of Victorian architecture and interiors

Best Places to Stay in the South Carol Timblin, 1992-03 Vacationers who want to experience southern culture and charm firsthand will find unique accommodations in *BEST PLACES TO STAY IN THE SOUTH* including the inn where John F Kennedy Jr and Carolyn Bessette were married Also featured are hunting and fishing retreats casino resorts seaside inns and antebellum mansions Maps line drawings index

The Confederate Belle Giselle Roberts, 2003 While historians have examined the struggles and challenges that confronted the Southern plantation mistress during the American Civil War until now no one has considered the ways in which the conflict shaped the lives of elite young women otherwise known as belles In *The Confederate Belle* Giselle Roberts uses diaries letters and memoirs to uncover the unique wartime experiences of young ladies in Mississippi and Louisiana In the plantation culture of the antebellum South belles enhanced their family's status through their appearance and accomplishments and later by marrying well During the

American Civil War a new patriotic womanhood superseded the antebellum feminine ideal It demanded that Confederate women sacrifice everything for their beloved cause including their men homes fine dresses and social occasions to ensure the establishment of a new nation and the preservation of elite ideas about race class and gender As menfolk answered the call to arms southern matrons had to redefine their roles as mistresses and wives Southern belles faced a different yet equally daunting task After being prepared for a delightful bellehood young ladies were forced to reassess their traditional rite of passage into womanhood to compromise their understanding of femininity at a pivotal time in their lives They found themselves caught between antebellum traditions of honor and of gentility a binary patriotic feminine ideal and wartime reality
