

It has been documented on several occasions that Heinrich Mann didn't only write in his American exile, but also made drawings. In his journal, Thomas Mann writes about "a great number of obscene drawings" his brother had made. It was believed, up to now, that the drawings, with the exception of a sketchbook, were destroyed or lost. Volker Skierka made a sensational find: in an estate he discovered about 400 of Heinrich Mann's drawings believed to be forgotten. And there are by no means only renderings of "fat, naked females", or vaudeville and brothel scenes, as Thomas Mann maintained.

In many cases, Heinrich Mann has combined his pictures in thematic cycles, he has made clear where he stood politically and assimilated literary impressions with a deadly pen. This volume presents about 150 of the most interesting drawings and topics out of this dossier. These drawings and the highly instructive classification as far as his literary work is concerned, will add to and partly change the picture of the writer Heinrich Mann in a lasting way. Also the writer family's discussion on sexual topics will be revived.

Volker Skierka, born in 1952, was a correspondent for *Süddeutsche Zeitung*, between 1979-1992, and five years editor-in-chief of *Merian* magazine. He lives in Hamburg as a freelance publicist. He wrote biographies of Lion Feuchtwanger and Fidel Castro among others.

Dr. Hans Wjßkirchen, born in 1955, is the director of the famous Heinrich-and-Thomas-Mann-Center in Lübeck.

Marje Schuetze-Coburn, born in 1959, is head of the Lion Feuchtwanger Memorial Library at the University of Southern California in Los Angeles and the director of the special libraries and archives of the university.

Love Affairs And Tales Of Atrocity:

The British National Bibliography Arthur James Wells,2003 *Edward Conze's The Psychology of Mass Propaganda* Richard N. Levine,Nathan H. Levine,2023-03-24 Edward Conze's *The Psychology of Mass Propaganda* presents a commentary on the psychology of propaganda during the rise of fascism in Europe in the 1930s. It discusses the conditions which generate vulnerability to misinformation in human societies and thus offers insight into how propaganda may be withstood. Completed in 1939 during the period of Conze's own inflection from Marxist philosophy to Buddhist studies, the original manuscript was never published and is now in print for the first time. Presenting a unique historical perspective while also appealing to an acutely topical interest in the conditions under which autocracy and fascism arise, the book examines the psychology of mass propaganda through copious contemporary and historical examples. Conze focuses especially on recent news articles and the statements of the propagandists of many of the governments that would go on to participate in the Second World War, including Germany, Italy, the USSR, USA, and UK, all of which he interprets through the lens of recent psychological and historical research. The book has been edited and includes a new introduction by Richard N. Levine and Nathan H. Levine, also featuring a foreword by American legal scholar Laurence H. Tribe and an afterword by actor, director, writer, and Buddhist priest Peter Coyote. This is a fascinating opportunity for scholars across several disciplines, including political scientists and psychologists, historians, and sociologists, to access one of Conze's previously unpublished works. It will also be of importance to those interested in Conze's work on Buddhist philosophy and in the psychology of propaganda more broadly.

Tales from 1001 Arabian Nights Sir Richard F. Burton,2000-12-31 These tales comprise of fantasy and a whimsical plot arrangement. The story goes thus: Shahryar, king of India, inflamed with jealousy by his wife's infidelity and wanton ways, executes her. After which, he resolves to take revenge on all womankind. Hence, each night, after having betrothed a beautiful girl, he kills her the next morning. A stage comes when there is no eligible woman left for him, with many having fled his kingdom, except the daughter of his Wazir, Shahrazad. The Wazir, having no choice, gives his daughter to King Shahryar. Shahrazad, a beautiful but shrewd girl, learns of the king's fondness for enchanting stories. Thus, she begins telling him one every night, keeping the climax in abeyance. Eager to know the outcome of the story's ending, King Shahryar condones the killing everyday. Eventually, after a thousand and one nights, King Shahryar is cured of his euphoria, and Shahrazad, in turn, bears him three children.

The Left Forum, 1975 *Free Love* Robert Shaplen,2024-04-16 A wry, instructive, and hugely entertaining account of one of the most sensational trials in American history. *New York Times Book Review*: On the night of July 3, 1870, Elizabeth Tilton confessed to her husband that she had had an affair with their pastor, Henry Ward Beecher. This secret would soon transfix America, for Beecher was the most famous preacher of the day, founder of the most fashionable church in Brooklyn Heights, a presidential hopeful, an influential supporter of Abolition, and a leader of the campaign for women's suffrage. When Beecher tried to silence the Tiltons, it was a whisper network of suffragists, notably

Susan B Anthony and Elizabeth Cady Stanton who spread news of the affair and it was the radical Victoria Woodhull an outspoken proponent of free love who seized on it as political dynamite to blow up the myth of monogamy among the political elite Her public accusations led to even more public trials which shocked the country and divided the most progressive thinkers of the era In 1953 the journalist Robert Shaplen revisited the Tilton Beecher affair in a series of articles for the New Yorker relying on 3 000 pages of contemporary accounts court transcripts love letters newspaper reports and illustrations even political cartoons to reanimate a scandal that shook the American reform movement and to expose a strand of America s cultural DNA that remains recognizable today

InterAsian Intimacies Across Race, Religion, and Colonialism Chie Ikeya,2024-09-15 In *InterAsian Intimacies across Race Religion and Colonialism* Chie Ikeya asks how interAsian marriage conversion and collaboration in Burma under British colonial rule became the subject of political agitation legislative activism and collective violence Over the course of the twentieth century relations between Burmese Muslims Sino Burmese Indo Burmese and other mixed families and communities became flashpoints for far reaching legal reforms and Buddhist revivalist feminist and nationalist campaigns aimed at consigning minority Asians to subordinate status and regulating women s conjugal and reproductive choices Out of these efforts emerged understandings of religion race and nation that continue to vex Burma and its neighbors today Combining multilingual archival research with family history and intergenerational storytelling Ikeya highlights how the people targeted by such movements made and remade their lives under the shifting circumstances of colonialism capitalism and nationalism The book illuminates a history of belonging across boundaries a history that has been overshadowed by Eurocentric narratives about the mixing of white colonial masters and native mistresses InterAsian intimacy was and remains foundational to modern regimes of knowledge power and desire throughout Asia

D. H. Lawrence: Triumph to Exile 1912-1922: Volume 2 Mark Kinkead-Weekes,2011-11-24 This second volume of the acclaimed Cambridge Biography of D H Lawrence covers the years 1912 22 the period in which Lawrence forged his reputation as one of the greatest and most controversial writers of the twentieth century During this period Lawrence produced the trio of novels with which he was to revolutionise English fiction over the next decade It was a painful process *Sons and Lovers* was crudely cut by its publisher The *Rainbow* was destroyed by court order and *Women in Love* took almost three years to find a publisher This 1996 biography tells the writing life too tracing the illuminating relations between man and manuscript without confusing life and art Drawing on previously unseen information from the Cambridge Editions of the Letters and Works and original research fresh light is shed on questions of Lawrence s sexuality health quarrels and friendships which have been more often gossiped or theorised about than scrupulously examined
