Love Again:

, Love's Knowledge Martha C. Nussbaum, 1990 This volume brings together Nussbaum's published papers on the relationship between literature and philosophy especially moral philosophy The papers many of them previously inaccessible to non specialist readers deal with such fundamental issues as the relationship between style and content in the exploration of ethical issues the nature of ethical attention and ethical knowledge and their relationship to written forms and styles and the role of the emotions in deliberation and self knowledge Nussbaum investigates and defends a conception of ethical understanding which involves emotional as well as intellectual activity and which gives a certain type of priority to the perception of particular people and situations rather than to abstract rules She argues that this ethical conception cannot be completely and appropriately stated without turning to forms of writing usually considered literary rather than philosophical It is consequently necessary to broaden our conception of moral philosophy in order to include these forms Featuring two new essays and revised versions of several previously published essays this collection attempts to articulate the relationship within such a broader ethical inquiry between literary and more abstractly theoretical elements **Catalog of Copyright Entries** Library of Congress. Getting Past the Tears K.L. Smith,2020-02-07 Getting Past the Tears is a fictional novel that tells of how lives were affected by the war in Vietnam It is set in Eastern North Carolina and Southern Virginia during the late 1960s and into the twenty first century It is the fifth and final book in the series Getting Past the Tears continues the story where Gardenia Lane ends Kay Peel was happily married to her childhood sweetheart Their lives

were interrupted when her husband was drafted into the army and deployed to Vietnam. When the messengers arrived to notify Kay that her husband had been killed in action, she felt cheated out of the life they had planned. She leans on God, her friends, and her late husband's family to help her through her grief and broken heart. She decides to concentrate on her job as a registered nurse and close her heart to love to avoid having her heart broken again. Quint Sterling is a handsome doctor who had served in Vietnam. When he returned home from Vietnam, he found that his wife had not waited for him. He was welcomed home with divorce papers. His heart and dreams were shattered. He swore off women for fear of being hurt again. God has other plans for Kay and Quint. When the pretty young widow and the handsome doctor meet, there is an instant attraction between them. Even though Quint is fifteen years older than Kay, the couple bonds. It is as if their broken hearts reach out to each other. Neither of them is looking for love. They become close friends. Their friendship becomes the most important part of their lives. This is a story of how love can mend broken hearts and restore broken dreams. Through God's love, the couple realizes that what's gone is gone. Their hearts heal by letting go of the past and moving forward in love. True love conquers all. They find that love is more joyful the second time around. Missing Being Mrs Jennifer Croly, 2015-05-15. I lost my husband and two of my four children on the same day. They left in the morning as usual, the girls happily following their Dad out of the door, and they didn't come back. When her fine Christian husband walked out after 22 years of marriage, Jen Croly was devastated. Painfully, she tried to rebuild her life, stitch together her shattered confidence, and discover who she was. She clung to her faith. Even when I could barely believe in God, God went on believing in me. During the tough process of recovery, she looked for a really candid, helpful book but found most volumes horribly patronising. Here is what she sought: a book by someone who had survived the experience. She deals with practical questions: How do you tell other people? Whom can you trust? What is your name? What about the family? What about money, car maintenance? What about dating? **The Abandonment Recovery Workbook** Susan Anderson, 2016-07-15. A powerful workshop in a book for healing from loss.
