*Life's Journey* Roberta Dawn, 2020-08-14 *Life's Journey* by Roberta Dawn is a collection of one hundred poems she has written over the years. Some poems have been inspired by her personal experiences and some from trying to understand the world around her. There is at least one poem for everyone to relate to if not several. Anyone who has family, friends, a significant other, a bad or good day, lived military life, and more will have something to relate to. In fact, anyone who has walked this journey through life should enjoy this book. Roberta Dawn hopes these poems can help people understand others better and understand their own thoughts and feelings. These poems can also help others know they are not alone; that others may have faced similar challenges and may be experiencing similar emotions. *Life's Journey* is a variety of poems written about love, heartache, sadness, happiness, grief, and life from the author's perspective. Each poem is written from the author's heart as they came to her like a gift in the wind when she needed the words to express her thoughts, feelings, love, and sometimes pain. Every word is written with many possible impressions, feelings, thoughts, experiences. These poems are meant to be read and reread, to be read alone and shared, and to be appreciated and enjoyed. **WHEN TWO BECOME ONE** B. E. Gardner, 2013-01-09 This is the first memoir from the author. It is a collection of thoughts and memories, good and bad, that has transformed him at this point in life. It is his struggle to discover he is as a person and his struggle to keep his one true love. This is an emotional testimony that could be felt by many people in life. It is a proclamation of love and devotion that needs to be told for any person who may have lost a love of their own. **Twisted** Stacey L. Bolin, 2014-05-01 When a husband is given a night of freedom by his wife after twenty years of marriage, he can hardly believe his luck. As he leans back in his bar stool and marvels at his newfound independence, he has no idea that he is about to meet someone who can make all his desires come true. But there is only one tiny catch: there are repercussions to every choice. In her collection of twelve creepy tales, Stacey Bolin shares a glimpse into what happens to a mother's imagination when a full moon hangs heavy in the sky or a deafening rain pounds the rooftop. After a woman happens upon a car accident on a back road one night, she encounters a mysterious figure and learns the truth about him from a fateful phone call. A mother tormented by what she thinks is a horrifying nightmare soon discovers that what she thinks is imagined may be real after all. When a teenage girl and her boyfriend park at an abandoned lovers' field, they ignore their uneasy feelings until it is too late. *Twisted* offers a glimpse into the dark, never-before-seen recesses of a mother's mind as she shares short story thrillers that will inspire wonderment about what really goes on after the sun sets every night. **Remembering My Miss Vicki** Thomas Crochetiere, 2011-04-24 This is a husband's heartfelt story about his wife and their journey during the last year of their life together. You will learn firsthand how they embraced some of the most memorable and cherished moments of their marriage.
