Love Always:

ARE YOU WALKING IN YOUR ASSIGNMENT? Larry Davis, 2010-10-20 Larry Davis lives with his wife Carolyn He was inspired to write this second book under the anointing of the Holy Spirit He loves the Lord Jesus Christ with all his heart and his desire and aim is to please Him God wants us to put Him first in every area of our lives Before the beginning of time He placed our assignments in our hearts to bring Him glory and it is up to us to fulfill it by seeking Him and developing a close relationship with Him Therefore the sole purpose of this book is to help aid and encourage as you seek God first for instructions on finding your assignment your purpose for being here Ecclesiastes 3:1-2 To everything there is a season and a time to every purpose under the heaven Everything God created under heaven is timed For example people trees animals birds etc are timed on this earth God did not leave anything out Everything is timed by God He goes on to tell us that there is a time to be born and a time to die a time to plant and a time to pluck up that which is planted When you were born you were timed to fulfill the assignment purpose that God placed in your life whether your purpose is showing kindness in your home on your job ministering in your home your church your neighborhood or on the streets You are here only for a time to do your assignment *Passionista* Rachel Ann Alcaraz-Na, 2014-04 Rachel Na a California girl at heart she loves nature fun and simple things More than a decade ago when faced with major challenges in her life she lost her way She spent time going deep within to reconnect with God Although she had been taught that life was hard and you just have to struggle through it she knew that this was not her fate God answered her prayers and the doors flew open Rachel started to practice a new way she traveled across the nation and found friends and tools And then six years ago she learned the art of meditation forgiveness and prayer as a daily practice She is passionate about realizing her dreams not only for herself but also for family and friends worldwide She shares her dreams in the form of her artwork and inspirations along with her ten year old daughter in this first book She encourages others to practice being passionate and witness the miracles that magically unfold

The Karma of Self Vasile Munteanu, 2018-09-20 The book is a meditation on the ideas of the Ego the Soul and the Higher Self and the differences between them The narrator is a rather amorphous figure that can actually be anyone who has thought about these issues There are no characters per se but as the novel evolves night darkness the dreaming process the mind and thought become the main characters The story is part of a very long complex dream that the narrator seems to be going through as he makes his way to the realization that the Higher Self is the source of everything [Dear Mario,....
