Love And Other Excuses:

Lessons in Love and Other Crimes Elizabeth Chakrabarty, 2021-04-15 One of the most gripping and powerful books I've ever read I feel so represented as a queer brown woman Nikita Gill An innovative hybrid of auto fiction crime fiction and critical race memoir this multi layered yet compulsively readable novel is inspired by the author's real and extended experience of serious racial harassment as well as exploring her search for justice and for love P Shortlisted for the Polari Prize 2022 Longlisted for the Desmond Elliott Prize 2022 Tesya has reasons to feel hopeful after leaving her last job where she was subjected to a series of anonymous hate crimes Now she is back home in London to start a new lecturing position and has begun an exciting if tumultuous love affair with the enigmatic Holly But this idyllic new start quickly sours Tesya finds herself victimized again at work by an unknown assailant who subjects her to an insidious sustained race hate crime As her paranoia mounts Tesya finds herself yearning for the most elemental of desires love acceptance and sanctuary Her assailant meanwhile is recording his manifesto and plotting his next steps Inspired by the author's personal experiences of hate crime and bookended with essays which contextualize the story within a lifetime of microaggressions Lessons in Love and Other Crimes is a heartbreaking hopeful and compulsively readable novel about the most quotidian of crimes A story you won't be able to get out of your head **Cosmopolitan**

Love and Other Excuses Jane Westaway, 1999 I knew at that moment that Tom Brannigan would stay a secret That there were only finite amounts of love and happiness in the world and that one person's joy was automatically another's misery one person's love another's loss It was simple as a primary school sum Love It seems to Zoe that people use that word to excuse the inexcusable Like her mother Like her friends As if they have no choice no control over themselves Well not her And then she meets Tom Intense exciting and scaring her half to death Love when it comes is nothing like what she expected

Brown,2018-03-08 This book is an account of the psychology of romantic love in the context of a theory of emotions

The account develops out of studies in brain psychology and the extension to topics in process philosophy such as the nature of value and belief and the central role of feeling in mental process. The approach is subjectivist that is from the internal standpoint and in this respect it differs greatly from the externalist and objectivist trends in modern cognitive science and empiricist philosophy. Love is the ultimate in value so that a theory of love is also a theory of the nature of value and its relation to feeling, belief and to drive and desire. The role of intention, reason and appraisal is critiqued. The relation to other feelings such as jealousy, envy, anger, loss and grief is discussed in terms of a general theory of emotion and the basis in a process account of the mind/brain state.

Love and Other Hazards Claudia Riess, 2017-06-06. *Love and Other Hazards* is a novel about urban singles stumbling toward fulfillment in an odyssey of sex, love and parenting. Glenda Fieldston is at the Metropolitan Museum of Art with her seven year old daughter Astrid when Eugene Lerman comes walking by with his eight year old daughter Meredith, a schoolmate of Astrid's. The families spot each other. Glenda and Eugene engage in long range cursory assessments and then they go their separate ways. But not for long. Glenda and Eugene cross paths professionally soon after and circumstances at work bring them into close association. So begins a friendship fraught with complications. Glenda's independence is self imposed and fierce. Eugene's was foisted on him by a wife who left him. Although Glenda's and Eugene's personal demons are incompatible, their longings are confoundingly in harmony. Their cautious friendship is further inhibited by past and present relationships and it remains to be seen if they can break out of their set ways to make a break for uncharted love.
