Dr Sona Aronian book prize for Excellence in Armenian Studies In Matt os U hayec i and His Chronicle Tara L Andrews  
presents the first ever in depth study of the history written by this Armenian priest who lived in Edessa modern day Urfa in  
Turkey around the turn of the twelfth century and was an eyewitness to the First Crusade and the establishment of the Latin  
East Although the Chronicle is known as an extremely valuable source of information for the eleventh and early twelfth  
century Near East neither its guiding structure nor U hayec i s motivation in writing it have ever been clear to modern  
historians This study elucidates the prophetic framework within which the text was written and demonstrates how that  
framework has influenced U hayec i s understanding of the time in which he lived      **Hughes, Sheffield, Prior, Congreve,**

Sense Martin Stanton,2019-11-30 A literary masterpiece from world renowned psychoanalyst and distinguished writer  
Professor Martin Stanton that picks up the baton from R D Laing Spanning a novel travel guide documentary self help book  
play photo album film script and work of art Making Sense is a cultural phenomenon a long overdue wake up call railing at  
society s idealisation and narcissism Martin Stanton has created a guide for a postmodern world that is constructed through  
social media and communicates principally through tweets texts and selfies Like Homer s Odyssey this is an epoch changing  
classic that takes a timely quantum leap from a cognitive world of straight line argument and causal interpretation into a  
parallel unconscious universe of uncontrolled feeling which traps fragments of fantasy in the retreating tides of reality

Making Sense collects together a group of major and minor characters some real some imaginary who set out to make sense of life together by opening the social media gate between Reality and Fantasy A survey of Martin Stanton s own thinking and feeling on his original psychoanalytic odyssey across becalmed seas random conversations with a therapeutic parrot stranded for a while with Socrates on the black sandy beach of Paradise he explores how a bezoar stone a caddis insect and a karaoke moment can linger through his life and make sense for him as a primary source as unconscious effects which sustain enlighten and entertain him through darker times This book scrawls a message of hope in the sand once the outgoing tide has retreated Enjoy life it says Celebrate it in yourself and in others     The Wedding Sheena Binkley,2014 Tia Simmons can t wait to be Mrs Charles Robinson She has everything planned from the venue to the caterer making everything completely perfect Or so she thought When she hires Camille to be her wedding coordinator paranoia comes into play when she thinks her best friend is trying to sabotage her wedding Along with the issues she s having with Camille she also has to deal with her new extended family making her wonder if she s going nuts But when unexpected news shatters Tia s world she s not sure if she should tell anyone about it or if she should keep it to herself until the wedding is over Charles Robinson is totally in love with Tia and would do anything for their special day Whatever Tia wants he s in agreement with Except hiring Camille as their wedding coordinator When issues clash between the three will it test their friendship Along with the issues he s having with the reappearance of his father and a brother who can t be trusted Charles has to wonder which is more important trying to do the right thing or being happy     *I've Always Kept a Unicorn* Mick Houghton,2015-03-03 I ve Always Kept a Unicorn tells the story of Sandy Denny one of the greatest British singers of her time and the first female singer songwriter to produce a substantial and enduring body of original songs Sandy Denny laid down the marker for folk rock when she joined Fairport Convention in 1968 but her music went far beyond this during the seventies After leaving Fairport she formed Fotheringay whose influential eponymous album was released in 1970 before collaborating on a historic one off recording with Led Zeppelin the only other vocalist to record with Zeppelin in their entire career and releasing four solo albums across the course of the decade Her tragic and untimely death came in 1978 Sandy emerged from the folk scene of the sixties a world of larger than life characters such as Alex Campbell Jackson C Frank Anne Briggs and Australian singer Trevor Lucas whom she married in 1973 Their story is at the core of Sandy s later life and work and is told with the assistance of more than sixty of her friends fellow musicians and contemporaries one of whom to paraphrase McCartney on Lennon observed that she sang like an angel but was no angel     Historical Dictionary of African American Cinema S. Torriano Berry,Venise T. Berry,2015-05-07 As early as 1909 African Americans were utilizing the new medium of cinema to catalogue the world around them using the film camera as a device to capture their lives and their history The daunting subject of race and ethnicity permeated life in America at the turn of the twentieth century and due to the effect of certain early films specific television images and an often biased news media it still plagues us today As new technologies bring the

power of the moving image to the masses African Americans will shoot and edit on laptop computers and share their stories with a global audience via the World Wide Web These independently produced visions will add to the diverse cache of African American images being displayed on an ever expanding silver screen This wide range of stories topics views and genres will finally give the world a glimpse of African American life that has long been ignored and has yet to be seen This second edition of Historical Dictionary of African American Cinema covers its history through a chronology an introductory essay appendixes and an extensive bibliography The dictionary section has over 1400 cross referenced entries on actors actresses movies producers organizations awards and terminology this book provides a better understanding of the role African Americans played in film history This book is an excellent access point for students researchers and anyone wanting to know more about African American cinema
