Awakening David L. McDaniel, 2019-11-07 Lavish and complete world building made grand and epic by the range of fascinating creatures McDaniel takes elements of classic fantasy and does unexpected things with them Authors Reading War stirs in the hearts of the elves and humans Jaerick king of the elves and Traelyn Great Mother of the humans have a storied and tragic past but neither can recall anything but the hate between them for actions in a past that has been wiped from memory The Quarterstar Prophecy however stirs within the realm with a will of its own and it calls to both Jaerick and Traelyn At the center of it all lies the Quarterstar Talisman and the only known Quarterstar Shard to have ever been found kept separate due to the power of the Shard if combined with the Talisman Traelyn should have died generations ago Her father Dar Drannon must come back in order to fulfill the prophecy Yet it is the king s advisor Naemyn who may thwart the balance of power as the Quarterstar Prophecy unfolds *Hyperion. Dawna Markova, 2000-10-01 The author shares her secret to breaking the habitual patterns that keep people prisoner as she describes her own path of discovering the fundamental meaning of life Original **The Age of Perversion** Danielle Knafo, Rocco Lo Bosco, 2016-12-01 American Board and Academy of Psychoanalysis Book Prize Winner for 2018 Theoretical Category We have entered the age of perversion an era in which we are becoming more like machines and they more like us The Age of Perversion explores the sea changes occurring in sexual and social life made possible by the ongoing technological revolution and demonstrates how psychoanalysts can understand and work with manifestations of perversion in clinical settings Until now theories of perversion have limited their scope of inquiry to sexual behavior and

personal trauma The authors of this book widen that inquiry to include the social and political sphere tracing perversion s existential roots to the human experience of being a conscious animal troubled by the knowledge of death Offering both creative and destructive possibilities perversion challenges boundaries and norms in every area of life and involves transgression illusion casting objectification dehumanization and the radical quest for transcendence This volume presents several clinical cases including a man who lived with and loved a sex doll a woman who wanted to be a Barbie doll and an Internet sex addict Also examined are cases of widespread social perversion in corporations the mental health care industry and even the government In considering the continued impact of technology the authors discuss how it is changing the practice of psychotherapy They speculate about what the future may hold for a species who will redefine what it means to be human more in the next few decades than during any other time in human history The Age of Perversion provides a novel examination of the convergence of perversion and technology that will appeal to psychoanalysts and psychoanalytic psychotherapists social workers mental health counselors sex therapists sexologists roboticists and futurists as well as social theorists and students and scholars of cultural studies

Duby,2025-01-09 Steven J Duby provides a close verse by verse exegesis of the book of Habakkuk setting forth the important literary and historical considerations with a view to their bearing on the theological content of the text Duby shows how

Habakkuk fits within and contributes to the larger mosaic of God's self-revelation in redemptive history and reflects on how this intersects with important points of Christian doctrine. The work incorporates key concepts and doctrinal insights from the church's dogmatic tradition showing how they in turn can shed light on the scriptural text. The commentary includes excurses for example on the doctrine of justification elaborating on how Habakkuk's message can inform biblical exegesis and Christian theology today.
