Sylvia Sáenz M.Ed., 2023-09-24 This book consists mostly of my mother's notes of the metaphysical classes she taught as well as her massage classes and other classes she took. A few parts were channeled. Do your own research to verify facts. My mom told me after she graduated to heaven, let go in my dream. I thought it meant to release the past and memories of her, but then I realized after a year when I did let go, I got closer to her Spirit and received a deeper connection. This book is in honor of my mom who graduated to heaven and is still alive. Her greatest desire was to help as many people as possible. She wanted to write this book to let others know her story of pain and how she got through her pain. By doing this, she felt it would inspire others in their journey of life to push through their pain and find the meaning of life by finding themselves and truly loving themselves. **The living Bible, being the whole Bible in its fewest words** Bible, 1928 **Living in the Light of His Love** Nina Smit, 2011-08-26 Devotions to encourage you in every season of your life with beautiful interior design and uplifting content.
