Love Knows No Bounds Virginia Erifol Sigley, 2017-03-21 Emily a young lady from the Philippines immigrated to America to join her aunt The only asset she had when she left home was her strong faith in God to carry her through the great world she was destined to conquer Through God's grace she found a job in a prestigious firm in Los Angeles She's incredibly brilliant courageous and not intimidated by what's ahead of her These are some of the tools which Emily used to reach her greatest success in becoming the chief quality technical consultant of the Finance Circuit Optimum Company Luke a very handsome and intelligent young man was a general manager of the firm to which Emily reported for duty His success in running his department is due to his never daunting leadership He is greatly admired and respected by the people under his management Because of his good judgment and influence he eventually got promoted to executive vice president of the company There was an instant connection between him and Emily ever since they met Over the years of working together they found strength in one another including lifting each other's spirit when things became grim at work As time went on their friendship developed into a romantic relationship As their love for each other grew deeper they relied more and more on the Lord's guidance Luke's visit to Emily's home in the Philippines and meeting her family became the pivotal point in his quest for happiness and peace Most of all Emily's world may be as far away from Luke's world but the world they live in is totally in God's hands Although there is a disparity between Luke's and Emily's world it really didn't matter to them for their deep love for each other will ultimately prevail because love knows no bounds

Greater Love Has No Man Rita Leonty-Favreau,2020-10-07 Whenever we seek to manipulate something we do not understand we expose ourselves to unknown dangers Greater Love Has No Man is a characterization of a gross misunderstanding It is an illustration of the catastrophic result of a presumptuous mind which sets about to meddle with things beyond its understanding but which it believes it not only understands but can manipulate When Courtney Willard sets out to manipulate words from the Bible which he refutes as being the infallible Word of God being also a self proclaimed atheist he has no idea that the end of what he engineers will turn out very different from what he envisioned In the end he would inadvertently prove what he sought to discredit The natural man does not comprehend the things of the Spirit of God for they are foolishness unto him Neither can he know them for they are spiritually discerned Greater Love Has No Man is a poignant journey into a misunderstanding One which along the way is fraught with laughter and tears friendship and enmity despair and the resilience of a love which ultimately restores hope

A Werewolf's Tale of Love and Destiny Jagdish Krishanlal Arora,2023-09-08 Amelia had always been known for her compassionate nature From a young age she exhibited a deep empathy towards all living beings whether they were human or animals Her friends often marveled at how she could sense the emotions of others and offer comfort in times of need It was as if her heart had an innate ability to connect with the pain and joy that surrounded her Living in a small village nestled near the edge of a vast enchanted forest Amelia found herself in a world where nature s beauty was both her playground and her solace The village was known for its close knit community where everyone looked out for one another Amelia s compassion naturally found a home here as she often volunteered to help the elderly tended to injured birds and offered a listening ear to those who sought her out One cool autumn day as the leaves began to change their colors and the air carried a hint of impending winter Amelia decided to take a solitary walk into the heart of the enchanting forest She had always felt a deep connection to the wild untouched parts of nature where she could hear the whispers of the trees and feel the heartbeat of the earth beneath her feet

The Commandments in the New Testament Gospels Bea Baldrige,2015-01-30 The Commandments in the New Testament

Gospels is about how Christians are supposed to live under Jesus commandments For many years I have noticed many people who are confused about how Christians are supposed to live But are the Ten Commandments in the New Testament And should we follow them We need to question which parts of the Bible are written to us which parts are written for us and which parts are for our moral guidance Most of all we need to go back to the first century and see how the followers of Jesus lived We need to learn the customs at that time the idioms of their speech We need to be aware of what the first century political climate was like in order to understand the New Testament The Book of Hebrews talks a lot about the Order of Melchizedek What is that order This book will explore this along with one core question What is the secret that believers have been missing all these years about what God expects from us Go with me on an exciting journey through the Gospels as we discover who we are in the Messiah and what our Commandments are **Journey Beyond Linear Time** Raphael Jara,2016-11-28 What would it be like to transcend the limitations on planet earth How intriguing would it be to experience life through a higher mind with significantly broader experiences than you ever imagined Journey Beyond Linear Time reveals that heaven is neither up there nor out there somewhere Instead it is right here where we stand The author has walked on this earth in pure spirit multiple times in this incarnation He has seen inside others and recognized their scars their pain and the troubles they bore He has had divine experiences right here on earth which most would consider out of this world And he has been inside the massive and expansive energy field we refer to as God He states that it exists it is substantive and it is where we come from The author of Journey Beyond Linear Time Raphael Jara was born spiritually awake and is now sharing some of his own extraordinary experiences here on earth He takes the reader on a journey through our earthly indulgence in simple mind and opens the pathway for us to realize who we truly are And that realization will bring us to the truth of our existence and the reason for which we take this journey to the denseness of planet earth He states A profound truth is that we are multidimensional beings having a human experience with the ability to transform ourselves from our limiting human capacity into our divine essence with capabilities beyond the imagined And with this higher level of consciousness we can then live our lives through truth and not through the unconsciousness that appeases the simple mind Our capability far transcends our human limitations for we are the expressions of the universal self **Forever Love** Kathy Brocks,2010-08-09 Forever Love is a collection of poems about different types of love It s about how we make mistakes in choices and how there is always a way out Forever Love is about finding that good thing and staying faithful and how betrayal hurts and goes beyond ourselves Love is kind builds up and is endless with nurture **365 Days of Love** Daphne Rose Kingma,2002-01-09 Daily Reflections on Love The meaning and magic of love Love is one of the most powerful forces we can experience in this world It touches us in unexpected and profound ways each day but it can also confuse and confound us at times Bestselling author and beloved emotional healer Daphne Rose Kingma dubbed The Love Doctor writes with startling clarity on the subject of love and its many facets She guides readers through the various elements and
