spiritual guide and a person who found peace and redemption in recovery Every month Lorraine Wood tells the story of her devastating family legacy of addiction in the hopes that it will inspire people to start and stay on their own difficult path to addiction recovery Love Addiction is her heart wrenching memoir that records her story Born to alcoholic parents Lorraine struggled through childhood as the eldest of six children living on a rural farm in New Zealand Like most good girls in the 1950s she married young and quickly had four daughters The view out her window offered nothing but cows and she longed for more After months of persuasion the family finally moved to the city of Auckland There fate introduced her to her true soul mate Bill The only problem was that Bill was also a married man and with three daughters of his own But their love could not be denied and before long two divorces were navigated and one family of seven children was formed in Sydney to start afresh It was then that the cracks began to show Bill also a former alcoholic had transferred his addictive tendencies to financial risk racking up a millions of dollars in debt An intervention was needed For both of them It was only at this stage at 50 years of age that Lorraine understood the true generational damage of addiction When one person is addicted an entire family suffers and need their own rehabilitation and support to truly recover and heal Lorraine s purpose in life was born In 1993 she and Bill took the greatest financial risk of all and opened South Pacific Private a hospital that specializes in addiction treatments Since Bill s tragic death Lorraine continues to run the hospital solo now known as the only Australian equivalent to the renowned US treatment facility The Meadows With engaging heartwarming anecdotes Lorraine opens up her life and bares her soul in Love Addiction a memoir Christian Science Sentinel ,1904 *How to Find the Right Woman* Tatiana Busan,2025-04-24 Even though some men want to live the single life sooner or later they also want something more to find love and grow old with a woman they love Some men especially if they have been single for a long time may start to feel lonely and lose all hope of finding the right woman If you think you can t attract the right woman and want to give up you need to get out of that mindset We are all capable of meeting new people and experiencing new love Some men have told me that they have tried so many times to find the right woman that they have finally given up For many men finding a woman is a painful and confusing journey There are men who start a relationship with the first woman they meet and after a few months are disappointed by the experience and give up looking for the right woman Just because you can t find the right woman right now doesn t mean you ll never find her You have the right to love and find great love at any age Finding the right woman is perfectly possible but it takes commitment and learning seduction techniques It s never too late to start over heal your heart and meet a new love I know how hard it can be to feel ready to find the right woman but she just doesn t come along You can t know the day and place where you ll find the right woman but you can increase your chances of meeting her Starting over after a painful breakup can be challenging In this book you ll discover how to find love again If you ve been waiting months or years to meet the right woman this book will provide you with all the knowledge and tools to help you realize your dream of finding the right woman Here s what you ll find in the book How to Believe in Love
