Firethorn, 2001-10-23 Michael Fowler is doing his best not to fall in love with Steve Lopes a piano player with eyes as green as willow shoots and hair the color of polished chestnuts Love is just not in the cards for an actor whose career is on the rise and who has just landed the triple part in Shakespear s Hamlet the role that Shakespear himself is likely to have played But Steve is really hard to get out of his head and he fears his heart Then there is the fact that Steve wants him to do an environmental performance playing his non existant cousin Toby in order to solve some long term family problems Steve was raised by his beloved Aunt Minerva who it appears has imaginary relatives as well as real ones And the real ones want to get their hands on her money To top it off there is a serial killer who has been murdering Gay men and the killer has Michael at the head of his hit list Set in the 1980s in San Francisco and Los Angeles Mason Powell s Gay romantic crime novel is a tightly plotted tale of murder and madness of theater and people whose lives put the theater to shame It is also a tour of places as they were and characters as they are likely to remain in California a state which holds its zanies to be its greatest natural resource If you love a good love story you will love this novel If you love a good mystery you will keep turning the pages If you loved *Tales of the City* you will want to return to the golden days of the 80s in San Francisco with this book Diana L Paxson Author of *Priestess of Avalon* Fireflies David Morrell, 2011-12-05 In the bestselling novels of suspense master David Morrell fear is the main subject But Morrell himself had never known genuine terror until he watched his 15 year old son wage a heroic but doomed struggle with cancer This is one father s powerful and unforgettable story of fierce love impenetrable loss and an unexpected breathtaking encounter with the miraculous Ultimately *Fireflies* is a tribute to the undying human spirit that has already given new hope to enthralled and

grateful readers around the world David wrote this account for himself but to his surprise his candid portrait of grief turned out to help other people in grief or else the friends of those in grief His discussions about panic attacks as well as the could have should have syndrome and the stress within marriages after a child s death are some of the reasons that David was asked to deliver several keynote speeches to national conferences of The Compassionate Friends the world s largest grief organization for the parents siblings grandparents and friends of children who have died I found myself almost speechless It left me feeling shaken uplifted and terribly moved Stephen King New York Times bestselling author of Doctor Sleep A powerful experience I shall remember for a long long time Thank you Mr Morrell for sharing so much love so electrifyingly Robert Ludlum New York Times bestselling author of The Bourne Identity I was enormously impressed One of the most poignant and passionate religious quests you will ever read Don t miss this story of how good people respond to bad things Father Andrew M Greeley New York Times bestselling author of Angel Light A story that should have meaning and truth for every parent Los Angeles Daily News A heartbreaking and inspiring account of devotion in the face of death Detroit Free Press The Disappearance of Jim Sullivan Tanguy Viel,2021-05-11 Tanguy Viel s parody pastiche of the American novel is subtle and experimental it tells a story at the same time as it implicitly poses questions about the narrative structure it is deploying The French Review In The Disappearance of Jim Sullivan disappearance is both a theme and a stylistic device Indeed this publication narrates the disappearance of Dwayne Koster who fascinated by the story of Jim Sullivan commits suicide in the New Mexico desert which was the setting of the rocker s disappearance in 1975 But this novel is for the most part set in the metanarrative tale of its own genesis and as a result is partially eclipsed its fictitious author doesn t relate it in its entirety and keeps adding bits and pieces of first drafts and preliminary sketches to his text thus blurring its boundaries Tanguy Viel s work can therefore be perceived as a double response existential and aesthetic to the question of the end
