Love In Luxor:

Love in Luxor Gill Harvey, 2005 When Jen goes to Egypt to celebrate the end of her exams she s hoping to find excitement and adventure She meets Ali and falls in love Everyone tries to convince her it s just a holiday fling but Jen knows it s more When Jen returns home circumstances change for them both Will their love survive *Love and The Perfect Wave* Pearl Howie, 2008-06-30 *Love and The Perfect Wave* is Rachel s story Rachel doesn t really care about perfect waves she cares about the perfect man Her only reason for learning to surf is to impress Steve the guy she has had a crush on for years and has finally managed to get into bed Now she s trying to cover up the fact that she s been a desperate workaholic for the last ten years before he notices Gym work outs lingerie shopping trips and a serious spring clean are on the cards but will it all be enough to keep him interested **Counting the Cost** Jane Akshar, 2013-02-22 In 1993 Jane and Ayman Akshar were interviewed by Michael O Donnell for the radio program *Relative Values* they told about their meeting with the Church of Christ Ayman s conversion from Islam their subsequent life within that cult and their marriage and birth of their daughter This book covers that period and what happened next Ayman s work as an exit counsellor Jane s IT career and chairmanship of PCG the dynamics of their marriage and the subsequent illness and death of Ayman Jane then remarried moved to Egypt and became a Muslim This fascinating story of two religious journeys in opposite directions will enthral you It is a story of deceit and lies on a group and individual level **Beyond & A New World** Michael A. Susko, 2025-02-28 The journey continues In this second book of *Beyond and a New World* Zoe and Tod awaken within the great unfolding of life itself No longer just observers they become part of the story inhabiting the forms life takes as it rises from the depths faces crisis and adapts to new worlds From the first daring steps onto land to the forging of consciousness itself they experience the wonder the struggle and the mystery of becoming But where does the journey end As myth and evolution intertwine they move toward a revelation that will change everything **The Lords of Midnight** Drew Wagar, 2025-03-03 Based on Mike Singletons epic 1984 ZX Spectrum game this is a full length Tolkienesque novel written by best selling science fiction and fantasy author Drew Wagar Set in Mike Singleton s epic realm of *Midnight* this story brings to life the desperate struggle of the Free and the Fey against the evil Witchking Doomdark It is clearly written by someone who has actually played the game extensively and who understands the characters and their motivations Within the events of the novel most readers will probably recognize various tactics and stratagems that they themselves have employed The author also manages to successfully dovetail the two different ways to complete the game the roleplaying quest and the militaristic wargame campaign A masterful novelization You don t have to be a fan of the original game *Lords of Midnight* to appreciate and enjoy this book Considering the scale and scope of the original game an entire land locked in ice with dozens of castles and cities inhabited forests all being fought over in almost real time by multiple armies of a malevolent overload in true Tolkein fashion it s a minor miracle that the book is only 550 or so pages I devoured this book which brings to life the characters landscape

and lore of Midnight perfectly Author Drew Wagar sets out an excellent storyline and plot which is a key challenge in itself given the open world nature of the game Wagar s story also brings to life the legendary characters of Midnight in a compelling and convincing manner This is a key storytelling challenge as the leading characters Luxor Morkin Rorthron and Doomdark have very close equivalents in Tolkein s masterpiece The Lord of the Rings The Lords of Midnight The land of Midnight was cursed into eternal winter many thousands of moons ago The survivors battle hardship famine and war even beating back Doomdark the Witchking in a battle that lives on in legend But now at the Winter Solstice neither the Lords of Midnight or the Fey of the Forest can resist his greatest weapon the ice fear Their only hope rests in ancient lore the myth of a long lost house and the legend of the Moonprince
