

# Beggar of love

I made the God cry  
Tears poured down from the sky  
For my misery is something  
None could deny

I am the life worse than death  
For I am a beggar  
Not of money, not of fame  
But of LOVE! ~ I am the beggar of  
LOVE!

Second Edition** John Richard BEST (afterwards BESTE (John Richard Digby)), 1831      *Modern Love and Poems of the English Roadside, with Poems and Ballads* George Meredith, 2013-01-08 Modern Love and Poems of the English Roadside occupies a distinctive and somewhat notorious place within George Meredith's already unique body of work. Modern Love is now best known for the emotionally intense sonnet cycle which Meredith's own contemporaries dismissed as scandalously confessional and indiscreet. While individual sonnets from the work have been anthologized, the complete cycle is rarely included and the original edition has not been reprinted since its first appearance in 1862. This edition restores the original publication and supplements it with a range of accompanying materials that will reintroduce Meredith's astonishing collection of poetry to a new generation of readers.

**The Life and Works of Korean Poet Kim Myŏng-sun** Jung Ja Choi, 2022-11-30 The Life and Works of Korean Poet Kim Myŏng-sun offers an introduction to Korea's first modern woman writer to publish a collection of creative works. Kim Myŏng-sun (1896-1954) Despite attempts by male contemporaries to assassinate her character, Kim was an outspoken writer and an early feminist confronting patriarchal Korean society in essays, plays, poems, and short stories. This volume is the first to offer a detailed analysis in English of Kim's poetry. The poems examined in this volume can be considered early twentieth-century versions of MeToo literature, mirroring the harrowing account of her sexual assault and also subversive challenges to traditional institutions dealing with themes such as romantic free love, same-sex love, single womanhood, and explicit female desire and passion. The Life and Works of Korean Poet Kim Myŏng-sun restores a long-neglected woman writer to her rightful place in the history of Korean literature, shedding light on the complexity of women's lives in Korea and contributing to the growing interest in modern Korean women's literature in the West.
