of love      *Servants Leading Servants - 15 Signs of a REAL Servant Leader (FACILITATOR)* Hermann Eben,      Conscience and Love in Making Judicial Decisions Alexander Nikolaevich Shytov, 2013-03-14

THE CONSCIENCE OF JUDGES AND APPLICATION OF LEGAL RULES The book is devoted to the problem of the influence of moral judgements on the result of judicial decision making in the process of application of the established positive law It is the conscience of judges that takes the central place in the research Conscience is understood in the meaning developed in the theory of Thomas Aquinas as the complex capacity of the human being to make moral judgements which represent acts of reason on the question of what is right or wrong in a particular situation The reason why we need a theory of conscience in making judicial decisions lies in the nature of the positive law itself On the one hand there is an intrinsic conflict between the law as the body of rigid rules and the law as an living experience of those who are involved in social relationships This conflict particularly finds its expression in the collision of strict justice and equity The idea of equity does not reject the importance of rules in legal life What is rejected is an idolatrous attitude to the rules when the uniqueness of a human being his well being and happiness are disregarded and sacrificed in order to fulfil the observance of the rules The rules themselves are neither good or bad What makes them good or bad is their application

*Out of the Darkness into the Light* Uzziah Anthony Harris, 2010-12-30 Out of the Darkness Into the Light is a cognitive and emotional snapshot that chronicles a mans life during a period of great emotional loss and upheaval It shares the common struggle of our humanity and frailty that is oftenmost present during times of what some would call depression From cover to cover it highlights a journey of self discovery and takes you from the pits of despair disillusionment and self pity to a place of triumph and victory The transparency of this piece is eye opening and comforting while the victory inherent within these short anecdotal essays is to say the least inspiring Some will laugh others will cry but all will in some way shape or form relate to and be impacted by the trials as well as the resolutions illustrated within these pages If one has ever experienced pain or loss and if one has ever searched for answers and not them through their own introspective moments then this book may be of sound assistance to you If you know anyone who is struggling to come to grips with themselves or simply in need of a new birth a new direction and new possibility then have them try this rejuvenating series of life lessons and experience If all seems dark or even dim help them turn on the light this book can help them can help you turn life around
