Love Letters from Mother Earth Anneloes Smitsman, 2018-11-07 The Love Letters from Mother Earth series is written by Anneloes Smitsman to guide us into the heart of our humanity to discover the essence of who we are from a planetary perspective Within 12 hours of its launch The Promise of a New Beginning made it to the top 10 of Amazon International Bestsellers in two categories and has been endorsed by Dr Jean Houston Dr Lawrence Bloom Chief Phil Lane and Dr Jude Currivan as a book that will change your life and guide you Home Through these Letters we receive the wisdom and support that our planet as a caring and conscious Mother shares for this challenging time The Promise of a New Beginning lives within us as an ancient seed code from the Eternal We have been aware of this possibility for a long time yet as a species we were not yet sufficiently engaged with the process for birthing this together Collective engagement in the birthing of this new possibility is increasing now It is within this context that these Letters from Mother Earth and Father Sun have come into being They remind us that we are made for this process and we are not alone The first thirteen Letters provide us with three essential keys for the actualization of our unity By accessing these keys of wisdom we start to see and understand the root causes of the thousands of years of division and disunity that have caused so much suffering Mother Earth promises and shows us how a new cycle of time a new beginning is possible born from unity and wholeness by the power of Love This prepares us as co creators of a New Story based on the actualization of our true humanity **Love Letter to the Earth**

Thich Nhat Hanh, 2013-06-17 The world renowned Zen monk argues for a more mindful spiritual approach to environmental protection and activism one that recognizes people and planet as one and the same While many experts point to the enormous complexity in addressing issues ranging from the destruction of ecosystems to the loss of millions of species Thich Nhat Hanh identifies one key issue as having the potential to create a tipping point He believes that we need to move beyond the concept of the environment as it leads people to experience themselves and Earth as two separate entities and to see the planet only in terms of what it can do for them Thich Nhat Hanh points to the lack of meaning and connection in peoples lives as being the cause of our addiction to consumerism He deems it vital that we recognize and respond to the stress we are putting on the Earth if civilization is to survive Rejecting the conventional economic approach Nhat Hanh shows that mindfulness and a spiritual revolution are needed to protect nature and limit climate change Love Letter to the Earth is a hopeful book that gives us a path to follow by showing that change is possible only with the recognition that people and the planet are ultimately one and the same **Earth is Hiring**
