Love Letters and the Romantic Novel during the Napoleonic Wars Sharon Worley,2017-01-06 Love letters during the Napoleonic wars were largely framed by concepts of love which were promoted through novels and philosophy The standard texts so to speak which were written by major authors who inherited this Enlightenment bearing responded to the emerging concepts of love found in novels and philosophical essays Love among this Napoleonic coterie is unique because it demonstrates the reciprocal relationship between the love letter and the romantic novel Germaine de Sta l Juliette R camier Chateaubriand Benjamin Constant Lady Emma Hamilton Napoleon Bonaparte and his brother Lucien Bonaparte were the authors and recipients of some of the most passionate love letters of this period They were also avid readers of the newly emerging genre of the romantic novel and many of them were also authors of such works where they projected their personal romances onto the characterization of their fictional heroes and heroines In addition these authors had lived through the recent French Revolution and the Terror Imprisoned during the Revolution or branded as emigr s upon their return to Paris their mature adult lives were spent in the shadows of the Napoleonic wars in which they shifted political loyalties as the specter of Napoleon s powers grew from First Consul to Emperor of Europe The looming threat of war ignited the depths of their passions and inspired their intellectual analysis of love happiness and suicide Their evolving concept of love was a romantic all consuming passion which gripped the lovers in fatal embraces This book s analysis of their love letters and romantic novels reveals the emerging political landscape of the period through extended metaphors of love and patriotism

The Love Letters of William and Mary Wordsworth William Wordsworth,Mary Wordsworth,2009 The Love Letters of William and Mary Wordsworth collects 31 letters that William Wordsworth exchanged with his wife Mary during the early years of their marriage These letters fifteen from William to Mary and sixteen from her to him were written during William s absences from home in 1810 and 1812 and offer an entirely new way of looking at the poet and his married life Reproduced here with an informative introduction and headnotes by Beth Darlington that set each missive in biographical context the letters cover a wide range of topics village life Regency politics poetry and painting London gossip rural manners their five children domestic activities and family anecdotes Yet along with these everyday incidents and practical concerns there are tender
