someday and start digging your heels into the here and now to build the life God has designed for you Life is scary Adulthood is hard When faced with the challenges of building a life of your own it's all too easy to stake your hope and happiness in someday But what if the dotted lines on the map at your feet today mattered just as much as the destination you dream of Hannah Brencher TED Talk speaker and founder of The World Needs More Love Letters thought Atlanta was her destination Yet even after she arrived she found herself in the same old chase for the next best thing somewhere else And it left her in a state of anxiety and deep depression Our hyper connected era has led us to believe life should be a highlight reel where what matters most is perfect beauty instant success and ready applause Yet as Hannah learned nothing about faith relationships or character is instant So she took up a new mantra be where your feet are Give yourself a permission slip to stop chasing the next big thing and come matter here Engage the process as much as you trust the God who lovingly leads you If you are tired of running away from your life or tired of running ragged toward the next thing you think will make you feel complete Come Matter Here will help you do whatever it takes to show up for the life God has for you Whether you need to make a brave U turn take a bold step forward or finish the next lap with fresh courage find fuel and inspiration for the journey right here

Queer Opera Andrew Sutherland, 2023-03-27 In *Queer Opera* Andrew Sutherland argues that operas often reflect characteristics of the society and episteme in which they are written but that they also do much more than that operas have agency LGBTQ social cultural and political issues have become an increasingly defining feature of twenty first century life and as agency for change composers have turned to opera to underscore the lived queer experience Sutherland posits that operas written before the sexual revolution of the mid twentieth century utilized a codified language both in the libretto and score communicating with those observers open to a queer reading He explores the growing trend of local small scale independent opera companies seen around the world towards the end of the first decade of the twenty first century and argues that this has emboldened queer artists to reclaim opera as a queer space He further argues that for several centuries opera houses have been safe havens for queer composers librettists performers and designers and yet it is only relatively recently that any serious attempt at queer representation in operatic works has begun to be realized In this book he examines narratives and music of selected operas to walk through queer history in Western societies and shines a light on how many of opera's well known characters based on historical figures who represent pivotal moments in the queer story are responsible in a variety of ways for the continued struggle for queer acceptance

Cruise the World for \$50 a Day H. C. Byler Jr., 2008-06 In this *Thirty Days of Focus Prayer* Apostle R Joshua Mitchell carefully unfolds key passages from the Bible demonstrating how to be a prayer asking Christ Jesus to teach us to pray understanding that men must always pray and not faint The apostolic prayer strategies found in this book will draw the reader more into becoming a prayer and not just praying when things happen or when you want something from the Lord You will be a prayer meeting The time has come when all Christians must realize the power of prayer knowing the way Jesus prayed which was authoritative powerful prayers

that Heaven heard and always responded to and these prayers removed the power of darkness wherever it existed

Letters on the Practice of Abandonment to Divine Providence S.J. de Caussade, 2015-08-24 Jean Pierre de Caussade of the Society of Jesus in France was one of the most remarkable spiritual writers in the 18th Century His works have gone through many editions and have been republished and translated into several foreign languages First Book On the Esteem for and Love of This Virtue Second Book On the Exercise of the Virtue of Abandonment Third Book On the Obstacles to Abandonment Fourth Book The First Trials of Souls Called to the State of Abandonment Aridities Weaknesses and Weariness Fifth Book Fresh Trials Sufferings and Privations Sixth Book On the Continuation of Trials and Fear of the Anger Of God Seventh Book The Last Trials Agony and Mystical Death The Fruit Thereof *My Song: Memoir of an ER Physician* Craig Dean, MD, 2014-05-12 Thirty years in the making one hundred thousand patients later the hundred numinous patients I will forever treasure It has been said that memoirs are the narratives of our life and as such become the manner and method of how we make sense out of our life s journey Indeed I could not imagine my life without my career in the ER since without it I would truly feel like a naked wizened skeleton devoid of skin flesh or viscera The ER experience was the alchemist s stone that touched my ordinary life and in so many ways made it exquisitely gilded Many were the patients that stirred the invisible fabric of my soul and made the ordinary universe seem so much more expansive and unequalled The magnificence of the ER flows from the commanding variety of patients not unlike the arresting diversity of flora in the plant kingdom renders a regal awe upon the eyes and souls of the beholder *Jeanne Devereaux, Prima Ballerina of Vaudeville and Broadway* Kathleen Menzie Lesko, 2017-05-10 International vaudeville star and Broadway prima ballerina Jeanne Devereaux performed for millions across America and Europe from age eleven until her retirement at forty A headliner at Radio City Music Hall she led a large group of performers on one of the first USO Camp Shows tours to Japan Born Jean Helman she entered showbiz as a dancing trouper performing in palatial theaters and was one of the last vaudevillians surviving into the 2010s In her later years living in Pasadena California Devereaux indulged her passion for research and writing in the Huntington Library s Rothenberg Reading Room losing none of her intelligence and wit despite a fading memory Drawing on personal interviews theatrical programs and her diary and letters this biography illuminates the life and career of one of vaudeville s stars of stage film and television [Lincoln Legends](#) Edward Steers, 2007-10-12 Succinctly and eloquently debunks 14 popular myths about the Great Emancipator s life and death with solid documentation Publishers Weekly In the more than 150 years since his death Abraham Lincoln has become America s most revered president The mythmaking about this self made man began early some of it starting during his campaign for the presidency in 1860 As an American icon Lincoln has been the subject of speculation and inquiry as authors and researchers have examined every aspect personal and professional of the president s life In *Lincoln Legends* noted historian and Lincoln expert Edward Steers Jr carefully scrutinizes some of the most notorious tall tales and distorted ideas about America s sixteenth president Did he write his greatest speech on the back of an

envelope on the way to Gettysburg Did he appear before a congressional committee to defend his wife against charges of treason Was he an illegitimate child Did he have romantic encounters with women other than his wife or love affairs with men What really happened in the weeks leading up to April 14 1865 and in the aftermath of Lincoln s tragic assassination Lincoln Legends evaluates the evidence on all sides of the many heated debates about the Great Emancipator and also traces the often fascinating evolution of flawed theories about Lincoln and the motivations of the individuals occasionally sincere but more often cynical self serving and nefarious who are responsible for their dispersal Based on extensive primary research Lincoln Legends will settle many of the enduring questions and persistent myths about Lincoln s life once and for all Fascinating reading Tucson Citizen
