finds her commitment to rational thinking tested during her third bout with cancer Roiphe takes us to the hospital room where after receiving the worst possible diagnosis seventy six year old John Updike begins writing a poem She vividly re creates the fortnight of almost suicidal excess that culminated in Dylan Thomas s fatal collapse at the Chelsea Hotel She gives us a bracing portrait of Sigmund Freud fleeing Nazi occupied Vienna only to continue in his London exile the compulsive cigar smoking that he knows will hasten his decline And she shows us how Maurice Sendak s beloved books for children are infused with his lifelong obsession with death if you know where to look The Violet Hour is a book filled with intimate and surprising revelations In the final acts of each of these creative geniuses are examples of courage passion self delusion pointless suffering and superb devotion There are also moments of sublime insight and understanding where the mind creates its own comfort As the author writes If it s nearly impossible to capture the approach of death in words who would have the most hope of doing it By bringing these great writers final days to urgent unsentimental life Katie Roiphe helps us to look boldly in the face of death and be less afraid Praise for The Violet Hour A beautiful book The intensity of these passages the depth of research the acute sensitivity for declarative moments is deeply beguiling The New York Times Book Review Profound poetic and yes comforting People Unconventional engaging The Violet Hour is at once scholarly literary juicy and unabashedly personal Los Angeles Times Enveloping I read it in bed at the kitchen table while walking down the street What normal person wants to blunder into this hushed and sacred space she asks But the answer is all of us and Ms Roiphe does it with grace Jennifer Senior The New York Times A beautiful and provocative meditation on mortality Minneapolis Star Tribune A tender yet penetrating look at the final days Roiphe has always seemed to me a writer to envy No matter what the occasion she can be counted on to marry ferocity and erudition in ways that nearly always make her interesting The Wall Street Journal Here is a critic in supreme control of her gifts whose gift to us is the observant vigor that refuses to flinch before the Reaper She knows that true criticism does not bother with the mollification of delicate sensibilities only with the intellect as it roils and rollicks through language William Giraldi The New Republic
