TOBIN, 1930 *The Love-Life of Byron Caldwell Smith* Byron Caldwell Smith, 2008-06-01 This scarce antiquarian book is a facsimile reprint of the original Due to its age it may contain imperfections such as marks notations marginalia and flawed pages Because we believe this work is culturally important we have made it available as part of our commitment for protecting preserving and promoting the world s literature in affordable high quality modern editions that are true to the original work *Frank Harris* Edward Merrill ROOT, 1947 [Notable American Women, 1607-1950](#) Radcliffe College, 1971 Vol 1 A F Vol 2 G O Vol 3 P Z modern period *Frank Harris: a Study in Black and White* A. I. Tobin, Elmer Gertz, 1970 To throw light on the motives movements of a conspicuous literary figure of the last generation two friends of Harris s from Chicago Dr Tobin his authorized biographer Mr Gertz an attorney who was Harris s agent in the latter years of his life have undertaken to sift the truth about Harris to present a portrait of him that will reconcile the most shocking incongruities of his character with some of the fine performances of his pen Messrs Tobin Gertz have done a very good life of him With great skill they disentangle the facts from the cobwebs of fancy that he spun They tell his story simply clearly honestly AMERICAN MERCURY Illus **Women in World History** Anne Commire, 2002 Presents biographical profiles of significant women from throughout the history of the world each with birth and death dates when known a time line quotation and references Arranged alphabetically from Schu Sui **Battleground of Desire** Peter N. Stearns, 1999-04 Stearns history Carnegie Mellon University explores the history of American self control and discusses the wide social implications of self control as a characteristic prescribed by every culture in different ways He investigates issues that define American attitudes towards morality sexuality and disciplines of the body covering the Victorian legacy through current norms In comparing trends throughout our cultural history he points out that there has been no collapse of impulse control or moral demonstration between the eras only a shift in form Annotation copyrighted by Book News Inc Portland OR [American Cool](#) Peter N. Stearns, 1994-04 Cool The concept has distinctly American qualities and it permeates almost every aspect of contemporary American culture From Kool cigarettes and the Peanuts cartoon s Joe Cool to West Side Story Keep cool boy and urban slang Be cool Chill out the idea of cool in its many manifestations has seized a central place in our vocabulary Where did this preoccupation with cool come from How was Victorian culture seemingly so ensconced replaced with the current emotional status quo From whence came American Cool These are the questions Peter Stearns seeks to answer in this timely and engaging volume American Cool focuses extensively on the transition decades from the erosion of Victorianism in the 1920s to the solidification of a cool culture in the 1960s Beyond describing the characteristics of the new directions and how they altered or amended earlier standards the book seeks to explain why the change occurred It then assesses some of the

outcomes and longer range consequences of this transformation The University of Kansas; a History Clifford Stephen Griffin, 1974 Here is a through assessment of the development of the University of Kansas during its first century Clifford S Griffin traces the University from little more than a high school or preparatory school to a college and then to a major institution No mere chronicle of the University s triumphs and progress this book gives equal attention to the many disappointments and frustrations over the years Griffin concerns himself not only with the physical growth of the institution but with the nature of the University s goals and character as well From John Fraser to W Clarke Wescoe each Chancellor of the University of Kansas faced unique problems in shaping the destiny of the ever expanding institution They struggled with the perils of an unstable economy enrollment crises departmentalization disagreements with faculty and regents disputes over open admission and the importance of scholarly research demands for higher salaries and alteration of the curriculum and even grasshopper plagues Each administration competed for legislative appropriations status and public support Anyone who has been associated with the University will find in this history many of the things he remembers best its social organizations athletic contests student pranks class feuds and campus politics Colorful Mount Oread personalities are described leaders scholars politicians and benefactors Thirty six photographs trace different phases of the University s growth Even those individuals well informed concerning the history of the University will learn much about its past and its potential for the future In addition Griffin explores ideas about the purposes and practices of higher education including the concept of the American state university as a servant of society In many respects the development of the University paralleled the growth of the state itself this book is therefore a valuable contribution to the cultural and intellectual history of the nineteenth and twentieth centuries in Kansas Plain Talk ,1927 **The Publishers Weekly** ,1897 *Catalog of Copyright Entries, Third Series* ,1963 The record of each copyright registration listed in the Catalog includes a description of the work copyrighted and data relating to the copyright claim the name of the copyright claimant as given in the application for registration the copyright date the copyright registration number etc *Inspirational Quotes For All Occasions* Bangambiki Habyarimana, 2013-08-19 Welcome to this collection of motivational and inspirational quotes Collected from various books and different authors these quotes are full of wisdom you need to shape your character and ensure you succeed in your private social and professional life Enjoy *A young scholar's letters, being a memoir of B.C.
