God Doesn't Talk to Me when i Wear My Purple Hat John Broken Willow,2011 **The Ministry, Vol. 12, No. 07** Various Authors,2008-07-01 This issue of The Ministry contains a complete record of the twelve messages given during the 2008 summer training on the Crystallization study of the Gospel of Luke held June 30 July 5 in Anaheim California The crucial truth and burden embodied in these twelve messages may be summarized in the following two sets of statements The highest standard of morality is the living of the Lord Jesus as the Man Savior whose life was a composition of God with the divine attributes and man with the human virtues to be the basic factor for His dynamic salvation The Man Savior s God man living constituted a prototype for the reproduction of the God man in the believers who are reborn of the pneumatic Christ in their spirit and transformed by the pneumatic Christ in their soul In order to be one with the Man Savior in His God man living we need to sit at His feet and listen to His word so that we may be infused with His life for the expression of God and with His desire for our service to God unto the building of God By praying ourselves into God we are empowered in Christ to repudiate ourselves renounce our material possessions and follow the Man Savior so that we may live in the reality of the economy of God to become rich toward God for the kingdom of God We need to be today s ministers and witnesses by living and proclaiming the gospel Christ as the jubilee of grace for the accomplishing of God s eternal economy If we lose our

soul life in this age and do not preserve it by lingering in the earthly and material things we may participate in the rapture of the overcomers and stand before the Son of Man on Mount Zion These messages are being published immediately following the training in order that they may benefit the saints who are participating in the many video trainings that are held throughout the earth [The Definitive Book on the Afterlife](#) Patricia Hayes,2020-12-03 This extraordinary book includes a broad spectrum of information that is focused into an easy to understand single best source on the Afterlife Death cannot separate us Unlike all other books on this topic The Definitive Book of the Afterlife introduces an astonishing new way of looking at the Afterlife It is very different and profound a true documentary that shares in depth information and detailed experiences of dying death transition and existence in the Afterlife actual experiences In the very early stages of writing The Definitive Book on the Afterlife Marshall Smith unexpectedly passed away through a tragic accident However he continued to contribute to the book by sharing his personal experiences of dying death and the Afterlife Patricia Hayes highly experienced in communicating with those in the Afterlife and having shared this process with Marshall for three decades documented over a hundred communications with Marshall who now in the Afterlife provided detailed information that greatly influenced the content and direction of this book The information about the Afterlife conveyed in this book comes from Patricia Hayes decades of first hand experience with helping others to cross over and with her frequent communication not only with her husband but also with her brother Fred She shares intimate details of Marshall s dying including his moment of death transition and acclimation to the Afterlife intimate details that are made possible through their deep love and dedication to their personal and working relationship Using Marshall s observations and understanding of his existence in the Afterlife Patricia draws comparisons between the physical levels of consciousness and the levels of consciousness in the Afterlife so that you will know what to expect and how to function Practical and easy to understand you discover what the transition process is like how the Earth and Afterlife are intertwined how to determine your place in the Afterlife and most important how to communicate with your loved ones who are in the Afterlife while you are still here on Earth The Definitive Book on the Afterlife transcends religious views of dying to share first hand direct experience with the process of dying and death as well as the realities of being in the Afterlife One thing is for sure you will never look at dying and death the same way again Inspirational transformative comforting reassuring it is a must read **Poetical Works, etc** Thomas Moore,1863

Northfield Echoes Delavan Leonard Pierson,1897 **The Ministry of the Word, Vol. 23, No. 09** Various Authors,2019-09-01 This issue of The Ministry of the Word contains the first eight messages given during the spring 2019 term of the full time training in Anaheim California The general subject of this series of messages is The Wonderful Christ in the Canon of the New Testament Christ is wonderful glorious excellent supereminent all inclusive invaluable incomprehensible and inexhaustible The desire of God s heart is that the reality in Jesus the God man living of Jesus as recorded in the four Gospels would be duplicated in the many members of Christ s Body by the Spirit of reality to become the

reality of the Body of Christ the highest peak in God's economy In the four Gospels we see that Jesus lived a life in which He did everything in God with God for God through God and by God God was in His living and He was one with God The Lord wants the actual condition of His life to be duplicated in us repeated in us and wrought into us so that the actual condition of His life in the four Gospels becomes the actual condition of our life In the Gospel of Matthew we see the wonderful Christ as the great light as the One who has authority because He lived absolutely under the ruling of the divine life of the Father as the King of the heavenly kingdom who ministered as the Physician as the Bridegroom as the unfulled cloth made into a new garment to cover us as our righteousness before God and as our new wine as the inward exciting life put into fresh wineskins the church life We need to live in the reality of the Body of Christ according to the bird's eye view of the reality in Jesus in the Gospel of Mark which unveils a full picture of the Slave Savior serving fallen sinners as a collective person with Himself as their all inclusive salvation The Gospel of Luke is a revelation of the God man who lived a human life filled with the divine life as its content thereby expressing God in humanity In the Gospel of John we see that in the Godhead Christ is the Word that is He is God defined explained and expressed In redemption Christ is the Lamb of God who takes away the sin of the human race and who satisfies the requirements of God's righteousness holiness and glory and in resurrection Christ as the consummated Spirit is the breath as everything to us in living the Christian life and in being an overcomer The intrinsic focus of Romans is on the wonderful person Christ who as the Spirit living within the believers is higher and more subjective than the Christ presented in the Gospels As the life giving Spirit the pneumatic Christ now indwells His believers as their subjective Savior This wonderful One fully saturated Paul and permeated everything he spoke and wrote in this book which presents the gospel of God The deep thought in Romans is that God became man so that in God's complete salvation sinners may be redeemed regenerated sanctified renewed transformed conformed and glorified to become the sons of God who are the same as God in life and nature to be the members of the Body of Christ expressed as local churches The Announcements section at the end of this issue contains a list of upcoming conferences and trainings hosted by Living Stream Ministry and a website link for information related to similar events in Europe
