Love Notes Ryan Dalgliesh,2008-02 Dalgliesh presents a concise look at what the Bible teaches about everything related to love Relationships      Love Notes from God Amanda Burke,2011-09-27 Grief and loss are taboo subjects A mother doesn't want to talk about her child who died Or does she A woman who miscarries isn't losing as much as a mother who loses a newborn Or is she A father doesn't grieve as much as a mother Or does he Our culture is full of misconceptions about grief and loss Few mention the thousands of miscarriages and stillbirths the babies and small children who die every day leaving parents with empty arms and grieving hearts The journey through grief can be long and lonely for the families left behind Love Notes from God examines how parents cope when they go through a miscarriage or lose an infant Find out what you can say or do to help them and also learn what is never appropriate to say to someone who is grieving      *Love Notes on His Pillow* Linda Gilden,2006 Offering encouragement through real life examples of other couples who have practiced love notes in their marriage this resource provides creative ideas for saying I love you and for expressing delight in one's marriage

**Love Notes from God** Jay Payleitner,2018-03-05 God is constantly loving on and caring for us If only we could see it in plain view with eyes to see what He sees These Scriptures are paraphrased into love notes left behind from our Creator to encourage us in the midst of our sometimes hectic and busy daily lives Each page has one crafted hand lettered note from God with supporting Scripture on the same page in fine print      Love Notes, Second Edition Ryan T. Dalgliesh,2013-04 It doesn't take too long to realize that we struggle with loving like Jesus loved Where he is patient we are not Where his compassion overflows our egos are offended We know the great love our Jesus has for us and yet we find it difficult to pour out that same love on others Marriage where love should abound often feels more like battleground where wounds are inflicted and superficially treated and we wonder if tomorrow will provide a reprieve In Love Notes we are reminded that unless we really understand what it means to be loved by a faithful God we will never be able to love others well In a conversational style that leaves you feeling Ryan is sitting right next to you Love Notes takes you on a journey of honest examination and spiritual growth Conviction is followed up with hope as you come to the place where you recognize that God's love for you will enable you to love well      **Philippians, God's Love Letter** Lester Hutson,2011-09-19 This Philippians Bible study is ideally suited for personal study and enrichment This love letter from God will bless you personally and prove to be a valuable resource and guide for teaching or preaching through Philippians The great themes of Philippians are many and sublime commitment evangelism the magnificence of Christ the salvation by Grace alone sanctification service the second coming unity and many more Dr Hutson systemically moves through Philippians with clear exegesis and explanations He shows how the church in Philippi is a model church Unlike other Pauline epistles which are characteristically stern Philippians is extremely tender He speaks affectionately to the church but also exposes the subtle danger that always threatens every good church This commentary and sermon series provides insight to life in the young church at Philippi and

will cause you to see how relevant life in that church is to churches in any day      *Love Notes in Lunchboxes* Linda J. Gilden, 2004 This book of warm enjoyable stories and practical tips and ideas for parents includes many Lunchbox Tips to help parents personalize encouragement for children on a daily basis      *Revelation: God's Last Love Letter* Kenneth E. Nissen, 2014-04 Revelation is addressed to the churches in chapter one and for the churches in the last chapter One would expect God's last love letter to be a favorite book among Christians but it isn't It isn't because it isn't understood This book has been highly received by numerous evangelical leaders and is used as the textbook on Revelation in Bible colleges as far away as Africa and India From the first I was taken with the desire of Ken to help people see that the book of Revelation was written primarily to help people in their walk with God in the midst of troubled times and not as a text to figure out the sequence of the end times This was also the first time I had seen the theme of overcoming given as the main thrust of Revelation So I had to read his manuscript to see if in fact he had come upon something I had missed I am convinced that he has I have found his book to be extremely helpful to see the desire of God to have his children to be overcomers and the resources available to us to do just that as the end approaches And the book is more than that for it does not side step the questions that are raised as one reads the book of Revelation Stephen R Bradley Director of Field Education Columbia Bible College Columbia South Carolina      *Revelation: A Love Letter from God* Katheryn Maddox Haddad, 2014-08-14 Revelation is not a book of gloom and doom It is a book of hope A book of reassurance that no matter how bad things get in the world God is still in control and still loves us like light shimmering in the soul It was written during a time when Christians were losing jobs and homes friends and family During a time when Christians were being imprisoned tortured and killed They were laying everything on the line for Jesus Everything They needed hope They needed this love letter This is a history of the world before Jesus was born especially the world of the Israelites It is also an account of Jesus birth ministry and death It ends with the final doom of Satan and the final victory of the church the heavenly Jerusalem After all does not chapter 1 verse 19 state that John was to write therefore what you have seen past what is now present and what will take place later future The scriptures always interpret themselves therefore the author takes you through each scene with applicable background scriptures to magnify the meaning with unique clearness This is God's last love letter to the world He has done everything possible to help us escape hell including offering his only begotten son to die in our place We are his children He loves us and does not want us to be hurt He tells of the overwhelming joy he can give those who accept his Son as Lord of their life He also tells us that if we become Christians he will protect us as he always protected his children in the past This is one last reassurance One last love letter from God Cast aside all the horror stories you have been told about Revelation View it now with fresh new eyes be awed and be showered with God's love      *My Poetry Through the Years* William Furr, 2010-04-21 When you purchase this book of poetry you trace the very being of a lonely writer laboring some 40 years and throughout God's time span From 1963 to 2005 this slave of words has penned his heart and mind toward everyone's love and

understanding regardless of the reader or his/her status in life. Anyone who purchases this book has taken the first step toward understanding what can be accomplished in life. No matter who you are, life's goals are attainable. God bless those of you who did purchase this book. May God look down from Heaven and say, "Blessed be the pen slaves for theirs is the kingdom of knowledge night after night and word after word." Sincerely, William Furr      *God, Love, and Marshmallow Wars* Julia M. Bruce, 2018-10-26

There's no doubt that marriage is hard work. Yet it can also be one of the most fulfilling relationships you can experience outside of your relationship with God. However, many marriages leave God outside of the relationship. Godly marriages do not happen without cultivating it, investing in it, and putting God first in your individual lives and in your marriage. This book includes 365 daily activities and takes you on a journey through Biblical principles about Godly marriage that you can then apply to your marriage as well as helping you talk through concepts that can help you develop a solid relationship. Inside you will find simple, quick activities that include Scripture to memorize and meditate on, Conversation Starters, Concepts from the Bible on Godly marriages, Romance Builders, Relationship Builders, Personal reflections, Date ideas, Group date ideas for you and other Christian couples.

**Love Notes** Neil Wilson, *Love Notes* has been designed to help the reader learn to meditate on God's Word. Biblical meditation begins when we focus on bite-sized sections of God's Word. This allows us mentally to chew, digest, and receive spiritual nourishment and direction from the Scriptures. The book is canonical with verses chosen about love, a reading, and a "Today I will" section to help readers think about how to apply God's love in their lives today.

**Love Letters to God** Lynn D. Morrissey, 2010-07-07 Women yearn to share their experiences with the Lover of their souls in a way that is honest and simple yet deeply satisfying. The key to this intimate self-expression is prayer journaling. By pouring her heart out on paper to God, a woman can enjoy God's loving presence, explore her purpose and passion, appreciate life's beauty, and answer its perplexities, experience spiritual transformation, and leave a permanent record of God's faithfulness in her life. *Love Letters to God* is a woman's invitation to take a personal pilgrimage through her own sacred writings to the very heart of God. DISCOVER THE WAY TO GOD'S HEART. Your holding an invitation in your hands, an invitation to take a personal pilgrimage through your own sacred writings to the very heart of God. If you're intimidated by praying aloud or easily distracted during your devotional time, pouring your heart out on paper will give you the privacy and intimacy you need. Inspired by these beautifully written reflections, you'll find the most fulfilling way to enjoy God's loving presence, explore your purpose and passion, and leave a permanent record of His love and faithfulness in your life. Find freedom, healing, hope, and security as you share your deepest longings with the lover of your soul.

**Story Behind the Book** Writing one's prayers in a journal, unlike verbal or silent prayers, provides an actual safe place to grow spiritually and to enjoy and enhance a personal relationship with God. Verbal prayers are soon forgotten, but our love letters to God become a permanent place for exploring our hearts, a tangible testimony of God's love and faithfulness in our lives, and a detailed document of our spiritual journeys. We can literally see the progression of changes in our lives as expressed on the pages of

our soul our prayer journals and we can see God's answers to our prayers recorded there Like the psalmists many people have discovered that writing is the key to intimate self expression providing a deep emotional catharsis that is often missing from their verbal or silent prayers

**Love Notes for Mom** Roger Howerton,2002-03-01 Stirring stories of the devotion of mothers and its lasting effects The last page is lined for you to write your own personal note to Mom Stories exemplify the heart felt gratitude of children for mothers For special times in Mom's life she might get a quick note of thanks Or notes and letters may come at an unexpected moment from those who love her the most Those priceless thoughts are most precious when they come from a child who just wants to let Mom know that she is loved The thought expressed might be a memory of a word of wisdom at a critical time remembering a fun filled afternoon at the beach or sharing the birth of a grandchild This love note was written especially for the mom you treasure Make her feel extra special on a favorite holiday or better yet any day of the year Because the pay for the hard work of being a mother is the love that she gets in return Melt her heart any time of the year

A Love Letter to Twentysomethings Everywhere Paul Shotsberger,2021-12-10 These days I hear postcollege friends wishing their way through their twenties hoping for better days Relationships are a burden work is a burden finances are a burden everything is a burden The thought seems to be that if they can just get to their thirties they'll have everything figured out and can finally feel like successful adults But that's an illusion as anyone who is in or has already passed through their thirties knows We don't grow up because we hit some chronological age we grow up when we decide to live when we reach out and grasp hope by the tail and allow it to pull us into the future I'm a professor of undergraduate students and I attend a church populated by twentysomethings so I spend at least six days a week with college and postcollege aged folk Since in my mind I'm still in my twenties I'm obviously in my element But I've been through some stuff and have had a few days of growing up so I wanted to share some of those stories
