Eternity's Sunrise Marion Milner, 2013-04-15 Following on from *A Life of One's Own* and *An Experiment in Leisure* *Eternity's Sunrise* explores Marion Milner's way of keeping a diary Recording small private moments she builds up a store of bead memories A carved duck a sprig of asphodel moments captured in her travels in Greece Kashmir and Israel circus clowns a painting each makes up a bead that has a warmth or glow which comes in response to asking the simple question What is the most important thing that happened yesterday From these beads sacred horrific profane funny grows a sense of an answering activity the result of turning one's attention inwards to experience real joy What Marion Milner conveys so vividly and inspirationally is her lifelong intention to live as completely as possible in the moment With a new introduction by Hugh Haughton *Eternity's Sunrise* will be essential reading for all those interested in reflecting on the nature of their own happiness whether readers from a literary an artistic a historical an educational or a psychoanalytic psychotherapeutic background

Meditations on Life, Death, and Eternity Heinrich Zschokke, 1883

Kant and Kierkegaard on Time and Eternity Ronald Michael Green, 2011 Building on his earlier work *Kierkegaard and Kant The Hidden Debt* Ronald Green presents Kant as a major inspiration of Kierkegaard's authorship Green believes that Kant's ethics provided the rigor on which Kierkegaard drew in developing his concept of sin Green argues that the chief difference between Kant and Kierkegaard has to do with whether we need a historical savior to restore our broken moral wills Kant rejected faith in vicarious atonement as undermining moral

responsibility and he pointed to the Genesis 22 episode of Abraham's sacrifice of Isaac as an example of how reliance on historical reports can undermine ethics. Kierkegaard rejected Kant's rationalist solution to the problem of radical human evil. Kant had demolished the ontological proof by showing that whether something exists including God can never be logically deduced. Kierkegaard turns this great insight against Kant: whether God has forgiven our transgressions cannot be deduced from our moral need. Either God did or did not intervene on our behalf. This fact says Kierkegaard is the earnestness of existence. Green offers unique readings of Fear and Trembling and Either/Or in his analysis and interpretation of Kierkegaard's reading and response to Kant and their understanding of divine and ethics. A closing chapter focuses on love in time. In Works of Love, Kierkegaard places emotional feelings within a transcendent context. Erotic love is noble but it must be purged of self-love and seek the fulfillment of the beloved as an independent being. Only by assuming ethical and religious meaning can romantic love fulfill its promise of eternity.

Eternity in the Midst of Time Fr. Wilfrid Stinissen, 2019-01-21
 Can time be our friend? At first glance the question seems ridiculous because the apparent scarcity of time is a constant source of stress in our busy lives. There are not enough hours in the day we say as we collapse late at night. Deep down we know that we cannot go on like this. Father Stinissen's book dares us to see time with new eyes. The insight that eternity is written in the depths of our hearts helps us to live in time in a way that leads us deeper into God's joy. We are like children in a land of fairy tales where everything is exciting and exploration never ends. We therefore should rejoice that everything around us is great and mysterious and that we can live in eternal wonder. His intention is not to explain what time is and thus take away its mystery. Instead his aim is to show us how to see time from different perspectives and to discover how rich and multifaceted it is. Above all he demonstrates how we can make use of the tremendous possibilities that time offers to us.

Music of Eternity: Meditations for Advent with Evelyn Underhill Robyn Wrigley-Carr, 2021-08-19
 Almost before I had begun this wonderful book I was hooked. STEPHEN COTTRELL Robyn Wrigley Carr has produced a masterpiece of insight and wisdom. CLARION JOURNAL Nourishment for the soul on every page. AYLA LEPINE CHURCH TIMES Wrigley Carr illustrates how Underhill wonderfully unites reflection and prayer. DANA GREENE Beloved spiritual writer Evelyn Underhill believed that God does not just come to us at special times but is always coming to us. But how do we recognise his coming and make ourselves open to it? In Music of Eternity the Archbishop of York's Advent Book 2021 Robyn Wrigley Carr shares a series of meditations exploring the nature of God's comings. Skilfully weaving together Underhill's writings with the psalms and short prayers she shows how as Christians we can embrace God's coming and be transformed by them in order to better love others. Full of rich warmth and encouragement these Christian meditations will help you make the most of the Advent season and more able to connect with God at all times. Set out in four parts to take you through Advent and with questions for reflection the Archbishop of York's Advent book can be used as a study for individuals or small groups to prepare for

Christmas Music of Eternity will help you find space to deepen your relationship with God and to understand what Evelyn Underhill called the many sided truth of God s perpetual coming to His creatures

Eternity in British Romantic Poetry
Madeleine Callaghan,2022-05-13 Eternity in British Romantic Poetry explores the representation of the relationship between eternity and the mortal world in the poetry of the period It offers an original approach to Romanticism that demonstrates against the grain the dominant intellectual preoccupation of the era the relationship between the mortal and the eternal The project s scope is two fold firstly it analyses the prevalence and range of images of eternity from apocalypse and afterlife to transcendence in Romantic poetry secondly it opens up a new and more nuanced focus on how Romantic poets imagined and interacted with the idea of eternity Every poet featured in the book seeks and finds their uniqueness in their apprehension of eternity From Blake s assertion of the Eternal Now to Keats s defiance of eternity Wordsworth s two consciousnesses versus Coleridge s capacious poetry Byron s swithering between versions of eternity compared to Shelleyan yearning and Hemans s superlative account of everlasting female suffering each poet finds new versions of eternity to explore or reject This monograph sets out a paradigm shifting approach to the aesthetic and philosophical power of eternity in Romantic poetry

Nurture in Time and Eternity Robert Cummings Neville,2016-07-04 The dimension of eternity has been lost from much contemporary religious consciousness Liberals tend to focus on action within time as do conservatives who see history as a battleground for a war of good against evil Spiritual life however also requires nurturing a sense of eternity within time These sermons from Marsh Chapel at Boston University follow the lectionary in highlighting the places of temporal life within eternity and the places eternity is found in temporal life The liturgical year is employed as the venue for articulating a comprehensive theology on the themes of the temporal and eternal aspects of Christian nurture
