Love Poems To The Tigress:

Love Poems to the Tigress Brooks Hoffman, 2005-12 Brooks Hoffman s poems are direct earthy and unpretentious If you like unfinished wood you ll like his poems If you like the smell of butter or summer you ll like his poems What at first might appear to be linguistic awkwardness in his voicing actually becomes upon closer examination an entrance into secret regions of cultural dissonance and transformation personal doubt and resolution and above all love Buy this book today Jack Anders Brooks has a kitchen drawer full of Wal Mart stainless but made up of different designs from conflicting manufacturers so that yes his poesy does sometimes shine like the dickens but it still has a remoteness and strangeness to it that dinner guests are apt to comment on afterwards when they re back home and he can t hear them Me I love that in his work the way words gather up new meanings or try to tear themselves loose from old ones the way he s unafraid to go wandering off in the swamp even though he knows he s terrible about directions and forever getting lost That s okay because he always finds his way back again even if he arrives from the north when we were standing out there by the gate to the east wringing our hands in despair James Lineberger Brooks poetry is full of wise innocence crooked humor and lots of heart If this book is labeled a failure than at least we can say it is an admirable one Jim Zola I don t know anyone else who can write a Brooks Hoffman poem Or even imitate one with grace Jenni Russell

Rowan Hisayo Buchanan, 2018-02-19 An anthology of Asian diasporic writers musing on the notion of home Bold and devastating the very definition of reclamation The International Examiner Asian diasporic writers imagine home in the twenty first century through an array of fiction memoir and poetry Both urgent and meditative this anthology moves beyond the model minority myth and showcases the singular intimacies of individuals figuring out what it means to belong The notion of home has always been elusive But as evidenced in these stories poems and testaments perhaps home is not so much a place but a feeling one embodies I read this book and see my people see us and feel in our collective outsiderhood at home Ocean Vuong New York Times bestselling author of On Earth We re Briefly Gorgeous To be from nowhere is the state of Asian diaspora but there is also a wild humor and imagination that comes from being underestimated rarely counted hardly seen Here we begin to draw the hopeful outlines of a collective history for those so disparate yet often lumped together Jenny Zhang author of My Baby First Birthday Language allows for many homes and perhaps the writers and readers of the anthology too will succeed in returning home or finding a home through these words NPR org Effectively dismantling all sorts of stereotypes Buchanan's anthology gives voice to notions of identity belonging and displacement that are much more vast complex and textually rich than mere geography Shelf Awareness Revolutionary for all the iterations of home it shows through fiction poetry and memoir sure to provoke a full range of emotions to swoon and clutch in my chest Literary Hub The Poems of Lord Byron - Don Juan Jane Stabler, Gavin Hopps, 2024-08-07 Byron s Don Juan is one of the greatest poems in the English language Byron s friends initially agreed that it will be impossible to publish this Byron prevailed however and the first two cantos were issued anonymously after much editorial revision Even in its revised form Don Juan was perceived as a radical attack on establishment values the poem has remained a beacon for freedom of speech and retains its power to shock Since it was published in 1819 24 all printed editions of the poem have used the text prepared by Byron's publishers John Murray and John Hunt This is the first new text of the poem to be printed in two hundred years The Longman edition is based on a comprehensive line by line analysis of the manuscripts so the text of the poem follows Byron s own voice pace and pauses rather than the grammatical punctuation and more cautious word choice inserted by his nineteenth century editors The Longman Don Juan has been annotated afresh allowing readers to see where Byron left open the choice of words or rhymes and demonstrating the extraordinary breadth and depth of his literary allusions topical and cultural references and socially

coded jokes Textual annotation includes reception history extensive bibliographies and a detailed chronology situating Don Juan in the literary scientific dramatic political musical and social life of the early nineteenth century A detailed index to the Early Auden, Later Auden Edward poem and annotation provides an unparalleled resource for students and scholars Mendelson, 2017-04-25 Presented in one volume for the very first time and updated with new archival discoveries Early Auden Later Auden reintroduces Edward Mendelson's acclaimed two part biography of W H Auden 1907 73 one of the greatest literary figures of the twentieth century This book offers a detailed history and interpretation of Auden's oeuvre spanning the duration of his career from juvenilia to his final works in poetry as well as theatre film radio opera essays and lectures Early Auden Later Auden follows the evolution of the poet s thought offering a comparison of Auden s views at various junctures over a lifetime With penetrating insight Mendelson examines Auden's early ideas methods and personal transitions as reflected in poems manuscripts and private papers The book then links changes in Auden's intellectual emotional and religious experience with his shifting public role showing the depth of his personal struggles with self and with fame and the means by which these internal conflicts were reflected in his art in later years Featuring a new preface by the author Early Auden Later Auden is an engaging and timeless work that demonstrates Auden's remarkable range and complexity paying homage to his enduring legacy Cap'n Dan's Daughter Joseph Crosby Lincoln,1914 The Era Childe Harold's pilgrimage and other romantic poems George Gordon Noël Byron Byron, 1936 Almanack ,1913

The Island Nicholas Jenkins, 2024-06-11 Nicholas Jenkins explores war love and politics in the early works of W H Auden one of the twentieth century s most controversial and moving poets Auden s poems embraced both haunted meditations on World War I and lyrical visions of English national identity until in the mid 1930s he lost faith in the artistic potential of such The Poems of Dylan Thomas Daniel Jones, 2003 The highlight of this complete edition of poems is a CD containing myths vintage recordings of Thomas reading eight of his works in his famous Welsh singing style The Poems Sextus Propertius, 1994 Of all the Greek and Latin love poets Propertius c 50 10 BC is one of those who perhaps holds most immediate appeal for the twentieth century reader His helpless infatuation for the sinister figure of his mistress Cynthia forms the main subject of his poetry and is analysed with a tormented but witty grandeur in all its changing moods from ecstacy to suicidal despair The son of an Umbrian landowner who fought on the wrong side in the Civil War after Caesar s murder he lost his father and most of his family estate in boyhood and was brought up by his mother He was able nevertheless to reject a legal or military career and to devote his life to the art of poetry in which he is a far more self conscious practitioner than most of the other Latin poets His modern popularity was furthered in particular by Ezra Pound s Homage to Sextus Propertius 1919 The St. James's Magazine ,1864 The Bookman ,1924 **Poetry** Jayne E.
