**George Watson, Ian Roy Willison**

## **Love Poetry In Sixteenth Century France A Study In Themes And Traditions:**

**Love Poetry in Sixteenth-century France** Stephen Minta,1977      The Sexual Culture of the French Renaissance Katherine Crawford,2010-04-22 An examination of how Renaissance textual practices and new forms of knowledge transformed notions of sex and sexuality in France      **The Ten Commandments in Medieval and Early Modern Culture** Walter Melion,Jürgen Pieters,Youri Desplenter,2017-09-04 Over the course of the fourteenth and fifteenth centuries as more and more vernacular commentaries on the Decalogue were produced throughout Europe the moral system of the Ten Commandments gradually became more prominent The Ten Commandments proved to be a topic from which numerous proponents of pastoral and lay catechesis drew inspiration God s commands were discussed and illustrated in sermons and confessor s manuals and they spawned new theological and pastoral treatises both Catholic and Reformed But the Decalogue also served several authors including Dante Petrarch and Christine de Pizan Unlike the Seven Deadly Sins the Ten Commandments supported a more positive image of mankind one that embraced the human potential for introspection and the conscious choice to follow God s Law      **Handbook of French Popular Culture** Pierre L. Horn,1991-05-21 Throughout the world there has been much scholarly and general interest in French popular culture but very little has been written on the subject in English The authors of this book address that lack in a series of highly readable and well documented essays describing French life styles attitudes and entertainments as well as the writers and performers currently favored by the French public Several chapters explore French tastes in popular literature and other reading matter including comics cartoons mystery and spy fiction newspapers and magazines and science fiction Film popular music radio and television are also discussed in detail and influences from other cultures particularly American imports are assessed The remaining essays examine French sports the use of leisure time the French style of eating and drinking and relations between men and women and their attitudes toward romantic love Each chapter provides up to date historical and bibliographic information that will enable the reader to pursue subjects of particular interest Written by an international group of specialists this handbook offers the benefits of broad coverage a variety of viewpoints and solid scholarship      *Ronsard's Ordered Chaos* Malcolm Quainton,1980      Aspects of Genre in Late Medieval French Drama Alan E. Knight,1983      *Feminist Interpretations of RenŽ Descartes* Susan Bordo,2010-11-01 Contributors are Susan Bordo Stanley Clarke Erica Harth Leslie Heywood Luce Irigaray Genevieve Lloyd Mario Moussa Eileen O Neill Adrianna Paliyenko Ruth Perry Mario S enz Karl Stern Thomas Wartenberg and James Winders      Literature of Travel and Exploration Jennifer Speake,2014-05-12 Containing more than 600 entries this valuable resource presents all aspects of travel writing There are entries on places and routes Afghanistan Black Sea Egypt Gobi Desert Hawaii Himalayas Italy Northwest Passage Samarkand Silk Route Timbuktu writers Isabella Bird Ibn Battuta Bruce Chatwin Gustave Flaubert Mary Kingsley Walter Raleigh Wilfrid Thesiger methods of transport and types of journey balloon camel grand tour hunting and big game expeditions pilgrimage space travel and exploration genres

**Poetics of Inconstancy** Hoyt Rogers, 1998 The transformation of Late Petrarchism from earlier stages reflects a profound shift in cultural values a crisis of the Renaissance that generated new perspectives in poetic theory and practice Broadly this book identifies a distinctive poetics of inconstancy that came to the fore at the end of the sixteenth century and pervaded the love verse of the age At the same time as a study based on the inductive method the book takes as its point of departure a single poet Etienne Durand Because of his frequently anthologized Stances a l Inconstance Durand is often singled out as the poet of inconstancy This study however identifies the theme of universal change as a hallmark of Durand s contemporaries as well a signal of a stylistic revolution that heralded the end of Renaissance verse      **The Shadow of Dante in French**

**Renaissance Lyric** Alison Baird Lovell, 2020-11-09 This book presents an interpretation of Maurice Scève s lyric sequence *Dieu objet de plus haulte vertu* Lyon 1544 in literary relation to the *Vita nuova* *Commedia* and other works of Dante Alighieri Dante s subtle influence on Scève is elucidated in depth for the first time augmenting the allusions in *Dieu* to the *Canzoniere* of Petrarch Francesco Petrarca Scève s sequence of dense epigrammatic dizains is considered to be an early example prior to the *Pléiade* poets of French Renaissance imitation of Petrarch s vernacular poetry in a time when imitatio was an established literary practice signifying the poet s participation in a tradition While the *Canzoniere* is an important source for Scève s *Dieu* both works are part of a poetic lineage that includes Occitan troubadours Guinizzelli Cavalcanti and Dante The book situates Dante as a relevant predecessor and source for Scève and examines anew the Petrarchan label for *Dieu* Compelling poetic affinities emerge between Dante and Scève that do not correlate with Petrarch      Early Modern Latin Love Poetry Paul

White, 2023-03-27 This volume sheds new light on the extraordinary richness and variety of love poetry written in Latin from the fifteenth to the eighteenth century It shows how Latin love poets reworked classical Roman and Greek models and engaged in dialogue with mediaeval and contemporary vernacular traditions of poetry They used the poetic language of love in Latin to reflect and comment on wider social ethical and literary issues and reconfigured its codes of representation in response to changing conceptions of love in the philosophical and religious spheres Their poetry often aligned itself with dominant discourses of power and gender but it could also be subtly subversive or even openly transgressive      *Song and Counter-song* JoAnn DellaNeva, 1983      *A Critical Bibliography of French Literature V2 16th C* ,      *The New Cambridge Bibliography of English Literature: Volume 1, 600-1660* George Watson, Ian Roy Willison, 1974-08-29 More than fifty specialists have contributed to this new edition of volume 1 of *The Cambridge Bibliography of English Literature* The design of the original work has established itself so firmly as a workable solution to the immense problems of analysis articulation

and coordination that it has been retained in all its essentials for the new edition The task of the new contributors has been to revise and integrate the lists of 1940 and 1957 to add materials of the following decade to correct and refine the bibliographical details already available and to re shape the whole according to a new series of conventions devised to give greater clarity and consistency to the entries

**The Lives of Ovid in Seventeenth-Century French Culture** Helena Taylor, 2017-04-28 Seventeenth century France saw one of the most significant culture wars Europe has ever known Culminating in the Quarrel of the Ancients and Moderns this was a confrontational transitional time for the reception of the classics Helena Taylor explores responses to the life of the ancient Roman poet Ovid within this charged atmosphere To date criticism has focused on the reception of Ovid s enormously influential work in this period but little attention has been paid to Ovid s lives and their uses Through close analysis of a diverse corpus which includes prefatory Lives novels plays biographical dictionaries poetry and memoirs this study investigates how the figure of Ovid was used to debate literary taste and modernity and to reflect on translation practice It shows how the narrative of Ovid s life was deployed to explore the politics and poetics of exile writing and to question the relationship between fiction and history In so doing this book identifies two paradoxes although an ancient poet Ovid became key to the formulation of aspects of self consciously modern cultural movements and while Ovid s work might have adorned the royal palaces of Versailles the poetry he wrote after being exiled by the Emperor Augustus made him a figure through which to question the relationship between authority and narrative The Lives of Ovid in Seventeenth Century French Culture not only nuances understanding of both Ovid and life writing in this period but also offers a fresh perspective on classical reception its paradoxes uses and quarrels

**Eros and Music in Early Modern Culture and Literature** Claire Bardelmann, 2018-05-15 What is the relationship between Eros and music How does the intersection of love and music contribute to define the perimeter of Early Modern love The Early Moderns hold parallel discourses on the metaphysical doctrines of love and music as theories of harmony Statements of love as music of music as love and of both as harmonic ideals are found across a wide range of cultural contexts highlighting the understanding of love as a cultural construct The book assesses the complexity of cultural discourses on this linkage of Eros and music The ambivalence of music as an erotic agent is enacted in the controversy over dancing and reflected in the ubiquitous symbolism of music instruments Likewise the trivialization of musical imagery in madrigal lyrics and love poetry highlights a sense of degradation and places the love music relationship at the meeting point of two epistemes The book also shows the symbolic deployment of the intertwined ideas of love and music in the English epyllion and offers close readings of Shakespeare s poems The Rape of Lucrece and Venus and Adonis The book is the first to propose an overview of the theoretical cultural and poetical intersections of Eros and music in Early Modern England It discusses the connections in a richly interdisciplinary manner drawing on a wealth of primary material which includes rhetoric natural philosophy educational literature medicine music theory and musical performance dance books performance politics Protestant

pamphlets and sermons and emblem books      **The Year's Work in Modern Language Studies** Glanville Price, David A.
