Sweet and Blessed Country John Saward,2008 In Sweet and Blessed Country John Saward takes an altarpiece from fifteenth century Provence as his starting point for a theological exposition of the Christian hope for Heaven The altarpiece Enguerrand Quarton s Coronation of the Virgin was painted for Carthusian monastery and so it is monastic theologians principally Denys the Carthusian who guide Saward in his exploration of the sweet and blessed country in which the angels and saints contemplate the face of God John Saward s book breaks new ground not only in content but also in style and method He discusses a subject eschatology the doctrine of last things which is generally neglected today and although he observes the disciplines of scholarship he also reaches out to a readership beyond the academy This theology of Heaven faithfully rooted in the Catholic tradition offers enlightenment to every Christian who seeks understanding of his hope and encouragement to every human being who yearns for ultimate fulfilment

Mysticism: A Study in Nature and Development of Spiritual Consciousness Evelyn Underhill,2017-02-15 Remaining a classic in its field this book explains first how mysticism relates to such things as vitalism theology psychology symbolism and magic This treatment may seem unusual for Christian mysticism but it relates widely to the world as we know it and the different practices therein Part Two explores the awakening purification and illumination of yourself and gives solid groundwork for such things as voices visions dreams and other mystical experience
