B I C Y C L E S, C A N O E S, D R U M S Dan Sklar, 2008 I take seriously what Ezra Pound said make poetry new I do not want to write like anyone else if that s possible I want to create new forms of poetry Sure I have been influenced by many writers who write differently than I do whether it is in style theme or topics but I respect all forms and styles of poetry I am experimenting all the time Each time I write it is as if it is my first time like I have not done it before The poem and the way it is put together becomes the object I am writing about as well as the subject The way the poem is written is part of its meaning All of it I feel comes from a deep and original and yet common place I write to try to understand myself and the world and to question the things we just assume to be true but mostly I write to remember the brightness of being alive
