**Teaching Your Children Values** Richard Eyre, Linda Eyre, 2010-05-11 One of the greatest gifts you can give your children is a strong sense of personal values Helping your children develop values such as honesty self reliance and dependability is as important a part of their education as teaching them to read or how to cross the street safely The values you teach your children are their best protection from the influences of peer pressure and the temptations of consumer culture With their own values clearly defined your children can make their own decisions rather than imitate their friends or the latest fashions In Teaching Your Children Values Linda and Richard Eyre present a practical proven month by month program of games family ctivities and value building ecercises for kids of all ages

Truisms of Life Ray Claveran, My hope in writing this book is to help as many people as possible to avoid mistakes we make in our daily lives and to understand what we must do to get along with one another I know I have made my share of mistakes and that is okay The problem I had as a young man was to own up to my mistakes whether they were words or actions Looking back I can see where a simple apology and to ask for forgiveness would have been the easy way to go You know what they say about hindsight
