Love The Earth More:

The More Excellent Way; Or, Links in Love's Chain. By the Author of "the British Soldier in India," Etc ,1862

Love Earth Now Cheryl Leutjen,2018-01-15 How to live sustainably in an unsustainable society and not let the world discourage your spirit Do you find yourself wondering what on Earth you can do about the very serious environmental challenges we face on our planet today Do you worry there s nothing any one person can do that will make a difference Most people say that they would like to do something to make the world a better place but they just don t believe they have the time energy money or power to make a real difference Love Earth Now invites us to explore our own thoughts and feelings about the challenge and to check in with internal guidance about the waste and negative environmental impacts we see on a daily basis While most of us can t stop the Arctic icepack from melting we can decide to make better choices like avoiding excessive packaging with our purchases walking more and driving less planting organic veggies in the front yard instead of a water wasting lawn and even going as green as possible at work and at home Does your office lack a recycling and composting program Do the research and start one yourself Each chapter concludes with a Diving In section a simple and immediate exercise much like a guided meditation to prompt us toward our own sustainable solutions By practicing eco mindfulness we can discover that one thing we can do to make a difference today and for all our tomorrows This is not only a source of inspiration but a sourcebook of direct actions large and small we can all take to ensure our children and their children s children have a healthy future on this planet Drawing from her experiences as an engineering geologist environmental law attorney small shop owner and mindfulness practitioner Cheryl Leutjen also reminds us about the importance of simplicity and how all our possessions and the constant shopping for more are no better for us than they are for the planet itself contributing to landfills and a tech tethered society that is increasingly isolated Both helpful and hopeful Love Earth Now is brimming with creative suggestions that will get us closer to a sustainable lifestyle one day at a time

Enjoying the Song of Term: An Emotional Symphony within **Love The Earth More**

In a world eaten by displays and the ceaseless chatter of instantaneous transmission, the melodic splendor and psychological symphony created by the written term frequently fade into the back ground, eclipsed by the persistent sound and interruptions that permeate our lives. Nevertheless, nestled within the pages of **Love The Earth More** a charming fictional value overflowing with raw feelings, lies an immersive symphony waiting to be embraced. Crafted by a masterful composer of language, that interesting masterpiece conducts visitors on a mental trip, well unraveling the concealed tunes and profound impact resonating within each cautiously crafted phrase. Within the depths with this emotional evaluation, we shall explore the book is key harmonies, analyze their enthralling writing fashion, and surrender ourselves to the profound resonance that echoes in the depths of readers souls.
