Love Triangle Michaela Starr, 2017-10-12 A compilation of poems thoughts memories on the topic of love Organized into sections based on Sternberg s triangular theory of love *An Introduction to the Sagas of Icelanders* Carl Phelpstead, 2020-06-17 Combining an accessible approach with innovative scholarship Carl Phelpstead draws on historical context contemporary theory and close reading to deepen our understanding of Icelandic saga narratives about the island s early history **The Art of Love Poetry** Erik Gray, 2017-12-29 Love begets poetry poetry begets love So thinkers from Plato onwards have claimed and even today when poetry has largely disappeared from the mainstream of popular culture it is still commonly considered the most seductive of all forms of art But why should this be What are the connections between poetry and love that lead us to associate them so strongly with one another In this study Erik Gray draws on a broad range of Western thought and poetry to reveal the qualities and structures that love and poetry share Above all he argues both are founded on paradox Love is at once necessarily public because interpersonal and intensely private hence love both requires expression and resists it Likewise the experience of love is simultaneously surprising and familiar singular and conventional In poetry especially lyric poetry which is similarly both dependent on and resistant to language both exceptionally regular and exceptionally irregular love finds a natural outlet The Art of Love Poetry illuminates many of the recurrent tropes that poets across the centuries have employed to represent and express love exploring such topics as the poetic kiss the lyric of conjugal love and the role of animals in love poetry In describing the inherent erotics of poetry it offers new insights not only into the long tradition of love lyric but into the nature of love itself *Visions in Poetry* Jackie Hardcastle, 2014-01-24 Jackie s journey into the unravelling mysteries of the spiritual realm started as a casual glance into her clairvoyant skills a cute hobby to pass the evenings away The Angels had other plans This story is the unravelling of the information about the spiritual world through her eyes as she discovers more about herself her gifts and her visions that turned into poetry Written as a firsthand introductory account of her awakening spiritual awareness this book is set in a semi biography format interlaced

with spiritually inspired poetry The reader is ushered through a variety of personal life lessons that eventually lead into discovering Love Forgiveness Gratitude and Truth Jackie shares with us experiences which lead her to feel directed to share the messages the questions and inspirational thoughts that came through The reader is encouraged to ask questions and form their own opinions as Jackie's quest for knowledge opens the doors for people to explore their own views and experiences about the spiritual realm and to learn more about the Truth of who they are
