All the Feelings of Love E.J Powell,2014-12-09 Often more than not we try to put our love experience into words I have collected all of mine and done just that It has been done all around the world for centuries in millions of books But what is unique and new however is my perspective of love I have been writing my accounts of love since I was a young girl I have seen the love my grandfather gave my grandmother till he passed away the love my parents never gave each other the love of a friend and many more I have seen them all and experienced some They are the best and the worst of life and I still have more yet to endure My experiences are not only mine Many of us have been through such events that are similar and maybe you will find that one in my book I hope my book will open the minds of the world so that they can see love in its many different forms feelings and identities Love is not just a four letter word to be thrown around as if it has no meaning or life itself My stories and songs of love speak to anyone who has ever been touched by love Even if you haven't you will be able to understand what I feel and know that love will come and touch you soon **Love** Robin Barratt,2016-07-03 In the second of the Collections of Poetry and Prose book series LOVE A Collection of Poetry and Prose on Loving and Being in Love features 194 contributions from 86 writers and poets around the world all writing in their own unique wonderful and occasionally quirky way about loving and being in love From rural towns and villages in Africa Asia and India and the tiny islands of Bahrain and Shetland to the bustling metropolis of Europe the Americas and Australasia with an eclectic mixture of both traditional and modern verse as well as the more abstract and esoteric and with many of the contributions reflecting the diverse backgrounds and cultures of the writers LOVE is being praised worldwide for its diversity and mix of poets writers and styles An undeniably unique collection poetry and short prose about love and loving from writers around the world
