Jones,2005-12-15 In eighteenth and nineteenth century England consensual marriages became increasingly popular according women a contractual subjectivity in which the liberal ideal of individual choice was key Representations of consensual marriage thus provide a firm grounding for the re evaluation of women s place within society Because this new progressive form of marriage was based on emotion rather than considerations of status or money it challenged the hierarchical status quo of English society that the traditional patriarchal marriage had upheld This phenomenon shows how necessary it is to historicize evaluations of political theory while the relationship between liberalism and feminism is fiercely debated today it was the foundation for radical feminism and social change from early modern times through much of the twentieth century In *Consensual Fictions* Wendy S Jones focuses on the English novel of the period to explore the relationship between married love classic liberal thought and novelistic form Jones argues that these works of fiction use the mulitplot form to explore the specific set of cultural problems associated with the ways in which liberalism reconceived marriage love and gender by exploring alternative resolutions to cultural problems through different narrative lines *Love, Power, and Gender in Seventeenth-Century French Fairy Tales* Bronwyn Reddan,2020-12 Bronwyn Reddan challenges the idealization of fairy tale romance as the ultimate happy ending by showing how the women writers who dominated the first French fairy tale vogue the conteuses used the genre to critique the power dynamics of courtship and marriage **Literary Value/ Cultural Power** Lynette Hunter,2001 Hunter examines the marginalised verbal arts written and spoken texts that don t fit the conventional patterns such as e mail letters diaries writing and speaking from the Black diaspora women s writing and electronic texts **Love and Politics in the Contemporary Spanish American Novel** Aníbal González,2010-02-01 The Latin American Literary Boom was marked by complex novels steeped in magical realism and questions of nationalism often with themes of surreal violence In recent years however those revolutionary projects of

the sixties and seventies have given way to quite a different narrative vision and ideology Dubbed the new sentimentalism this trend is now keenly elucidated in *Love and Politics in the Contemporary Spanish American Novel* Offering a rich account of the rise of this new mode as well as its political and cultural implications Anibal González delivers a close reading of novels by Miguel Barnet Elena Poniatowska Isabel Allende Alfredo Bryce Echenique Gabriel García Márquez Antonio Skarmeta Luis Rafael Sánchez and others González proposes that new sentimental novels are inspired principally by a desire to heal the division rancor and fear produced by decades of social and political upheaval Valuing pop culture above the avant garde such works also tend to celebrate agape the love of one's neighbor while denouncing the negative effects of passion eros

***Love Has a Voice*** Robin L. L. Welch, 2018-10-09

**GOD IS THE VOICE OF LOVE**

God is Love I John 4:18 This book was inspired by God to heal relationships of all kind not just marriages God's plan is to ultimately bring healing to dysfunctional relationships by turning people's hearts back to him where Love began God wants people to seek him for guidance and instruction on how to really Love someone If you believe that you have found that special person to share your life with and everything is going good but you know deep within your soul it could be better and you would like it to be what God has planned it to be I pray that as you read this book you can begin to hear the voice of God talking to you For those who are hoping to one day find that special someone to fulfill your life PLEASE wait on God Understand that God knows what He has placed in you and He knows that you are unique in Him He has invested so much in you as a person His desire is to please you and give you the desires of your heart You must know that He has the perfect person that he's preparing for you one that will love you in a very special way Understand who you are and how unique you are Unique means that you are the only one designed for that particular person That particular person is hard to find when we don't want to wait on God so that He can lead us to them You must decide to wait on God by telling yourself you are special you have value and you have worth because you can't think more highly of someone else than you think of yourself So put a price on what God has placed in you and see how much a person is willing to pay for it don't sell yourself cheap Learn to hold on to that special gift God has given you and preserve yourself for that special person God has prepared for you to Love you with the Love that God has given them to love only you Remember you deserve God's best don't settle for less You have to listen to the Voice of Love that is in you and that voice is God allow him to talk to you Trust me it's real Be anxious for nothing but in everything by prayer and supplication with thanksgiving let your requests be made known to God Philippians 4:6-7 Real Love is out there you just have to wait on it and with God's help it will come
