Love After Death:

Love After Death Wendy Bunning, 2012-05-11 Love After Death is about actively engaging in a positive relationship with a loved one who has died. Some people do it naturally; we call them mediums, but this is not to say that the capacity to commune with someone who has died is only available to the select few. We can all do it. We can all draw back the thin veil that separates the living from the dead. Love does not cease to exist because of death. Love is eternal and never dies. This book is for you if you would like to learn how to keep the lines of communication open with your loved one even though they have died. This book is for you if you have ever felt that you have communicated with someone who has died, have had a near death experience, or indeed are just curious about the phenomena and extraordinary experiences that surround death. Love After Death includes free self-hypnosis audio downloads specifically designed to facilitate after-life communication. Love After Death contains real-life stories of after-death communication, ADC, nearing death awareness, NDA, and near death experience, NDE.

Prepared Love Carol Ward, 2017-12-22 Color Edition Have you ever experienced the pain of the death of a loved one? Are you caring for someone who may not be here for much longer? Does the thought of losing your loved ones frighten you? Death is a part of life. It is as inevitable as night following day or the rise and fall of the tide. So why do so many of us not think about planning for the eventuality? In this book, Prepared Love: When Love After Death Lasts a Lifetime, author Carol D. Ward explains her own loss of her beloved parents through the story of their lives from the day they met until the day they were parted. In heartfelt chapters which go much deeper than the pain of loss that many other books on the subject go, you will find a love story like no other. Dealing with grief during the loss of loved ones, inspirational words, and Bible scriptures that can help your grieving soul. The meaning of PREPARED LOVE from the author's standpoint and how it will last a lifetime. A collection of beautiful poetry. And lots more. There is nothing more important than preparing ourselves for the final goodbye. Carol D. Ward's parents understood this better than most and prepared their family for what was to come. Read about their extraordinary lives and their incredible love and learn how you can cope when loss is at your door.
