Literary Couplings Marjorie Stone,Judith Thompson,2007-07-02 This innovative collection challenges the traditional focus on solitary genius by examining the rich diversity of literary couplings and collaborations from the early modern to the postmodern period Literary Couplings explores some of the best known literary partnerships from the Sidneys to Boswell and Johnson to Sylvia Plath and Ted Hughes and also includes lesser known collaborators such as Daphne Marlatt and Betsy Warland The essays place famous authors such as Samuel Coleridge Oscar Wilde and William Butler Yeats in new contexts reassess overlooked members of writing partnerships and throw new light on texts that have been marginalized due to their collaborative nature By integrating historical studies with authorship theory Literary Couplings goes beyond static notions of the writing couple to explore literary couplings created by readers critics historians and publishers as well as by writers themselves thus expanding our understanding of authorship Exploring Forgiveness Robert D. Enright,Joanna North,1998-05-15 Pioneers in the study of forgiveness Robert Enright and Joanna North have compiled a collection of twelve essays ranging from a first person account of the mother of a murdered child to an assessment of the United States post war reconciliations with Germany and Vietnam This book explores forgiveness in interpersonal relationships family relationships the individual and society relationship and international relations through the eyes of philosophers and educators as well as a psychologist police chief turned minister law professor sociologist psychiatrist social worker and theologian *A Selection from the Love Poetry of William Butler Yeats* William Butler Yeats,1913 **Yeats Annual** ,2002 *The Tao of the Dude* Oliver Benjamin,2016-04-15 **Yeats** ,1991 **W. B. Yeats** K. P. S. Jochum,1990 This bibliography is the second revised edition of a book first published in 1978 under a somewhat different title Apart from correcting mistakes the second edition extends the coverage of material until 1986 and includes many items from 1987 and 1988 It also adds numerous items that should have been included in the first edition but had somehow escaped my notice **Forgiveness and Revenge** Trudy Govier,2011-02-25 Forgiveness and Revenge is a powerful exploration of our attitudes to serious wrongdoings and a careful examination of the values that underlie our thinking about revenge and forgiveness From adulterous spouses to terrorist

factions we are surrounded by wrongdoing yet we rarely agree which response is appropriate The problem of how to respond realistically and sensitively to the wrongs of the past remains a perplexing one Trudy Govier clarifies our thinking on this subject by examining the moral and practical impact of revenge and forgiveness both personal and political Forgiveness and Revenge offers much needed clarity and reason where emotions often prevail It is essential reading for anyone interested in the ethics of attitudes to wrongdoing Yeats, Eliot, Pound and the Politics of Poetry Cairns Craig, 2015-12-22 It has long been recognised that there is an apparently paradoxical relationship between the revolutionary poetic style developed by Yeats Eliot and Pound in the period during and after the First World War and the reactionary politics with which they were associated in the 1920s and 1930s Concentrating on their writings in the period up to the 1930s this study first published in 1982 helps to resolve the paradox and also provides a much needed reappraisal of the factors influencing their poetic and political development The work of these poets has usually been seen as deriving from the tradition of continental symbolist poetics Yeats Eliot Pound and the Politics of Poetry will be of interest to students of literature W.b. Conner, 1999-01-01 This is the first dictionary to identify chart and explain in context the many proper names and place names that so famously enrich the poetry of William Butler Yeats and just as famously anchor that poetry to Ireland In compiling this work Lester I Conner has relied upon Yeats's own prose the principal Yeats criticism and the writings of Yeats's friends and critics The result is a work that warmly ushers us into the poems where we find we are not strangers after all **Modernism** Michael Levenson, 2011-01-01 In this wide ranging and original account of Modernism Michael Levenson draws on more than twenty years of research and a career long fascination with the movement its participants and the period during which it thrived Seeking a more subtle understanding of the relations between the

period's texts and contexts he provides not only an excellent survey but also a significant reassessment of Modernism itself. Spanning many decades illuminating individual achievements and locating them within the intersecting histories of experiment Symbolism to Surrealism Naturalism to Expressionism Futurism to Dadaism the book places the transformations of culture alongside the agitations of modernity war revolution feminism psychoanalysis. In this perspective Modernism must be understood more broadly than simply in terms of its provocative works experimental forms and singular careers. Rather as Levenson demonstrates Modernism should be viewed as the emergence of an adversary culture of the New that depended on audiences as well as artists enemies as well as supporters.
