Intentional Parenting Sissy Goff,David Thomas,Melissa Trevathan,2013-03-11 This is about you not just your child Regardless of age parenting requires a certain amount of uncertainty But you can be certain that your children look to you to help them discover who they are And you can only offer that to the degree that YOU know who you are Over the years Sissy Goff David Thomas and Melissa Trevathan have helped countless families through their ministry known as Daystar Counseling in Nashville TN Due to the unique setup of Daystar each is frequently counseling not only the child but the parent as well Having both perspectives

provides an opportunity to speak into some of the most common struggles that parents face in today's fast paced society. Intentional Parenting is built around 12 chapters that each dispel some of the most common parenting myths and reminds all parents of truths that can empower them to be not only the parents that their children need but that God has called them to be. The book helps you discover first who you are and then takes that healthy person into a discovery of being more intentional, playful, consistent, merciful, and connected to your children. Understanding your child. Understanding you. *Let, Lift, & Listen* Christine Donavan, 2023-10-20. Finally a parenting manual that everyone thought did not exist. This simple to the point and useful resource is a must for every parent. Al Estee founder Social Emotional Learning Alliance for South Carolina. Whether you are dealing with toddler tantrums, teenage substance abuse, disrespect, failing grades, technology addiction, refusal to do chores, sibling rivalry, or any other challenge that your children might throw at you, this foundational book will give you the approach you need. Filled with touching and sometimes humorous stories that clearly illustrate how this framework works in real families, this book will enable you to join the thousands of parents who have rediscovered the peace and joy of parenting by simply understanding and focusing on this basic framework. LET the consequences do the teaching. LIFT your children with honest and sincere appreciation. LISTEN to words and emotions. Coach Christine clearly explains and illustrates how this framework is the only strategy you will ever need in any circumstance, and with any child. The parenting instruction manual you always wanted is finally here. **The Parenting Skills Treatment Planner, with DSM-5 Updates** David J. Berghuis, Sarah Edison Knapp, 2015-03-16. Brothers and Sisters in Adoption Arleta James,2012-02-15 What about the kids already there How do they do when a child with a challenging past joins a family by adoption When experienced parents decide to adopt an older child or a

sibling group they jump through all kinds of bureaucratic hoops background checks interviews group meetings reading assignments classes etc But most often the typically developing children these adults are already parenting whether through birth or adoption are left out of the process informed that a new kid is coming and simply expected to adjust to the addition of another sibling The addition of a child with a history of neglect or trauma cannot be a seamless transition The expectations of everyone involved parents new siblings and yes professionals facilitating the adoption must be realistic taking into account that the new child will need special attention that may take away time and attention from the already resident kids that family life is likely to be turned topsy turvy until appropriate counseling and support are in place that relationships will change Therapist Arleta James is certainly not the first person to recognize this but she is the first to do something about it Brothers and Sisters in Adoption offers insights and examples and sturdy practical proven tools for helping newly configured families prepare accept react and mobilize to become a new and different family meeting the practical physical and emotional needs of all its members These well prepared and supported families are the ones who thrive Helping Your Child with Extreme Picky Eating Katja Rowell, Jenny McGlothlin, 2015-05-01 Having a child who is a picky eater can be both frustrating and worrisome especially for parents who are concerned their child isn't getting the nutrition they need to grow stay healthy and strong and thrive In Helping Your Child with Extreme Picky Eating a family doctor offers a clinically proven program called STEPS Supportive Treatment of Eating in Preschoolers to help parents of children with moderate to severe feeding or selective eating disorders Parents will learn to support healthy and balanced eating maintain their child's healthy weight and end meal time anxiety once and for all *Forthcoming Books* Rose Arny, 2000
