Jenkins,2024-07-11 Taking 44 Mecklenburgh Square as the focal point and springboard for a critical group study of D H Lawrence H D and Richard Aldington this book offers a fresh perspective on the relationship of modernist biofiction and poetry to the literature of the First World War A group that Perdita Schaffner described as another Bloomsbury set the Mecklenburgh Square writers like the Bloomsbury Group proper lived in squares and loved in triangles in Dorothy Parker's famous formulation Geographically adjacent these sets intersected socially and at points in their aesthetics both practiced innovative forms of what may broadly be defined as life writing But demarcating the Mecklenburgh Square writers from the Bloomsbury Set the former had its origins in the transatlantic avant garde Lawrence H D Aldington and John Cournos were all associated with Imagism the poetic movement which instantiated Anglo American modernism Considered as a pro tem collective these four poets all of whom were also novelists and translators contest the binaries that still obtain between modernist and First World War writing This group study of Lawrence H D Aldington and Cournos tracks the transition of Imagism from a pre war mode to a war poetics which includes but is not confined to the trench lyric and it traces in the transtextual relations between the Mecklenburgh Square novels the traumatic imprint of the war on modernist life writing **The Complete Entertainment Discography, from the Mid-1890s to 1942** Brian Rust,Allen G. LAURIERS,2018-02-14 One of the themes I play around with is the idea of mountains fading in the distance becoming transparent and flying I have done this through the use of Canada Geese which I have personally trained to fly in V formation My goal is to encourage these majestic birds to spell my name across the sky The most difficult letter of course is S because you have to get two flocks to fly in opposite directions on a near collision course *Love Awaits You* Tarry Bailey,2016-05-12 This coffee table book is comprised of beautiful feelings and poetry expressing with every word what is it to truly love and care for someone This book contains not only love but hopes and dreams of what this world is and can inspire you to be This book is a visual representation of all the ways individuals can love one another Love can be a couple celebrating their golden anniversary to a man and woman who loved each other at first sight a mother or father to their child best friends or strangers sharing a meal The words are woven together to let you the reader know you are important and you matter Perhaps you will be able to find within these pages words to powerfully express what you have always wanted to say to that special someone in your life *Love Defined* Kristen Clark,Bethany Baird,2018-05-01 Our culture is obsessed with love and romance so why are so few women experiencing satisfying long term love In this insightful and encouraging book sisters Kristen Clark and Bethany Beal help single women of all ages discover a radically better approach to navigating their love lives Covering topics such as true love romance purposeful relationships purity boundaries singleness and glorifying God in every stage of our relationships *Love Defined* unpacks God s original design for romance showing modern women how to experience God s best for them in their relationships Full of biblical truths and step by step application of concepts discussed the book also includes a chapter by chapter study guide to be used individually or in small groups as well as four letters from godly women who have been married for 30 40 and 50 years offering priceless hard won advice to single women **Down Life'S Trail** D. Russell Walker,2015-02-21 For more years than most of todays population could possibly recall I had been writing poems about my family my own true adventure stories and just about anything of interest to me which has been just about anything I had catalogued shelved boxed and stored material throughout the years all the while that I had been experiencing the many facets of my more varied than some life From the time that I was a little farm kid the workings of nature and its wild faces had held intrigue to my mind Consequently by the time that I became old and bold enough to begin my own quest of adventure I just plainly let it happen Any opportunity to explore life and of things not yet known to me became open season for my whims In those early years I had managed to scribble down numerous discoveries that evolved as I waded through lifes happenings Eventually I had accumulated many written utterances and at first kept them in piles and eventually files

Through the urgings of family and friends it has come to the point of sharing my writings of adventurous ramblings with others But where should I start The grab bag of writings that I have dealt from for this first widely published volume of mine which I had decided to name Down Lifes Trail for in many ways it does reflect selections written by myself along the bumpy road of life At the age of twenty two I had started out on my own after schooling for the profession as a photographer This required traveling many miles first within Maine then to other locations across the country and involving aerial photos along with all others I had recorded and kept records of many of the special locations that I had flown over or photographed both in writings and photos Now has come the time for me to pursue the publishing of some of my collections I had promised to my local audience that had been reading my work over the years that I would indeed take a shot at publishing a book of poetry My decision right or wrong is now to begin my offerings with this aptly named volume of Down Lifes Trail for the following has been derived from short story poems written as I was tripping along lifes trail Hopefully you will read and enjoy the enclosed pages that have been randomly selected from the far reaching trail of my life
